**Re: PPL Electric Utilities Corporation  
Act 129 Phase 2  
Interim Rate Change  
for the Period March 1, 2016 through May 31, 2016  
Docket No.**

---

Dear Ms. Chiavetta:

Enclosed for filing on behalf of PPL Electric Utilities Corporation ("PPL Electric") is PPL Electric's Act 129 Phase 2 Interim Rate Change Tariff for the Period March 1, 2016 through May 31, 2016. This Tariff Supplement 201, is being filed pursuant to the procedures set forth in PPL Electric's Tariff - Electric Pa. P.U.C. No. 201.

The ACR-2 rate for Large C&I was set to \$0.00 upon determination that the rate for the Large C&I customer class, if left unchanged, would result in a material over collection of Phase 2 Act 129 Compliance costs incurred or expected to be incurred during the current 12-month period ending May 31. Therefore, the Company is filing with the Commission for an interim revision of the ACR 2 to become effective ten (10) days from the date of filing.

Pursuant to 52 Pa. Code § 1.11, the enclosed document is to be deemed filed on February 19, 2016, which is the date it was filed electronically using the Commission's E-Filing System.

If you have any questions regarding the enclosed filing, please call me or Bethany L. Johnson, PPL Electric's Manager-Regulatory Operations at (610) 774-7011.

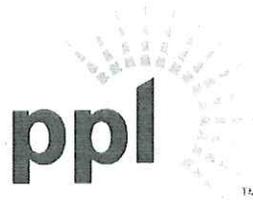

Very truly yours,

Paul E. Russell
