THIRD: That applicant shall not record in his utility accounts any amount representing the rights herein granted, in excess of the actual cost of such rights to the original holder thereof.

NOW, to wit, September 18, 1967, IT IS ORDERED: That upon compliance with the requirements of the Public Utility Law relating to insurance and the filing and acceptance of a tariff establishing just and reasonable rates, a certificate of public convenience issue evidencing the Commission's approval of the right to operate as above determined.
