LIKE A ROCK

A SPORT UTILITY WITHOUT EQUAL.

Uncompromised power, ruggedness
and strength. Unmatched passenger
and cargo space in its class.

Unsurpassed trailering capabilities.

Unmistakable presence and style.

Unbelievable? No, it's Chevy

Suburban — the largest sport utility

vehicle on the planet.* And it's

undeniably Chevy Truck — the most

dependable, longest-lasting trucks on

the road.†

*Excludes other GM vehicles. †Dependability based on longevity: 1981–1996 full-line light-duty truck company registrations. Excludes other GM divisions.

K1500 4x4 Suburban LT in Indigo Blue Metallic. Shown with additional options.

LUXURY AND REFINEMENT ON A GRAND SCALE.

Suburban LT interior with Custom Leather seating surfaces in Neutral. Shown with standard front 60/40 reclining split-bench seat and additional options.

UNCOMPROMISED SEATING FOR UP TO NINE.

Step into the Suburban cabin and enter a world of uncompromised spaciousness and luxury. Generous seating for up to nine is complemented by deeply padded seats, contoured for comfort and support. With

LS and LT trim, a split-bench front seat with power driver seat feature and power lumbar adjusters for both the driver and front passenger is standard.

For the ultimate in luxury, there's Suburban LT with its elegant Custom Leather seating surfaces and the new optional Comfort and Security Package (requires front high-back bucket seats), which includes heated front seats, a power passenger seat, heated outside rearview mirrors, a reversible cargo mat and more. In every way, Suburban says "ultimate." And that's exactly how we planned it.

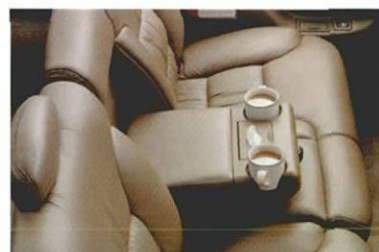

Heated Front Bucket Seats.

Included in the new optional Comfort and Security Package with LT trim, heated front bucket seats enhance comfort during cold-weather travel.

Console Convenience.

Optional front high-back bucket seats with LS or LT trim include a multi-feature center console with a pivoting writing surface, map strap and your choice of drop-in dual cup holders or cassette/CD storage.

Center-Row Console.

The split-folding center-row bench seat with LS or LT trim features a convenient pull-down center armrest with cup holders and a tissue packet holder.

Rear Heat And Air Conditioning.

Suburban with LS or LT trim features front and rear air conditioning and a heater system with separate controls for the convenience of front-and rear-seat passengers.

