Application of Donald R. Kinsley, t/d/b/a Kinsley Trucking

To Whom It May Concern:

The Commission's records indicate that you have failed to comply with the sixty (60) days that were set forth in the Commission's letter dated June 2, 1995.

That compliance letter required that certain requirements were to be filed with the Commission, these outstanding requirements are insurance.

Since you have not complied with the requirements, your application for a certificate of public convenience is hereby dismissed.

Also since you do not have a certificate, any operation as a motor carrier in intrastate commerce is a violation of the Public Utility Code, 66 Pa. C.S. §101 et seq, and will subject you to the penalties contained therein.

Very truly yours,

  
John G. Alford  
Secretary
