**Sales Agreement**

Attached hereto is a copy of the Asset Acquisition Agreement entered into by Transferee and Transferor. This Agreement provides that Transferee shall pay the sum of \$8,000 to Transferor for the involved operating rights.

## ASSET ACQUISITION AGREEMENT

This Asset Acquisition Agreement ("Agreement") is made this 24 day of AUGUST, 1996, between Michael R. Barry, an individual who has a business office located at 530 Spruce Run Road, Pittsburgh, PA 15202 (hereinafter referred to as "Seller"), and Thomas L. Boyd, an individual who resides at 700 Grant Avenue, Duquesne, PA 15110 (hereinafter referred to as "Purchaser").

WHEREAS, Purchaser desires to acquire the Certificate of Public Convenience issued by the Pennsylvania Public Utility Commission to Seller at Docket No. A-00111447, and Seller wishes to sell said asset to Purchaser.

NOW THEREFORE, in consideration of the mutual promises, representations, covenants, and actions herein provided, the parties hereto, each intending to be legally bound, agree as follows:

### I. ACQUISITION OF DESCRIBED ASSETS

1.1 Purchaser shall purchase and acquire, and Seller shall sell, transfer, and set over to Purchaser, free and clear of all liens, encumbrances or claims, for the consideration and upon the terms hereinafter set forth, the Certificate of Public Convenience (hereinafter referred to as "Operating Rights" or "Certificate") issued by the Pennsylvania Public Utility Commission to Seller at Docket No. A-00111447, which grants authority to transport: (1) as a Class B common carrier, household goods in use, between points in the City of Pittsburgh, Allegheny County, and within an airline distance of three (3) statute miles of the limits of the said city; and (2) as a Class D common carrier, property, from the warehouse facilities of Silo, Inc. located in the Borough of Greentree, Allegheny County, to retail stores and customers of Silo, Inc., located within an airline distance of sixty (60) statute miles of the

limits of said borough, with right number two (2) subject to the following condition: That no right, power or privilege is granted to transport commodities in bulk, household goods and office furniture in use, commodities which, because of size or weight, require special equipment and handling, and commodities requiring refrigeration.

## II. Consideration

2.1 In Consideration for the purchase of the Certificate described in this Agreement, Purchaser shall pay Seller the amount of Eight Thousand (\$8,000.00) Dollars, which sum shall be paid to Seller at the time that this Agreement is executed, subject to the following terms and conditions:

- a. Seller shall immediately refund to Purchaser consideration of Eight Thousand (\$8,000.00) Dollars upon the occurrence of any of the following events:
  - (i) After the application is filed with the Pennsylvania Public Utility Commission requesting permission to transfer the Certificate from Seller to Purchaser, one or more protests are filed to the Application and Purchaser is unable to secure the withdrawal of the protest or protests; or
  - (ii) The Pennsylvania Public Utility Commission, by its Initial Decision or Final Order, denies the transfer application due to no fault of Purchaser; or
  - (iii) The Pennsylvania Public Utility Commission approves the transfer application subject to conditions which materially restrict any of the Operating Rights being purchased.

2.2 Purchaser must exercise this option to demand that Seller refund the purchase price for the Certificate within thirty (30) days after the occurrence of any one of the above events.

2.3 If Purchaser exercises his option to terminate this Agreement, Seller shall promptly refund to Purchaser the consideration of \$8,000.00.

2.4 Upon approval of the transfer application by the Pennsylvania Public Utility Commission, as evidenced by a Certificate being issued in Purchaser's name, the Promissory Judgment Note shall automatically be null and void.

### III. APPLICATION FOR APPROVAL

3.1 The parties agree and recognize that the transfer of the Certificate from Seller to Purchaser requires the prior approval of the Pennsylvania Public Utility Commission (PUC). Upon signing this Agreement and payment of the entire consideration to Seller, the parties agree as follows:

- a. The parties will jointly file with the PUC an Application seeking approval of the transfer of the Operating Rights from Seller to Purchaser;
- b. Purchaser shall prepare the necessary Application at his expense and shall pay all filing fees and related expenses in connection with the filing of the transfer application.
- c. Purchaser and Seller shall, with due diligence and in good faith, cooperate fully in the presentation, filing and prosecution of the Application, and agree to join in and execute any and all such Application and other documents, subject to the approval of legal counsel, and agree to attend and participate in

- any hearings, if necessary.
- d. Purchaser and Seller and their respective counsel shall supply such information as required and otherwise cooperate to the end that approval of the transfer application may be secured.
  - e. Each party shall bear the expense of his own legal counsel in connection with the transfer application.