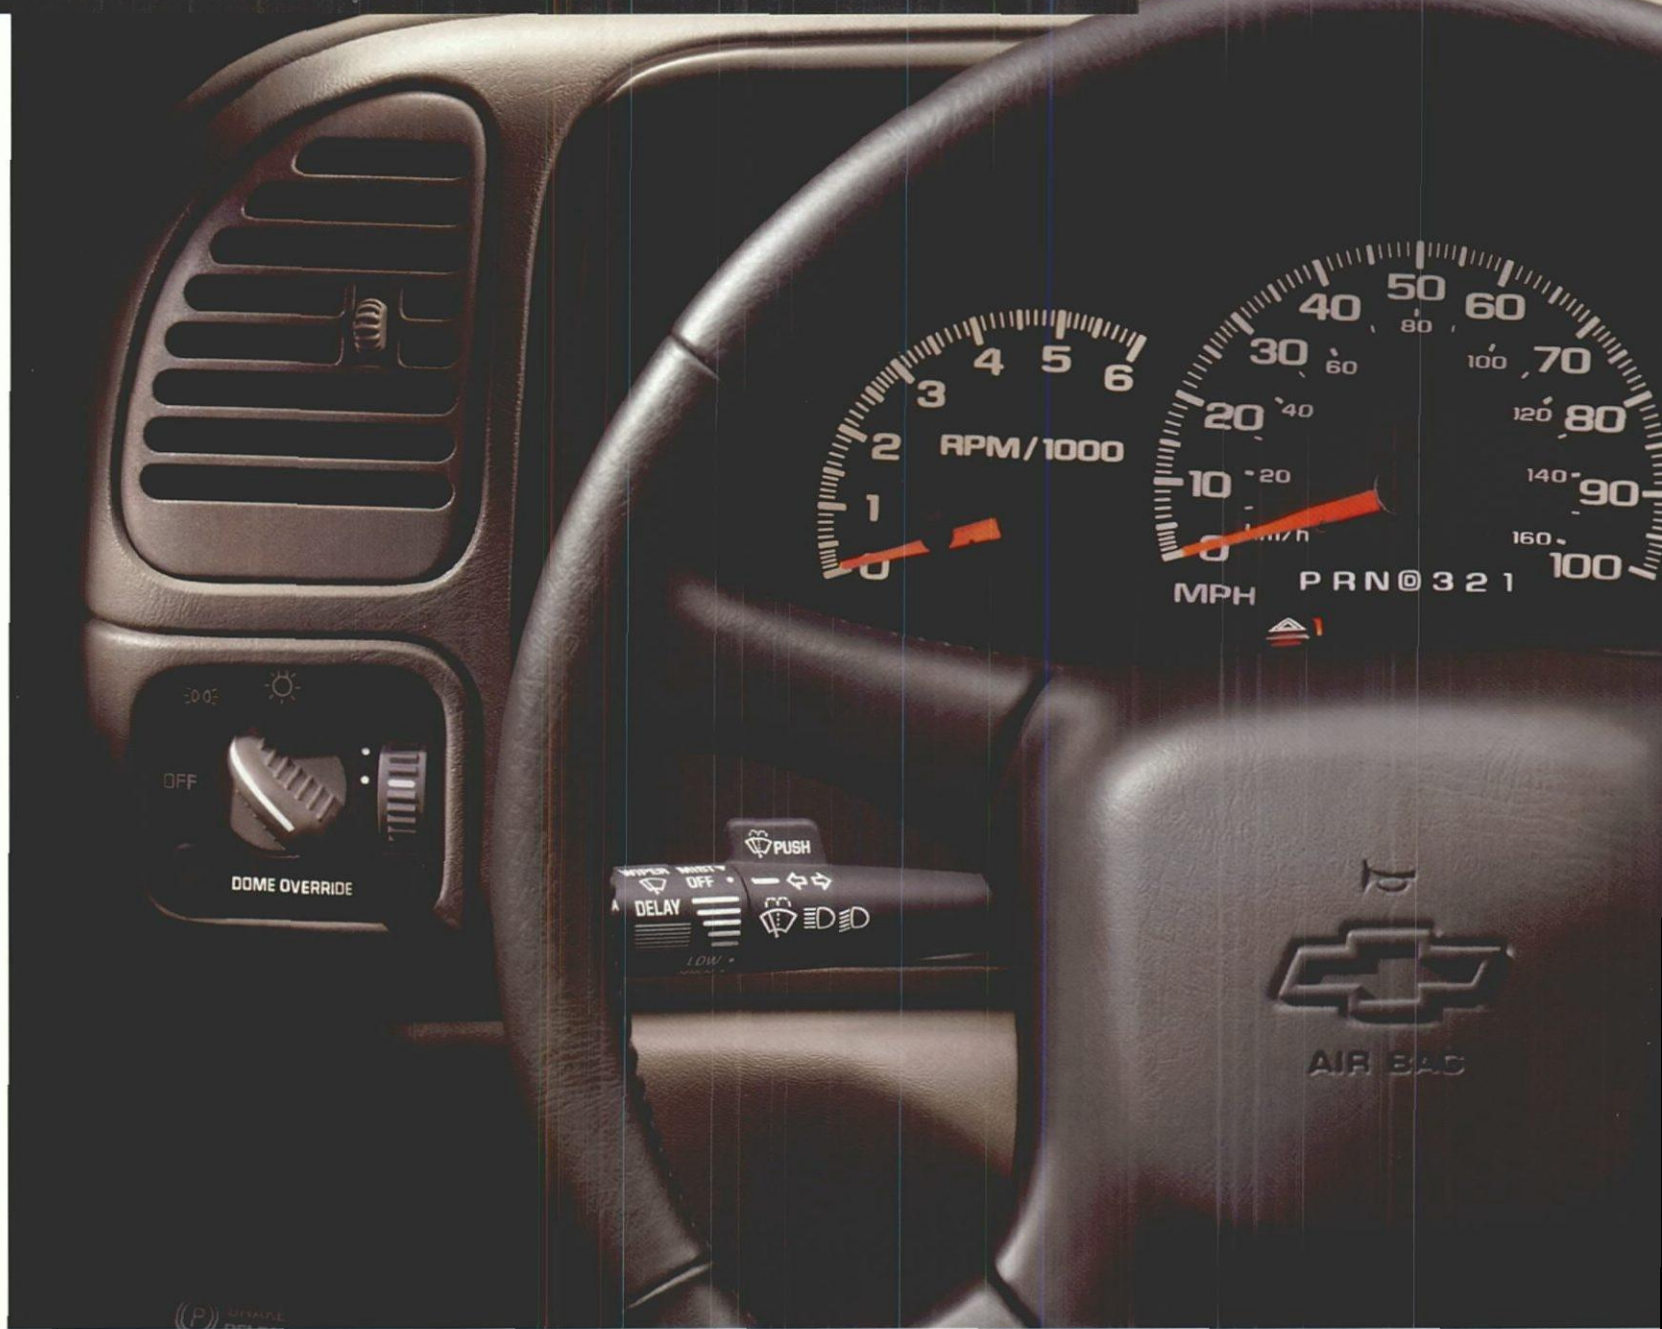

Overhead Console.

Optional front high-back bucket seats with LS or LT trim include an overhead console with reading lights, plus the HomeLink transmitter (included with optional Comfort and Security Package) or storage for a garage door opener and other items.

A DRIVING EXPERIENCE UNLIKE ANY OTHER.

Suburban is the largest sport utility vehicle on the planet.* But its "presence" is not just confined to its majestic stance. The feeling you get behind the wheel of Suburban is simply unrivaled, and everything around you is right in keeping with its character. Confidence, control, Suburban. You really have to drive one to experience it. *Excludes other GM vehicles.

Autotrac Push-Button 4x4.
The new, optional Autotrac 4x4 system features multiple settings

that Suburban drivers may choose. When the Auto 4WD button is selected, the Autotrac system automatically switches between 2WD and 4WD, based on road conditions. While in Auto 4WD, Suburban operates in 2WD until sensors indicate the need for 4WD. Or, the driver may select full-time 2WD, 4WD High or 4WD Low, as needed. This system also offers a provision for Neutral.

HomeLink Transmitter.
Included in the optional Comfort and Security Package for LT trim, this new feature allows you to program your garage doors, electric gates or even your home's lighting/security systems into a permanently mounted transmitter located in the overhead console.

SIZE AND CAPABILITY THAT STAND ALONE.

K1500 4x4 Suburban LS in Dark Copper Metallic. Shown with additional options.

Suburban LS interior in Gray Custom Cloth. Shown with standard front 60/40 reclining split-bench seat and additional options.

THE ULTIMATE IN COMFORT.

You would expect the ultimate vehicle to deliver the ultimate in comfort and convenience. Suburban delivers on its promise to provide you and your passengers with uncompromised roominess and abundant standard features that you'll enjoy every day. Everywhere you look, you'll find the quality features and attention to detail that help make Suburban such an enduring legend. Its inviting interior rewards as many as nine passengers with generous comfort and everything they need to enhance journeys both short and long. From the careful placement of armrests and cup holders to the convenience of a cargo-area power door-locking switch, it's easy to see that Suburban is dedicated to taking care of you in style.

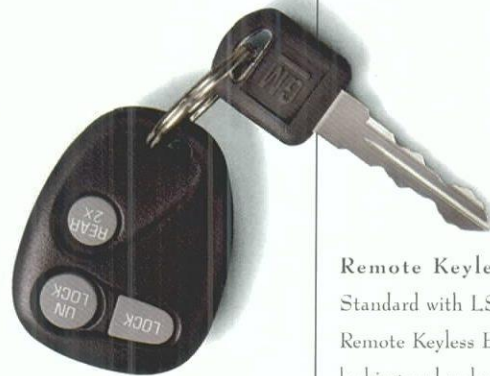

Storage Armrest.

The LS and LT trim level's standard 60/40 split-bench seat, and the available full-bench front seat with LS trim include a fold-down center console with writing surface and map strap on the lid, plus concealed storage inside.

