Dear Respondent:

On October 1, 1999, the Bureau of Transportation and Safety instituted a complaint against Daniel J. Dellich, Jr., t/a Daniel J. Dellich, Jr. Trucking, alleging respondent failed to achieve a satisfactory safety fitness rating from this Commission.

The complaint specified that, if the respondent failed to answer the complaint within twenty (20) days from the date on which it was served, then the Bureau of Transportation and Safety would request the Commission to impose a penalty including suspension or cancellation of any certificate or permit the respondent may hold.

The complaint and notice were served on respondent on October 2, 1999; and, more than thirty (30) days later, no response has been received from respondent.

Therefore, the allegations in the complaint are admitted and the complaint is sustained.

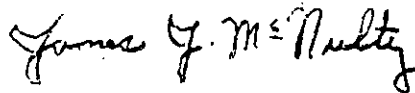

The certificate of public convenience held by Daniel J. Dellich, Jr., t/a Daniel J. Dellich, Jr. Trucking at A-00113687 is hereby revoked and that respondent cease and desist from further violations of the Public Utility Code, 66 Pa. Code §§101, et seq. and the regulations of this Commission, 52 Pa. Code §§1.1, et seq. In view of the cancellation of respondent's certificate of public convenience, it is specifically prohibited from rendering service as a common carrier by motor vehicle in intrastate commerce in the Commonwealth of Pennsylvania.
