**Re: Jermaine Walker v. PECO Energy Company
PUC Docket No. C-2015-2472503**

Dear Judge Jones:

Please find enclosed a copy of correspondence PECO's outside counsel, Margie Morris, Esquire, received on Thursday, March 10, 2016. It appears from the correspondence that Complainant is objecting to the Certificate of Satisfaction filed on March 1, 2016.

I note from the docket the correspondence has not been filed or docketed with the PUC. As the objection was not filed within 10 days pursuant to 52 Pa. Code § 5.24(c), PECO avers the objection is defective, and therefore, the case should not be scheduled for a hearing.

If Your Honor has any questions, please do not hesitate to contact me directly.

Very truly yours,

Shawane L. Lee
Assistant General Counsel, PECO
Encl.

To: whom it may concern
I, Jermaine Walker was told I
had 10 days to object to the
decision that was made on
3-1-16. I need more time to
see if I agree I want to
go let a lawyer look at the
paperwork and see if by law
everything is right also I need
to talk to PECO about the
amount I would have to pay
if I would ever decide to
get services at 1701 Walnut