#### **IV. REPRESENTATION OR WARRANTIES**

**4.1** Seller warrants and guarantees that the Operating Rights have been duly issued by the PUC; that the rights are in full force and effect; and that the rights are not subject to any liens, encumbrances, security interests, PUC assessment or claims of any kind as of the date of this Agreement; and that on the closing date there will not be any liens, encumbrances or security interests, PUC assessments or claims of any kind against the Operating Rights.

**4.2** Seller warrants that all general and special assessments heretofore made or that may be made by the PUC applicable to any and all operating periods other than the Management Period, as set forth in the Management Agreement entered into by the parties, shall be the obligation of Seller. Any general or special assessments applicable to operations during the Management Period shall be the obligation of Purchaser.

**4.3** Purchaser and Seller represent and warrant that there is no reason that Purchaser or Seller is aware of that the PUC would not grant the transfer of the involved Operating Rights, and the execution and performance of this Agreement will not violate any law or agreement to which Purchaser or Seller is subject.

4.4 The respective representations and warranties of Seller and Purchaser set forth in this Agreement shall survive the closing and thereafter shall be fully effective and enforceable.

4.5 Seller agrees that, upon the request of Purchaser and without further consideration, Seller will execute, acknowledge and deliver such conveyances, bill of sale, PUC tariff adoption supplements and related documents as reasonably may be required by Purchaser to assign, convey, transfer and deliver to Purchaser title to and enjoyment of the Operating Rights of Seller transferred pursuant to this Agreement.

#### **VI. CLOSING DATE**

5.1 The final closing date is the date selected by agreement of the parties within a period of thirty (30) days after the effective date of the final Order of the PUC approving the transfer application, or the thirtieth (30th) such day after the final Order if no other day is selected. The transaction shall be consummated on the final closing date.

5.2 The term "Final Order" shall be defined as Order of the PUC finally determining the transfer application.

5.3 In the event that the PUC, by its Final Order, should deny the transfer application or approve the transfer application subject to conditions which materially restrict any of the operating rights being purchased, either party may seek judicial review of the PUC's final Order, and the party so electing shall pay all expenses incurred with the appeal, except for counsel fees of the other party.

#### **VI. REMEDIES ON DEFAULT**

6.1 In the event that either party fails to comply with any material and substantial

provision of this Agreement, the Management Agreement between the parties or any related written agreement, the non-breaching party shall have the right to notify the breaching party that he is in default, and the non-breaching party shall be entitled to pursue any and all legal and equitable remedies to which he may be entitled.

## **VII. MISCELLANEOUS PROVISIONS**

**7.1 No Assumption of Liability.** This Agreement involves the Purchaser acquiring and purchasing only the PUC Operating Rights of Seller. Accordingly, Purchaser does not assume any claims, debts, judgments or other liabilities or obligations of Seller by reason of this Agreement.

**7.2 Non-Assignability.** The parties may not assign the rights under this Agreement, either in whole or in part, without the prior written consent of the other party.

**7.3 Successors and Assigns.** This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, successors, assigns and legal representatives.

**7.4 Controlling Law.** The parties acknowledge that this Agreement is intended to be executed and consummated in the Commonwealth of Pennsylvania, and the parties agree that this Agreement shall be governed by, and construed and enforced in accordance with the laws of the Commonwealth of Pennsylvania.

**7.5 Headings.** The headings and captions referring to the contents of paragraphs of this Agreement are inserted for reference only and shall not affect in any way the meaning or interpretation of any particular paragraph to which they refer.

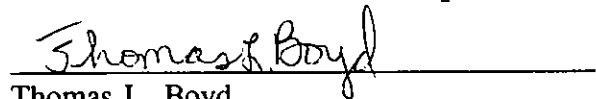

**7.6 Related Documents** Contemporaneous with entering into this Agreement, the

parties have also entered into a Management Agreement and Promissory Judgment Note.
