To Whom It May Concern:

This is to advise you that in checking our records we have found that no Form E filing has been made to the Commissions by your insurance company. Since no filing has been made, we have no recourse but to dismiss your application for noncompliance and close the case. We will give you until September 27, 1996 to file the correct filings with the Commission or your case will be closed and you will have to file a new application for rights with the Commission and start the process over for a certificate of public convenience.

Thank you for your cooperation in this matter.

Very truly yours,

John G. Alford
