Application of MARIANNE INDUSTRIES, INC.

Dear Sir:

Receipt is acknowledged of your Letter-Petition dated January 20, 1995 regarding the above captioned application.

We are sorry for any inconvenience concerning this application. Please disregard the Supplemental Order Cancelling Certificate of Public Convenience which was issued in error. Since the Deregulation in January 1, 1995 some cases have slipped through the cracks and this case was one that was handled incorrectly. Your letter asking for dismissal was not addressed at the time of the receipt of the letter and we appologize for that fact.

Please be advised that your rights at the above docket number are in fact not cancelled and our records have been noted as such. Since your rights are not cancelled the Letter-Petition is considered moot.

We are sorry for any inconvenience this may have caused you in this matter.

Very truly yours,

John G. Alford