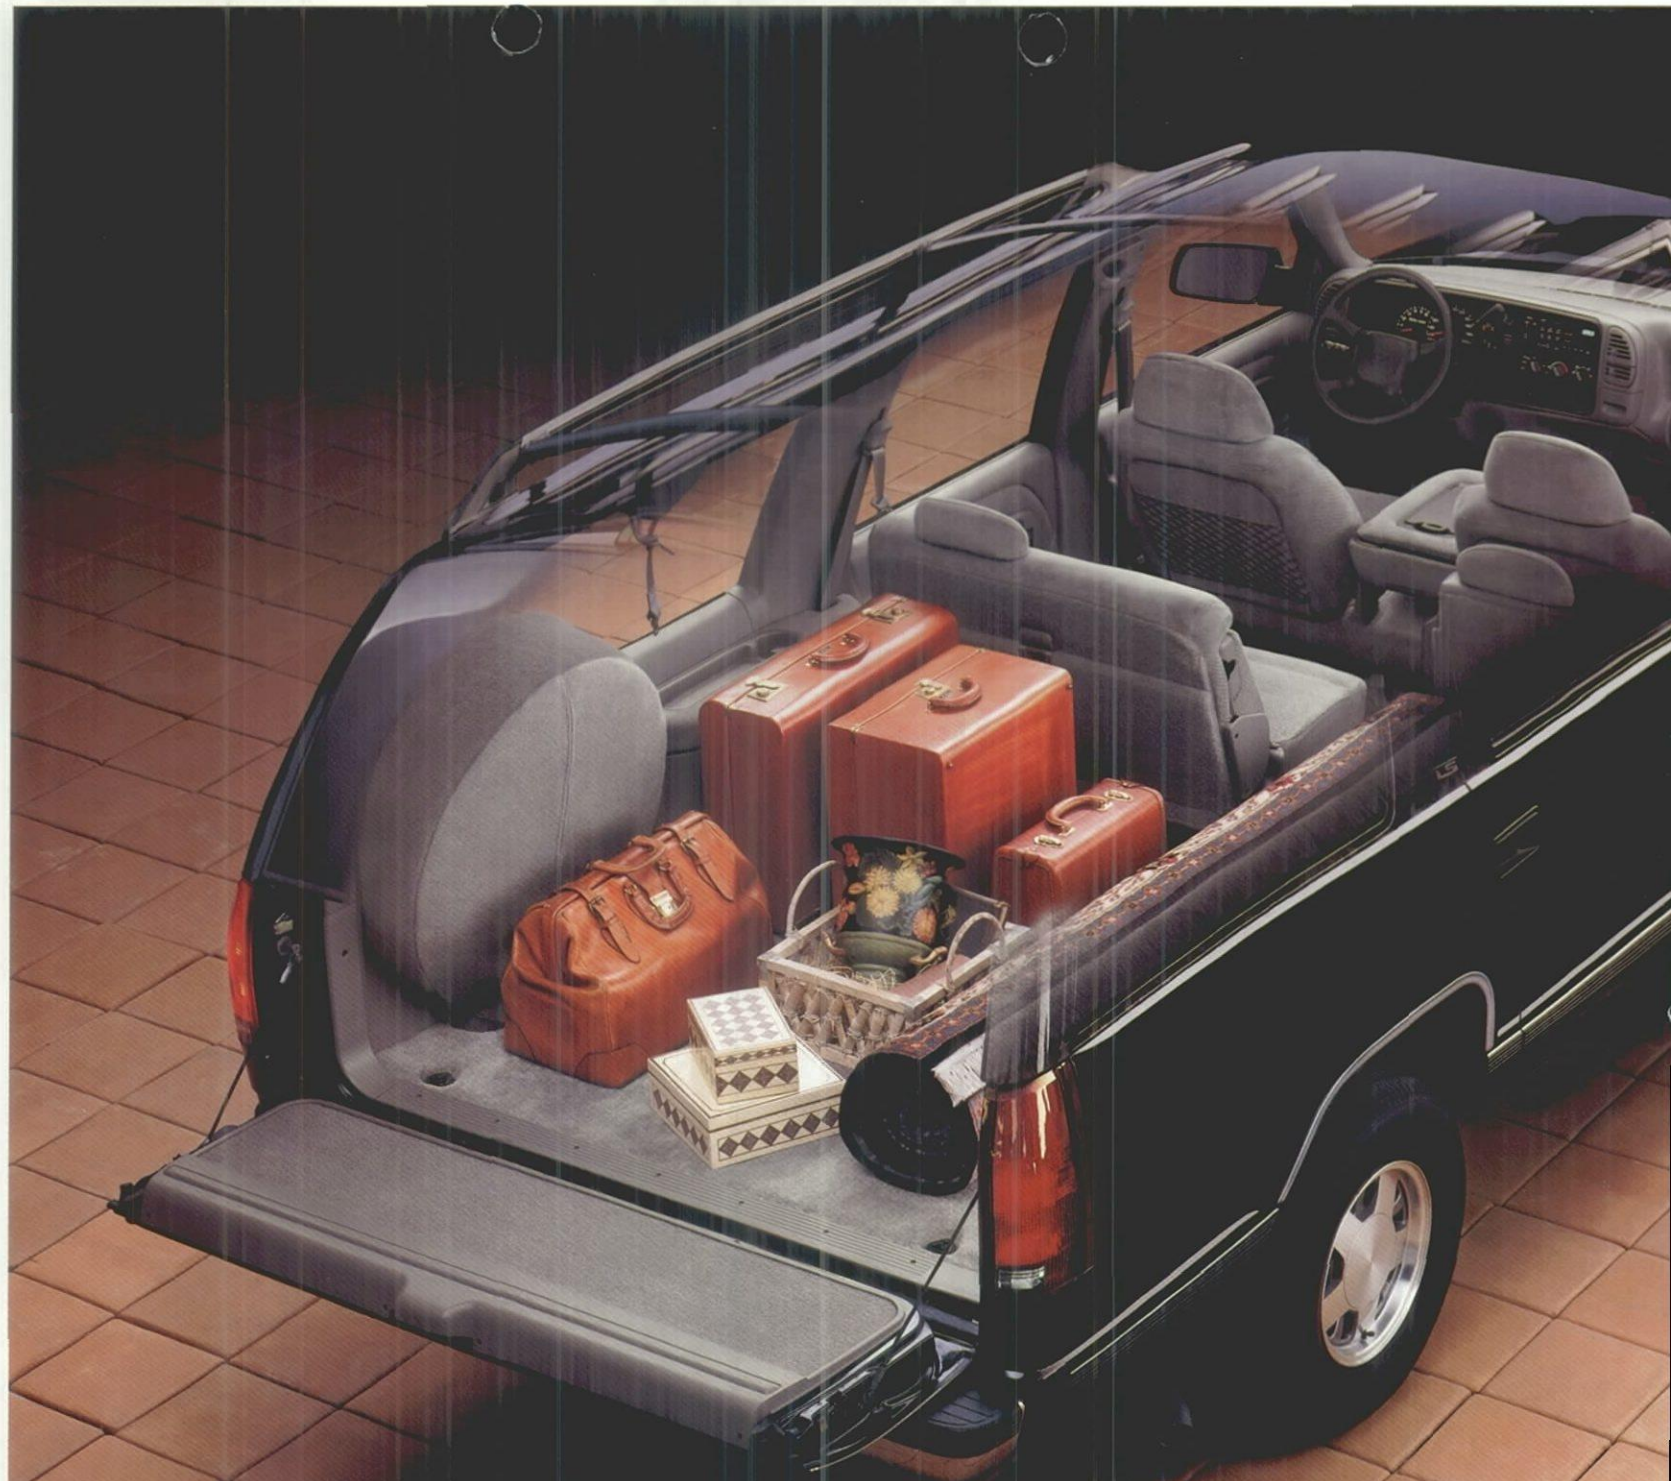

Cargo-Area Power Door-Locking Switch.

Conveniently located inside the rear cargo area, this switch lets you lock and unlock all doors while at the rear of your vehicle.

Remote Keyless Entry.

Standard with LS and LT trim, Remote Keyless Entry provides remote locking and unlocking of all doors from up to 30 feet away, and also activates interior lighting. A single key operates the Suburban ignition and doors, including the rear cargo doors or liftglass, enhancing convenience as well as security.

DIMENSIONS AND CARGO VOLUME

INTERIOR	DIMENSIONS (IN.)
Height of rear-door opening	36.5
Width of rear opening @ floor	56.0
Cargo-area width, front	59.3
Cargo-area height	40.8
Cargo floor width @ wheelwells	49.7
Load floor length to front seat	97.7
Load floor length to center-row seat	70.9
Load floor length to rear-row seat	36.0

CARGO VOLUME (CU. FT.)

With center-row seat folded and rear-row seat removed ¹	149.5
With rear-row seat removed ¹	96.6
With center- and rear-row seats in place	47.5

¹ Measured floor to roof.

C1500 2WD Suburban LS in Onyx Black. Shown with center-row split-folding seat partially folded and rear-row seat removed.

ONE-OF-A-KIND VERSATILITY.

Suburban offers versatility and capability unsurpassed by any challenger in its class. Uncompromised seating for up to nine passengers is provided by a choice of available seating arrangements. And when you need to accommodate people and gear, Suburban is more than ready. Fold the center-row seat and remove the rear-row seat, and there's space for up to 149.5 cu. ft. of cargo. A choice of standard rear panel doors or an available liftglass/dropgate makes access to the rear area especially convenient. To top it all off, when properly equipped, C/K2500 Suburban lets you tow up to 10,000 lbs. — making it unique among sport utilities.

Reversible Cargo Mat.
Included in the optional Comfort and Security Package for LT trim, this versatile mat is carpeted on one side and vinyl on the other to accommodate your changing needs.

Exceptional Cargo Space.

The impressive Suburban cargo area provides space for up to 149.5 cu. ft. of cargo with the center-row 60/40 split-folding seat folded flat and the rear-row seat removed.

Easy Entry For Rear Passengers.

The versatile center-row 60/40 split-folding seat on LS and LT models includes an easy-entry feature that allows the right-hand portion to slide forward, helping to clear the way for rear-row passengers.

Nine-Passenger Seating.

A center-row split-folding seat and rear-row bench seat on Suburban with LS and LT trim provide full-size room for up to nine passengers. The center-row seat and the rear-row seat are optional on Base Suburban models.

THE ULTIMATE — AND ENGINEERED TO STAY THAT WAY.

**FLUSH-MOUNTED
DOOR HANDLES.**

Easy-to-grip, flush-mounted door handles help reduce wind noise and enhance the sleek Suburban profile.

**PRECISION-ALIGNED
DOOR HINGES.**

Door hinges are robotically welded to door frames for a precise fit that is designed to remain firmly in position through time and rough driving conditions.

TRIPLE DOOR SEALS.

The use of extensive sound insulation and triple door seals help ensure a quiet ride by shutting out road and wind noise.

FLUSH-MOUNTED GLASS.

The use of flush-mounted windshield, side-window and rear-window glass helps reduce wind noise, while also contributing to a sleek appearance.

