Dear Mr. Swindler:

I am responding to a letter I received from the PUC Commission regarding a complaint for failing to maintain evidence of insurance on file with the Commission. My insurance did renew on January 5, 2016. The insurance was renewed with no lapse in coverage. However, my insurance filing did not post until January 15, 2016. It is important to note, that there was no lapse in coverage! Just 10 days till the filing was posted. If you have any questions, I may be reached at 570-428-2003.

Sincerely,

Earl Martin
