**Responsibility for Loss or Damage**

UPS's liability for loss or damage to each domestic package or international shipment is limited to \$100 without a declaration of value. Unless a greater value is recorded in the declared value field of the UPS shipping system used, the shipper agrees that the released value of each package covered by this receipt is no greater than \$100, which is a reasonable value under the circumstances surrounding the transportation. To increase UPS's limit of liability for loss or damage, a shipper may declare a higher value and pay an additional charge. See the UPS Tariff/Terms and Conditions of Service ("UPS Terms") at [www.ups.com](http://www.ups.com) for UPS's liability limits, maximum declared values, and other terms of service. UPS does not accept for transportation and shippers are prohibited from shipping, packages with a value of more than \$50,000. The only exception to the \$50,000 per package limit is for a package eligible for the Enhanced Maximum Declared Value of \$70,000 per package, as set forth in the UPS Terms. A package is eligible only if it meets the following requirements. The package must be (i) a domestic shipment; (ii) tendered pursuant to shipper's Scheduled Pickup Service; (iii) a UPS Next Day Air(R) delivery service is the service level selected; (iv) processed for shipment using a UPS Shipping System (declarations of value on paper Source Documents are not eligible for Enhanced Maximum Declared Value); and (v) does not contain hazardous material or a Perishable Commodity. Claims not made within nine months after delivery of the package (sixty days for international shipments), or in the case of failure to make delivery, nine months after a reasonable time for delivery has elapsed (sixty days for international shipments), shall be deemed waived. The entry of a C.O.D. amount is not a declaration of value for carriage purposes. All checks or other negotiable instruments tendered in payment of C.O.D. will be accepted by UPS at shipper's risk. UPS shall not be liable for any special, incidental, or consequential damages. All shipments are subject to the terms and conditions contained in the UPS Terms, which can be found at [www.ups.com](http://www.ups.com).