**CORROSION-RESISTANT
EXTERIOR PANELS.**

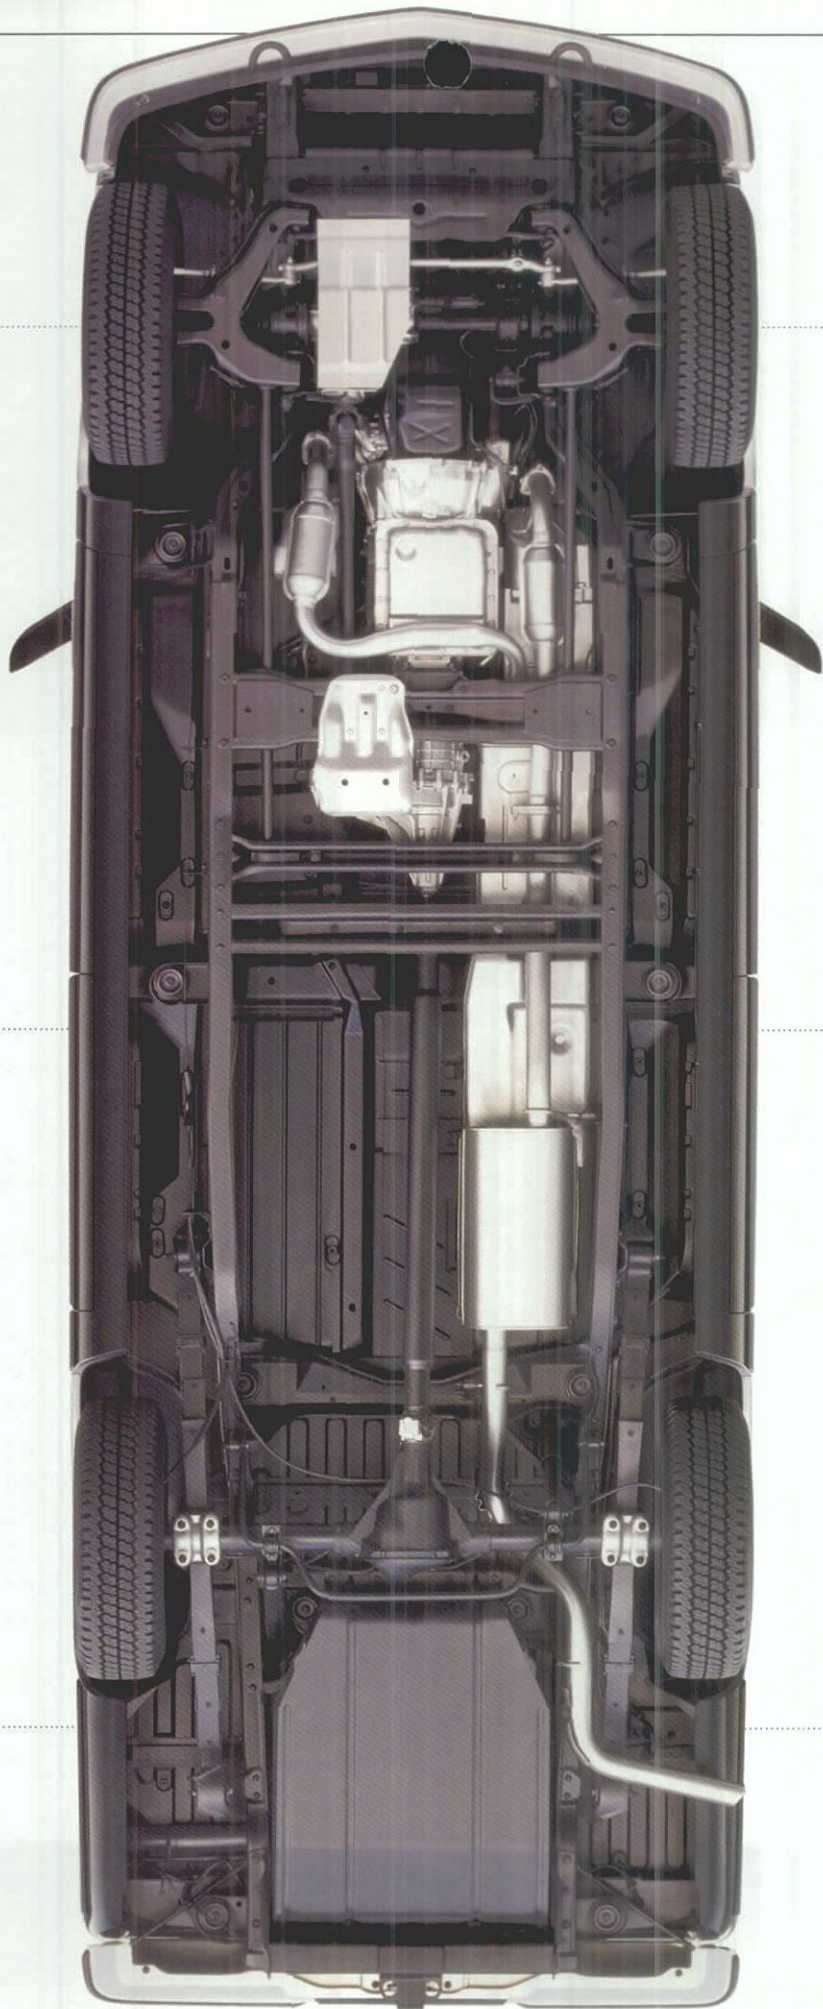

Exterior body panels (except the roof) are made of two-side galvanized steel that helps virtually eliminate corrosion on the outside surface (resulting from scratches and chips), and protects from rust-through corrosion originating on the inside surface.

CRUSH ZONES.

The Suburban front and rear structures are designed to help absorb energy by deforming in a controlled manner during a collision.

LASTING GOOD LOOKS.

A standard basecoat and advanced clearcoat paint process resists fading and provides a high-gloss shine for long-lasting exterior beauty.

INDEPENDENT FRONT SUSPENSION.

Suburban features a rugged and reliable independent front suspension that helps keep the front wheels virtually straight up and down at all times, for a stable ride and precise control.

SPEED-SENSITIVE STEERING.

Speed-sensitive steering is an electronically controlled power steering system that reduces low-speed and static steering effort, while maintaining effort and road feedback at highway speeds.

STEEL LADDER-TYPE FRAME.

Exceptional strength and rigidity are provided by a steel ladder-type frame with boxed front sections that help support the engine and front suspension.

WAX-DIPPED FRAME.

To enhance long-lasting durability, the Suburban corrosion-protection process includes dipping the entire frame in a special wax during assembly.

DROP-CENTER FRAME DESIGN.

The use of a drop-center frame design helps provide a low step-in height, while also maintaining excellent ground clearance.

STAINLESS-STEEL EXHAUST SYSTEM.

Made of corrosion-resistant, aluminized stainless steel, the Suburban muffler and all pipes from the converter back are designed to provide long-lasting durability.

LONG-RANGE FUEL TANK.

With its standard 42-gallon fuel tank, Suburban is designed to travel many miles between stops.

TWO-STAGE MULTI-LEAF REAR SPRINGS.

Specially designed second-stage springs engage as load weight increases to provide additional support without sacrificing ride quality.

K2500 4x4 Suburban LT in Victory Red. Shown with additional options.

IMPRESSIVE SIZE, STRENGTH AND SAFETY FEATURES.

In the same way that Suburban rewards you with size and strength, it also helps ensure that you and your passengers are safe and secure.

Passlock® Theft-Deterrent System. Passlock® automatically disables the vehicle's ignition system if the proper key is not used.

