Re: Letter sent concerning authority to operate "between points in Pennsylvania".

Dear Sir:

The previous letter indicated that, in addition to filing evidence of insurance, you would be required to demonstrate safety fitness. Your application was pending prior to January 1, 1995. A carrier with an application pending prior to January 1st is not required to undergo a safety fitness review.

Should you have any questions contact (717)772-2254.

Very truly yours,

John G. Alford
Secretary
