Re: A-00109621, F. 1, Am-A - Independent Equipment Transfer Co., Inc.

Dear Mr. O'Boyle:

Under date of October 10, 1991, the Secretary's office transmitted to you the Commission's compliance order adopted October 3, 1991, evidencing approval of the above application which is in effect a transfer of the rights formerly held by Albert H. Sloan at A-00108717. The letter transmitting the order directs attention to the requirement for the filing of a tariff.

In accordance with the provisions of Pa. Code, Title 52, Section 23.13(c), you should immediately arrange to file adoption supplements with us whereby the tariff of the former operator will become the tariff of the latter, and no change in rates is permitted to cover the transfer of rights. To assist you in meeting this tariff requirement, we are enclosing three copies of the necessary supplement to be properly executed by you, the original and one copy of which must be returned to us for filing and the remaining one to be retained for your records. Upon the proper filing of the adoption supplements, the tariff requirements will be satisfied.

Very truly yours,  
Barry L. Ernst, Director  
Bureau of Transportation