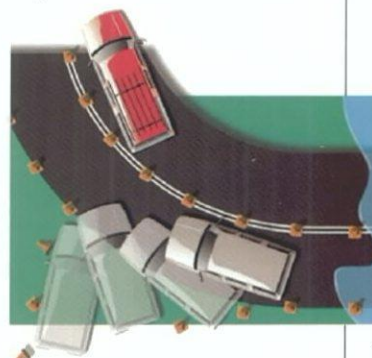

Its comprehensive safety system includes features such as Next Generation driver and right front-passenger air bags*, side door beams, Daytime Running Lamps and four-wheel ABS. You also have the security and peace of mind provided by the new standard Passlock® theft-deterrent system.

*Always wear safety belts, even with air bags. Also see note on child safety below.

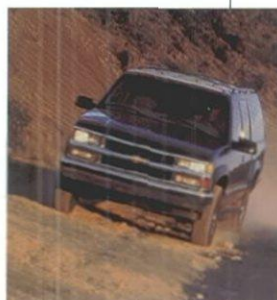

Side Door Beams. Double-wall steel doors are reinforced with structural steel beams designed to help avoid intrusions into the passenger compartment during shallow side-angle collisions.

A NOTE ON CHILD SAFETY: Children are generally safer if they ride in a rear seat using the appropriate child safety seats and restraints, which is why General Motors recommends that child safety seats be properly secured in a vehicle's rear seat. This includes an infant or child riding in a rear-facing seat or a forward facing child seat, and an older child riding in a booster seat. Make sure the child is properly restrained in the safety seat. See your vehicle's owner's manual and child safety seat's instructions for more information.

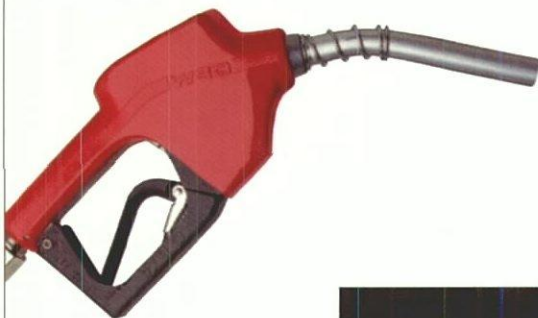

Standard Four-Wheel Anti-Lock Brake System. Standard on all Suburban models, four-wheel ABS is designed to help you keep in control by reducing wheel lockup while braking hard on most slippery surfaces.

Daytime Running Lamps. During daytime driving situations, reduced-intensity low-beam headlamps come on automatically to alert other roadway users to your oncoming vehicle.

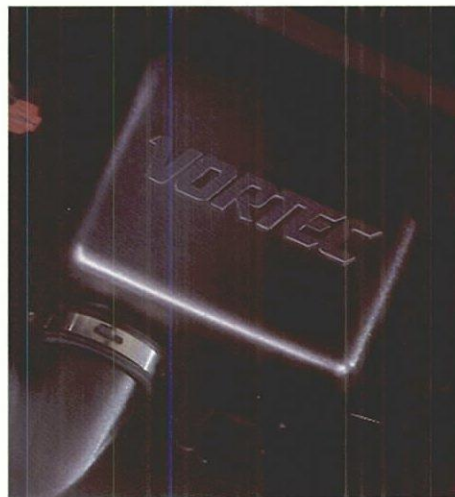

VORTEC: THE ULTIMATE POWER SOURCE.

Legendary Suburban strength and durability meet their match in legendary Vortec power. The standard Vortec 5700 V8 SFI engine delivers 255 horsepower — impressive power to haul, tow and pass. For even more get-up-and-go, an optional 290 horsepower Vortec 7400 V8 SFI engine (C/K2500 models) generates 410 lb.-ft. of strong low-end torque to help you get heavy loads moving. Both Vortec engines are matched to an electronically controlled 4-speed automatic Overdrive transmission that has been improved to provide even greater durability and efficiency. Whether your needs call for a rugged cargo hauler or a cross-country grand touring vehicle, Suburban delivers unlimited stamina, strength — and style.

Efficient Fuel Delivery.

Sequential Fuel Injection (SFI) ensures precise, high-pressure fuel delivery to each cylinder, making efficient use of every drop of gasoline.

Power To Haul And Tow.

Vortec engines deliver outstanding low-end torque to get heavy loads moving, and abundant high-end torque for towing on grades.

100,000-Mile Maintenance.

Platinum-tip spark plugs help Vortec engines travel up to 100,000 miles before their first scheduled tune-up.* And the recommended engine coolant change interval is up to 150,000 miles or five years, whichever comes first.*

*Maintenance needs vary with different uses and driving conditions. See your owner's manual for more information.

C/K2500 Suburban	S	O	O

S — Standard. O — Optional.

¹ Sequential Fuel Injection. ² Heavy-Duty Emissions. ³ This diesel engine includes an exclusive warranty for 5 years or 100,000 miles, whichever comes first. A \$100 deductible per repair visit applies after 3 years/36,000 miles. Ask your Chevy Truck dealer for terms and conditions of this limited warranty. ⁴ Includes brake/transmission shift interlock; heavy-duty transmission included with optional 6.5 Liter Turbo-Diesel V8 engine and in C/K 2500 Series models with gasoline engines.

TRAILERING WITH UNSURPASSED STRENGTH.

Unsurpassed trailering capacity among sport utilities is one of the most significant reasons why Suburban is so often the choice of those seeking the ultimate vehicle for their active lives. A properly equipped Suburban helps make trailering your recreational towables and prized possessions pleasant and easy — even as it provides exceptional interior room for passengers, luggage and gear.

NOTE: Please read the Trailering Caution safety information below before trailering with your new vehicle.

NOTE: The safety steps described here are by no means the only precautions to be taken when trailering. See the owner's manual for the Chevy truck of your choice for additional guidelines and trailering tips.

TRAILERING CAUTION.

If you don't use the correct equipment and drive properly, you can lose control of your vehicle when you pull a trailer. For example, if the trailer is too heavy, your vehicle brakes may be less effective. You and your passengers could be seriously injured. Pull a trailer only after taking the following steps:

TRAILER BRAKES.

If your trailer weighs more than 1,000 lbs. loaded, then it must have its own adequate brakes. Be sure to read and follow the instructions for the trailer brake controller so that it is installed, adjusted and maintained properly.

- Don't tap into your vehicle's brake system if the trailer's brake system will use more than 0.02 cu. in. of fluid from your vehicle's master cylinder. If it does, neither braking system will work well. You could even lose your vehicle brakes.

- The trailer brake parts must be able to take 3,000 psi of pressure. If not, the trailer brake system must not be used with your vehicle. If everything checks out thus far, then have a qualified individual make the brake fluid tap at the port on the master cylinder that sends fluid to the rear brakes. Don't use copper tubing, because it will bend and ultimately break. Use only steel brake tubing.

HITCHES.

It's important to have the correct hitch equipment.

Crosswinds, large trucks going by and rough roads are just a few of the reasons why you'll need the right hitch. Here are some rules to follow:

- If you'll be towing a trailer that, when loaded, will weigh more than 5,000 lbs., be sure to use a frame-mounted, weight-distributing hitch and sway control of the proper size. This equipment is very important for proper vehicle loading and good handling when you're driving.

- If you have to make any holes in the body of your vehicle to install a trailer hitch, be sure to seal the holes if you ever remove the hitch. If they're not sealed, dirt, water and deadly carbon monoxide from the exhaust can get into your vehicle.

SUBURBAN TRAILERING DATA

NOTE: Your vehicle may require additional special equipment to tow the maximum trailer weights listed here. The weight-carrying hitch limit for Suburban is a 5,000-lb. trailer with a 500-lb. tongue weight. A weight-distributing hitch is required with trailer weights over 5,000 lbs.

