Re: Natural Gas Supplier License No. A-2013-2364337

Dear Secretary Chiavetta,

American Power & Gas, LLC would like to amend our license to add four more utilities of whose facilities we would use to supply customers. They are:

- ❖ Equitable Gas Company (Peoples)
- ❖ People's TWP LLC
- ❖ National Fuel Gas Distribution Corp.
- ❖ PECO

Please find enclosed a bonding letter from each utility mentioned above and a check for the amendment fee in the amount of \$350. Please let me know if you need anything else to make this change in our records. Thank you!

Sincerely,

Lisa Barry

Dear Ms. Barry:

We are pleased that American Power & Gas of Pennsylvania, LLC has applied for a license to provide natural gas services on the Peoples Group of Companies. Specifically you have requested to be licensed as a supplier on the distribution systems of Peoples TWP, and Peoples Natural Gas LLC – Equitable Division (“the Companies”).

Since American Power & Gas of Pennsylvania, LLC is not currently operating a Pool on the Peoples TWP, or the Peoples Natural Gas LLC – Equitable Division systems, we have determined at this time that American Power & Gas of Pennsylvania, LLC does not need a bond or other financial security requirement to provide these services to the Company’s customers.

If a Pool is established which alters the creditworthiness requirement or the Company’s exposure to American Power & Gas of Pennsylvania, LLC provision of services on the Peoples’ system changes in the future, the Companies may deem it appropriate to require a bond or other financial instrument.

If you have any questions feel free to contact me at 412-208-6528 or by email at Lynda.W.Petrichevich@peoples-gas.com.

Sincerely,

Lynda W. Petrichevich

RE: Security Requirement American Power & Gas of Pennsylvania, LLC

Dear Lisa,

Pursuant to 66 Pa. C. S. § 2208 (c), an applicant for a natural gas supplier license in the Commonwealth of Pennsylvania must furnish security to each utility where the supplier will do business to ensure the financial responsibility of such natural gas supplier. To this end, National Fuel Gas Distribution Corporation ("National Fuel") will perform a credit review and analysis American Power & Gas of Pennsylvania, LLC and determine at the appropriate time whether AP&G must post a security deposit acceptable to National Fuel in order to operate as a supplier on National Fuel's system.

AP&G's security requirement to serve Pennsylvania customers is dependent on the type of transportation service utilized by AP&G. There is no Natural Gas Supplier (NGS) security requirement for customers that will be enrolled in National Fuel's Purchase of Receivable (POR) program. As such, AP&G will not be required to post security for customers enrolled in the POR program. A security deposit will be required for transportation customers not enrolled in the POR program.

Should you have any questions concerning the above, please contact me at 716-857-7599.

Yours truly,

Nathan E. Barnes

Energy Acquisition is providing this notification letter that American Power & Gas of Pennsylvania, LLC has met the creditworthiness business requirement involved with the Pennsylvania Gas Choice - Low Volume Transportation program, pursuant to the receipt of an initial Surety of \$35,000.00 Guaranty. The Surety may be submitted to PECO via three acceptable forms; a Cash Deposit, a Letter of Credit, or a Surety bond. PECO will hold any surety to cover potential obligations to PECO and other system costs that could result from failure of a Supplier to meet its competitive Natural Gas Supply service delivery obligations.

Please note, although the creditworthiness requirements were met, as referenced within Section 7.13 (Creditworthiness of a Natural Gas Supplier (NGS) Serving Low Volume Transportation Customers) of the Gas Service Tariff, PECO has the right to re-assess the creditworthiness of the company if PECO has any reason to suspect a change in the marketer's financial condition.

If you should have any questions regarding this matter, please contact the Electric & Gas Choice Hotline at 215-841-3700.

Sincerely,
