Re. *En Banc* Hearing on Alternative Ratemaking Methodologies, Docket No. M-2015-2518883

Dear Ms. Chiavetta:

Enclosed please find hard copies and CD-based digital files for two additional documents I am submitting for this record. These two documents are (1) a primer on rate design, and (2) an in-depth analysis of incentive options for energy efficiency.

Thank you,

A handwritten signature in black ink that reads 'Eric Ackerman'. The signature is fluid and cursive, with the first name 'Eric' being more prominent.

Eric Ackerman
Director, Alternative Regulation
Edison Electric Institute
