Dear George:

This will make reference to our discussion on intra Pennsylvania shipments and my need for carriers to perform said service.

As is with our interstate movement, the material being shipped will be truckload shipments of iron and steel tubing consigned to electrical distributors, fence wholesalers, fire protection supply centers as well as job site deliveries for each of the above market segments. The volume of material from and between points in Pennsylvania for our fiscal year of 1993 totaled 50,416,145 lbs. A sample of destinations is as follows:

Allentown	Folsom	New Oxford
Altoona	Greensburg	Oakes
Aspers	Grover	Paoli
Beaver Falls	Hanover	Pittsburgh
Bethlehem	Hazleton	Philadelphia
Bradford	Ingomar	Rochester
Chester	Johnstown	Scranton
Clinton	Koppel	Spring Grove
Carlisle	Lansdale	Uniontown
Danville	Latrobe	Wellsboro
Delta	Media	Whitehall
Easton	Morgan	Wysox
Erie	New Berlin	York

Hopefully, this information will expedite the process and Lester Fellows will continue in providing the high level service in this vital segment of our business. Moving forward, if there is any additional information you require, please feel free to contact me.