ENGINE/ TRANSMISSION	VORTEC 5700 V8 AUTOMATIC			VORTEC 7400 V8 AUTOMATIC			6.5 LITER TURBO-DIESEL V8 AUTOMATIC		
	MAX TRAILER WEIGHT (LBS.)	MAX TONGUE LOAD (LBS.)	REQUIRED AXLE RATIO	MAX TRAILER WEIGHT (LBS.)	MAX TONGUE LOAD (LBS.)	REQUIRED AXLE RATIO	MAX TRAILER WEIGHT (LBS.)	MAX TONGUE LOAD (LBS.)	REQUIRED AXLE RATIO
C1500 — 2WD	5500 6500	700 800	3.42 3.73				5500	700	3.42
K1500 — 4x4	5000 6000	600 750	3.42 3.73				5000	600	3.42

1 Maximum trailer weight is calculated assuming the driver and one passenger are in the tow vehicle and it has all required trailering equipment. The weight of additional optional equipment, passengers and cargo in the tow vehicle must be subtracted from the maximum trailer weight.

NOTE: The vehicle owner is responsible for obtaining the hitch ball, a hitch of the proper size, type and capacity, and other appropriate equipment required to safely tow both the trailer and the load that will be towed. Ask your Chevrolet dealer for advice about towing and the proper towing equipment for your new vehicle. Trailer ratings above 2,000 lbs. require an optional engine oil cooler (RPO KC4) on C/K1500 models with a Vortec 5700 gas engine and a 3.42 axle ratio, and is included with optional powertrains and rear axle ratios. The engine oil cooler and an additional air-to-oil cooler are included on C/K1500 models with optional Heavy-Duty Trailering Special Equipment (RPO Z82) when ordered with the Vortec 5700 V8 engine. These features are included with C/K1500 optional powertrains and are standard on C/K2500 models.

GROSS COMBINATION WEIGHT RATINGS (GCWRs)

THE USE OF GCWRs TO DETERMINE ENGINE, TRANSMISSION AND REAR AXLE RATIO. Perhaps you prefer to use Gross Combination Weight Ratings (GCWRs) to determine the powertrain you will require to tow a specific trailer with your Suburban. The chart shows you the maximum allowable GCWR based on all the available truck engines and rear axle ratios. The GCWR includes the total loaded weight of both the truck and the trailer. Any available engine may be used for trailering if the GCWR shown is not exceeded.

GCWR (LBS.)	GAS ENGINE AVAILABILITY	AXLE RATIO	GCWR (LBS.)	DIESEL ENGINE AVAILABILITY	AXLE RATIO
11,000	Vortec 5700 V8	3.42	12,000	6.5 Liter Turbo-Diesel V8	3.42
12,000	Vortec 5700 V8	3.73	13,000	6.5 Liter Turbo-Diesel V8	3.73
13,500	Vortec 5700 V8	4.10	14,500	6.5 Liter Turbo-Diesel V8	4.10
15,000	Vortec 7400 V8	3.73			
17,000	Vortec 7400 V8	4.10			

NOTE: Model availability of the above driveline combinations must be verified by your Chevrolet dealer for correct emissions equipment. An RPO KC4 engine oil cooler is required to attain GCWR on Suburban models equipped with a 3.42 rear axle ratio.

PERSONALIZE SUBURBAN FOR YOUR LIFE.

How do you enhance the ultimate vehicle? By tailoring it perfectly to fit your active life with a wide selection of GM Accessories. Each is designed to make your Suburban even more distinctive and enjoyable. See your Chevy dealer for a complete listing of Suburban accessories.

ONSTAR

OnStar Security And Convenience.

General Motors OnStar (a dealer-installed option) uses Global Positioning System satellite technology and a hands-free, voice-activated cellular phone to link you to the OnStar Center, where advisors are on call 24 hours a day, 7 days a week.

General Motors OnStar System provides assistance in a variety of ways:

- Roadside Assistance for everything from a flat tire to an empty fuel tank
- Trip routing
- Remote door unlocking if you've locked your keys in your vehicle
- Automatic notification of air bag deployment
- Emergency services
- Stolen-vehicle tracking
- Convenience services to help you find everything from airlines to zoos.

Call 1-888-ONSTAR-7 for more information.

K1500 4x4 Suburban LT in Summit White. Shown with available GM Accessories.

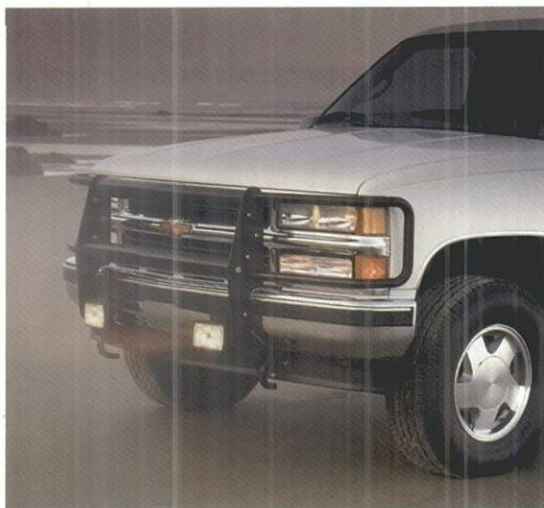

**Color-Keyed
Running Boards.**

Specifically designed for Suburban, securely mounted accessory running boards make entry and exit especially convenient, and also enhance the exterior appearance of your vehicle.

12-Disc CD Changer.

Neatly concealed in the rear compartment, this 12-disc CD changer helps you expand your listening options even more.

Grille/Brush Guard.

A grille/brush guard completes the wraparound look of Suburban while foglamps help enhance visibility during poor driving conditions.

GENUINE CUSTOMER CARE. YOU NEVER TRAVEL ALONE.

NEW VEHICLE LIMITED WARRANTY

This warranty is for GM vehicles registered in the United States. Please see your Chevrolet dealer for complete terms and conditions of this New Vehicle Limited Warranty.

WHAT IS COVERED FOR 3 YEARS OR 36,000 MILES:*

The complete vehicle

Sheet-metal coverage:

- Corrosion coverage
- Rust-through coverage†

Tires

Repairs made to correct any vehicle defect

Towing to your nearest Chevrolet dealership

No charge for warranty repairs.

*Whichever comes first. †6 years or 100,000 miles, whichever comes first.

COURTESY TRANSPORTATION

Customers who purchase or lease a 1998 Chevrolet Suburban are eligible for Courtesy Transportation (at no charge) when their vehicles are left at a participating dealership for repairs cov-

ered under the 3-year/36,000-mile New Vehicle Limited Warranty. Courtesy Transportation, at participating dealers only, may include shuttle service, expense reimbursement or, if

the repair requires the vehicle to stay at the dealership overnight, vehicle rental. Actual services may vary at the election of the participating dealer. See your dealer for details.

ROADSIDE ASSISTANCE*

Roadside Assistance service is provided through a toll-free 800 number, 24 hours a day, 365 days a year. Roadside Assistance advisors can assist with minor mechanical problems over the phone or coordinate a variety of services through Chevrolet dealers' preferred service providers.

BASIC CARE PROVIDES:

Toll-free access
1-800-CHEV-USA

Basic over-the-phone technical advice

Free towing to your nearest dealer for warranty repairs

Dealer services at reasonable cost (i.e., wrecker services, locksmith/key service, glass repair, etc.).

