**ANSWER TO MOTION TO  
STRIKE AND DISMISS PROTESTS**

AND NOW, comes Clemmer Moving and Storage, Inc., and Shelly Moving and Storage, Inc., by their attorney, William H. R. Casey, Esquire, and hereby files this Answer to Motion to Strike and Dismiss Protests, as follows:

1. Admitted.
2. Admitted.
3. Admitted.
4. Admitted.
5. Admitted.
6. Admitted.
7. It is admitted that Paragraph 7 contains the requirements of 52 Pa. Code Section 3.381(c)(1), which speaks for itself.
8. Denied. 52 Pa. Code Section 3.381(c)(1) speaks for itself.
9. Denied. On the contrary, for efficiency purposes joint protests are readily accepted by the Public Utility Commission.

**DOCKETED**  
APR 25 1997

**COMMENT**  
APR 25 1997

10. While it is correct that one digit is incorrect in the Protest, no harm or prejudice to applicant was caused by this inadvertence.

11. 12. While it is correct that no telephone number was included in the protest for Clemmer and Shelly, their counsel's number was included and no harm or prejudice occurred thereby to applicant.

13. 14. While it is correct that the operating rights of Clemmer and Shelly were inadvertently not enclosed, the applicant was correctly advised that the protesting carriers had rights within the area sought by applicant. In addition, the rights of the protesting carriers were subsequently provided to applicant's counsel and again no harm or prejudice was caused by this inadvertence.

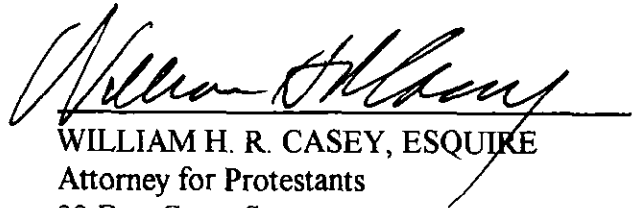

15. Denied. On the contrary, in view of the extensive area sought by applicant, who is not presently certified, no prejudice is caused to applicant who is required to show the need for additional service in this expansive area.

16. Denied as a conclusion of law.

WHEREFORE, Protestants respectfully request that the Motion be denied.

Respectfully submitted,

Dated: 4/15/97

Dear Sir:

The above referenced application has been assigned for review without oral hearing. In order to reach a determination on the application, you are being required to file verified statements in accordance with 52 Pa. Code Section §3.381(e)(1). You will be required to file:

You are being granted an initial thirty (30) days to file verified statements. They will be due on or before October 27, 1997.

If additional time is required, it may be requested by telephone but must be followed in writing with the reasons for the extension stated. Questions about the application should be directed to Tim Zeigler at 717-783-5946.

**PUC Docket No. 00113409**

Dear Mr. Zeigler:

Pursuant to your instructions, I enclose herewith Verified Statement of Applicant together with 27 Verified Statements in support of the Application.

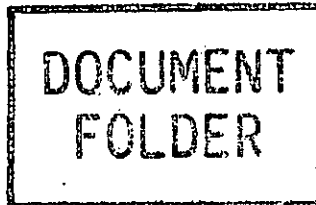

The applicant commenced this matter by filing with the Commission on or about September 4, 1996. During the intervening time, he has decided that it would be more appropriate to conduct the business through a corporate entity rather than by a sole proprietorship. Accordingly, Mr. Wright formed a Pennsylvania corporation on May 17, 1996. Would you kindly permit the Certificate of Public Convenience to be issued in the name of the corporation "Eric Wright Enterprises, Inc. t/d/b/a Eric's Moving". To support this request, Mr. Wright has signed and I enclose an Affidavit attesting to the fact that no change of ownership or control would occur by placing the Certificate of Public Convenience in the corporate name. The Affidavit in Paragraph 7 references the fictitious name and I enclose a copy of the fictitious name registration form to verify the adoption of the trade name.

If you require any additional information, please do not hesitate to contact me. Thank you for your anticipated cooperation.

Sincerely,

Eric Wright  
524 Washington Street  
Royersford, PA 19468

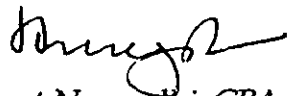

Dear Mr. Wright:

The accompanying Statement of Income (Cash Basis) for the six months ended June 30, 1997 have been compiled by me in accordance with the standards established by the American Institute of Certified Public Accountants.

A compilation is limited to presenting in the form of financial statements, information that is the representation of owners. I have not audited or reviewed the accompanying financial statement and accordingly do not express an opinion or any other form of assurance on them.

The owner has elected to omit substantially all of the disclosures required by generally accepted accounting principles. If the omitted disclosures were included in the financial statement, it might influence the user's conclusions about the Company's financial position, results of operations, and changes in financial position. Accordingly, this financial statement is not designed for those who are not informed about such matters.

The accompanying statement of income has been prepared solely from the accounts of Eric Wright, Furniture and Shelving Installer and it does not include the personal accounts of the owner or those of any other operation in which he is engaged. Income from the proprietorship is generally reported in the proprietor's federal income tax return. Accordingly, no income taxes have been recorded in this statement of income.

Sanat Negandhi, CPA
