In re: Pennsylvania Public Utility Commission
v.
Lawrence Estenich Enterprises, Inc.
A-00111786C0201
A-00111786

Dear Respondent:

On March 25, 2002, the Bureau of Transportation and Safety instituted a complaint against Lawrence Estenich Enterprises, Inc., alleging respondent abandoned or discontinued service without having submitted a letter to this Commission containing a statement that the service is no longer being rendered.

Respondent was duly notified that, if an answer was not filed within twenty (20) days of receipt of the complaint, the Bureau of Transportation and Safety would request that the Commission enter an order imposing a penalty.

The complaint and notice were published in the Pennsylvania Bulletin on July 20, 2002, Volume 32, No. 29; and, more than thirty (30) days later, no response has been received from respondent.

Therefore, the allegations in the complaint are admitted and the complaint is sustained.

The certificate of public convenience held by Lawrence Estenich Enterprises, Inc. at A-00111786 is hereby revoked and respondent shall cease and desist from further violations of the Public Utility Code, 66 Pa. Code §§101, et seq., and the regulations of this Commission, 52 Pa. Code §§1.1, et seq. In view of the cancellation of the respondent's certificate of public convenience, it is specifically prohibited from rendering service as a common carrier by motor vehicle in intrastate commerce in the Commonwealth of Pennsylvania.

Should respondent wish to again begin transportation operations in the Commonwealth of Pennsylvania, respondent must file a new application for authority in order to obtain a Certificate of Public Convenience. **The respondent must pay all outstanding assessments and fines before this Commission will act on an application for authority. Payment must be made by certified check or money order payable to the Pa. Public Utility Commission, P.O. Box 3265, Harrisburg, PA 17105-3265.**

Very truly yours,

James J. McNulty
Secretary
