Application of TNT EXPEDITED SERVICES, INC.

To Whom It May Concern:

The Commission's records indicate that you have failed to comply with the sixty days that were set forth in the Commission's order issued on October 28, 1996.

The compliance letter required that certain requirements were to be filed with the Commission, the outstanding requirement is insurance and in checking with the Insurance Section there was NO current and accepted insurance (Form H) on file.

Since you have not complied with the requirements, your application is hereby dismissed.

Also since you do not have authority to operate, any operation as a motor carrier in intrastate commerce is a violation of the Public Utility Code and will subject you to the penalties contained therein.

JAF

Very truly yours,

John G. Alford, Secretary