COURTESY CARE, WHICH APPLIES FOR 3 YEARS/36,000 MILES, PROVIDES:

Basic Care services

Free fuel delivery

Free locksmith/key service (when keys are lost on the road or locked inside)

Free non-warranty towing

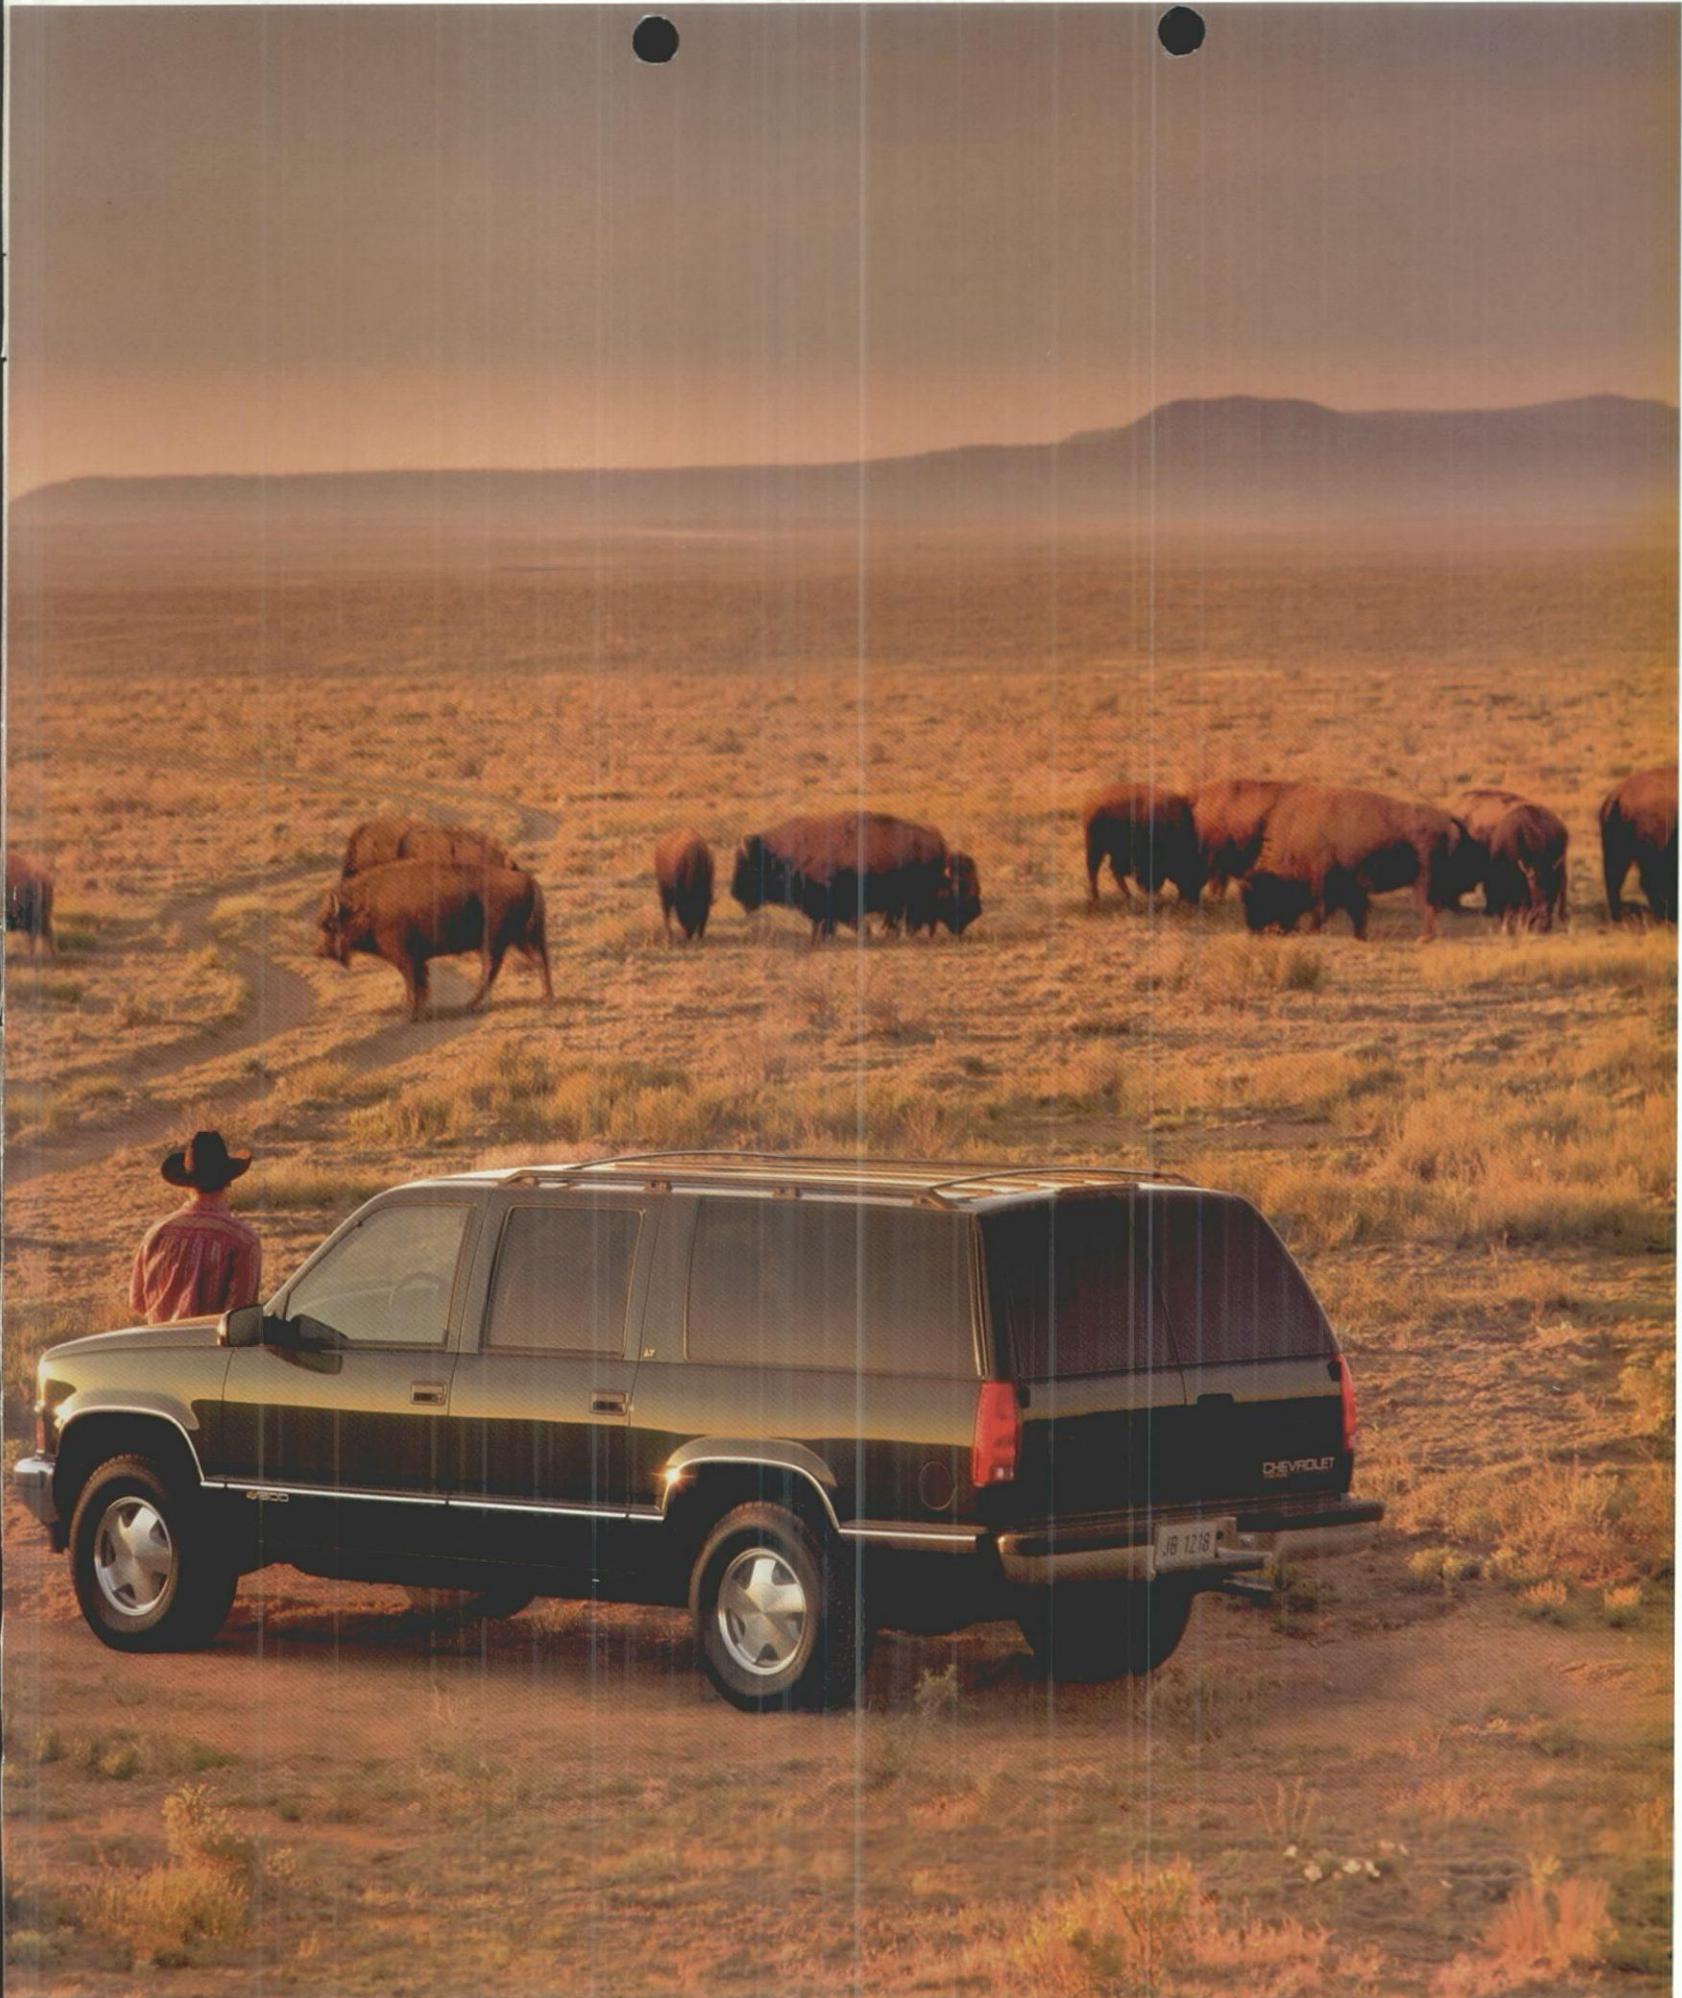

Free flat tire change service

Free jump start.

*Roadside Assistance membership is free. Some services may incur costs. Courtesy Care is available to retail, retail lease and corporate lease customers operating 1994 and newer Chevrolet vehicles for a period of 3 years/36,000 miles, whichever comes first. All Courtesy Care services' associated costs must be prearranged by Chevrolet Roadside Assistance or dealer service management and must be driver-initiated. Basic Care and Courtesy Care are not part of or included in the coverage provided by the New Vehicle Limited Warranty. Chevrolet reserves the right to modify or discontinue Basic Care and Courtesy Care at any time. See your dealer for complete details of the Chevrolet Roadside Assistance Program.

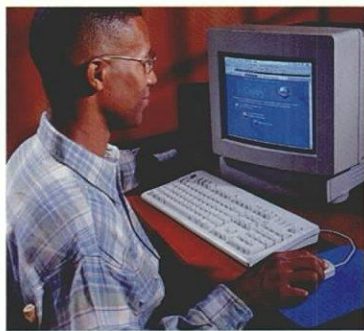

25

K1500 4x4 Suburban LT in Emerald Green Metallic.

ADDITIONAL INFORMATION.

PLEASE CONTACT US ...

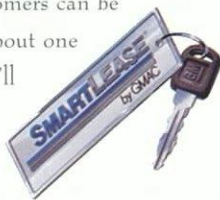

For any additional information on 1998 Chevrolet car or truck products, call 1-800-950-2438 or visit us on the Internet at <http://www.chevrolet.com>

CUSTOMER ASSISTANCE CENTER.

The Chevrolet Customer Assistance Center has a special toll-free number (1-800-222-1020). It puts you in contact with experts who can handle any product or service questions you may have with your new Suburban.

SMARTLEASE BY GMAC.

SMARTLEASE by GMAC makes it easy to enjoy the excellence of Suburban. With SMARTLEASE, qualified customers can be approved in about one hour, and you'll enjoy low SMARTLEASE monthly payments. Plus, SMARTLEASE offers you choices at the end of your lease. You can either buy your Suburban at a price guaranteed up front, or return your truck with no other obligations — providing the terms of the lease have been met. For more information about SMARTLEASE or any of the other quality GMAC financing options, see your Chevy dealer or call 1-800-32-SMART.

TURN PLASTIC INTO STEEL WITH THE GM CARD®.

The GM MasterCard® with no annual fee (standard GM Card only) gives you an important financial advantage on your next purchase or lease of a GM vehicle. Use The GM Card® for purchases and you'll

