To whom it may concern:

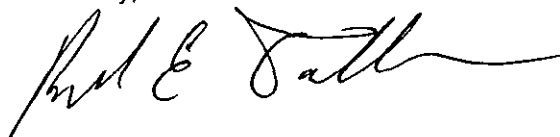

On January 15, we received two notices dated January 11, 2016 informing us that our operating authority has been suspended effective January 14, 2016 for failure to maintain evidence of both liability and cargo insurance on our operations.

We have discontinued those insurances as we have discontinued all trucking operations requiring authority from the Public Utilities Commission prior to the expiration date (January 14, 2016) of our insurance policies.

Therefore, we request that our operating authority remain under suspension as opposed to cancellation should we choose resume operations at a later date.

Please let us know what steps need to be taken, if possible, in order to accomplish this.

Sincerely,

A handwritten signature in black ink, appearing to read "Richard E. Tallman". The signature is fluid and cursive, with a long horizontal flourish extending to the right.
