

COMPANY *A-113651*

Contacted Canterbury Coal Co. and spoke to Mr. Ray McElhaney, Secretary/Treasurer and contact person. It was learned that no operation had begun at this time. I explained what would be needed for the completion of SFR 97-077-01. Mr. McElhaney was instructed to contact the Pittsburgh District Office and leave a message when he begins operating and I will return a call to him and set up the date to conduct SFR.

On 8-11-97, at 1500 hours, contacted Canterbury Coal Co. to speak to Mr. McElhaney and was advised he was out of the office. He is to return my call. Contacted McElhaney of Canterbury Coal Co. and reviewed what would be covered by safety fitness review, and he acknowledged he was now ready for review. Date and time was set for 9-15-97 at 0900 hours.

On 9-15-97, travelled to Canterbury Coal Co., Avonmore, PA. Informed Mr. Ray McElhaney, contact person for SFR, was not available today. He was on jury duty. This officer was not notified of this prior to my arrival. I spoke with Martin J. Singer, Manager of Human Resources, Canterbury Coal Co. I was advised the district office will be contacted by Canterbury Coal Co. later this date.

At 1400 hours on 9-15-97, received message from District Office to contact Marty Singer of Canterbury Coal. Mr. Singer was out of the office. He will call district office on 9-16-97.

On 9-16-97, contacted Canterbury Coal Co. and spoke to Mr. Ray McElhaney. He stated Canterbury will not be using PUC authority. I advised him to send a letter to district office requesting withdrawal of PUC authority. Also, this officer advised Mr. McElhaney to be sure the carriers he uses for transporting his coal have PUC authority.
