Dear Mr. Radcliff:

Under date of March 24, 1995, the Secretary's office transmitted to you the Commission's compliance order adopted March 16, 1995, evidencing approval of the above application which is in effect a transfer of the rights formerly held by Allentown Moving & Storage, Inc. at A-00108998. The letter transmitting the order directs attention to the requirement for the filing of a tariff.

In accordance with the provisions of Pa. Code, Title 52, Section 23.13(c), you should immediately arrange to file adoption supplements with us whereby the tariff of the former operator will become the tariff of the latter, and no change in rates is permitted to cover the transfer of rights. To assist you in meeting this tariff requirement, we are enclosing three copies of the necessary supplement to be properly executed by you, the original and one copy of which must be returned to us for filing and the remaining one to be retained for your records. Upon the proper filing of the adoption supplements, the tariff requirements will be satisfied.

We also notice that rates for a part of the authorized service being transferred are provided in tariffs published by Tristate Household Goods Tariff Conference, Inc., Agent. Should you elect to participate in the agency publication(s), two copies of a suitable power of attorney should be included with the filing. If you do not elect to participate in the agency publication(s) a new tariff or tariffs should be filed containing the same rates, rules and regulations published by the agency (agencies) for a minimum of 30 days.

Very truly yours,
Barry L. Ernst, Chief
Motor Carrier Service
