F. No holders of stock of the Corporation, of whatever class, shall have any preferential right of subscription to any shares of any class or to any securities convertible into shares of the Corporation, nor any right of subscription to any thereof other than such, if any, as the Board of Directors in its discretion may fix; and any shares or convertible securities which the Board of Directors may determine to offer for subscription to the holders of stock may, as said Board of Directors shall determine,

G. Notwithstanding any provision of law requiring any action to be taken or authorized by the affirmative vote of the holders of a designated proportion of the shares of stock of the Corporation, or to be otherwise taken or authorized by vote of the stockholders, such action shall be effective and valid if taken or authorized by affirmative vote of a majority of the total number of votes entitled to be cast thereon, except where unanimous stockholder vote is required.

H. The Board of Directors shall have power, subject to any limitations or restrictions herein set forth or imposed by law, to classify or reclassify any unissued shares of stock, whether now or hereafter authorized, by fixing or altering in any respect, from time to time, before issuance of such shares, the preferences, rights, voting powers, restrictions and qualifications of, the dividends on, the times and prices of redemption of, and the conversion of rights of, such shares.

The Board of Directors shall have power to declare and authorize the payment of stock dividends, whether or not payable in stock of one class to holders of stock of another class or classes; and shall have authority to exercise, without a right conferred by law or by these articles, to purchase, lease or otherwise acquire the business, assets or franchises, in whole or in part, of other corporations or unincorporated business entities.
