SECRETARY'S BUREAU

Greetings,

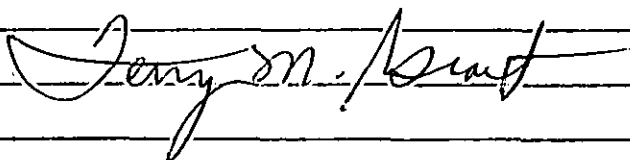

My name is Terry M. Grant and I represent Lee-Lee Non-Emergency Medical Transportation A-2015-2501696 A-6218026. We are currently in the last stage of our processing which includes the forwarding of Form E from our Insurance Company and a list of tariffs.

Due to the death of my sister on Feb 24, 2016, I have been unable to put my full attention to completing this task because of this tragedy, arrangements, wills, beneficiaries, travel, etc. This tragedy has actually involved my full attention for three weeks.

Therefore, I am requesting an extension in order to complete the application process and be able to submit my applications to Logisticare and other providers who would provide us with clients and begin legitimate operation of our company.

Please understand that under normal circumstances I would have been finished and able to operate in earnest but this came unexpected and affected me and my family very deeply.

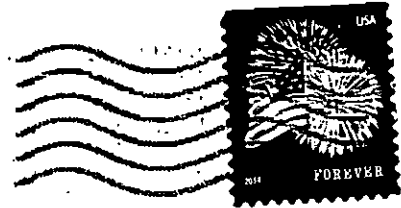

Thanking You in Advance,
Terry M. GRANT 215 430-5583
