

To whom it may concern

I Greg Cowburn owner/operator at Lone Wolf Hauling  
Parked my vehicle on 12-1-15 till 3-6-16 in my driveway  
as there was no work for it. I took a Company over the  
Road job and was gone. I understand that is no Reason  
to let my insurance lapse but i was trying to support my  
3 kids and wife on a smaller salary. If you could  
find it in your hearts to drop the \$500 fine and let  
me resume buissness with my truck it would Be very  
grateful. This will never happen again! first year in  
Bussness and i have learning to do. Thank you