receive up to 5 percent of that purchase amount in GM Card Earnings. You can earn as much as \$500 per account year, for a maximum of \$3,500 over a period of seven years. Your GM Card Earnings are over and above any other discounts or incentives. To request your GM Card, call 1-800-8GM-CARD.

THE GM MOBILITY PROGRAM FOR PERSONS WITH DISABILITIES.

We invite your inquiries about the GM Mobility Program for Persons with Disabilities. The program will reimburse you up to \$1,000 toward any aftermarket driver or passenger adaptive equipment you may require for your 1998 Chevy Suburban, and can set up complete GMAC* financing for you, too. The program can also provide you with free resource information such as area driver assessment centers and mobility equipment installers. See your Chevy dealer for more details or call this toll-free number for more information:

1-800-323-9935. Text telephone (TTY) users, call 1-800-833-9935.

*Available to qualified applicants.

UPDATED SERVICE INFORMATION.

Chevrolet regularly sends its dealers useful service bulletins about

Chevrolet products. Chevrolet monitors product performance in the field. We then prepare bulletins for servicing our products better. Now you can get these bulletins, too. Ask your dealer or, for ordering information, call toll free: 1-800-551-4123.

ASSEMBLY.

Chevrolet trucks are assembled by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. Chevrolet trucks incorporate thousands of components produced by different operating units of GM, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet trucks with different or differently sourced components than originally scheduled. All such components have been approved for use in Chevrolet trucks and will provide the quality of performance associated with the Chevrolet name. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

ENGINES.

Chevrolet trucks are equipped with engines produced by different operating units of GM, its subsidiaries or suppliers to GM worldwide.

CORROSION PROTECTION.

Chevrolet trucks are designed and built to resist corrosion. All body sheet-metal components are warranted against rust-through corrosion for 6 years/100,000 miles (whichever comes first). Application of additional rust-

inhibiting materials is not required and none is recommended. See your Chevrolet dealer for terms of this limited warranty.

A WORD ABOUT THIS BROCHURE.

We have tried to make this brochure as comprehensive and factual as possible. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details.

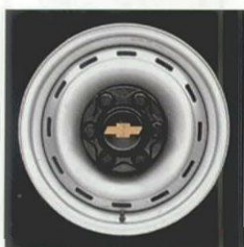

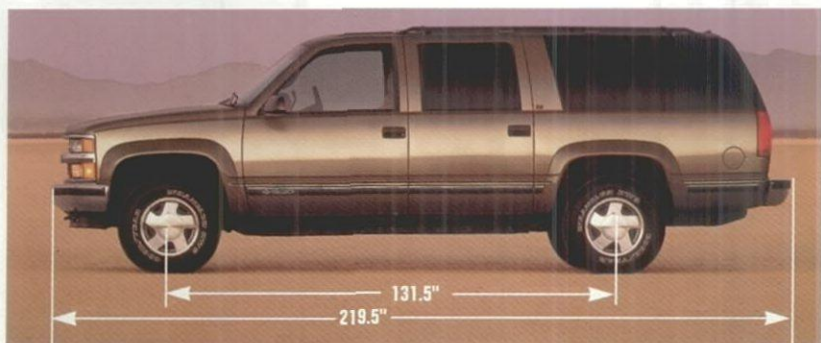

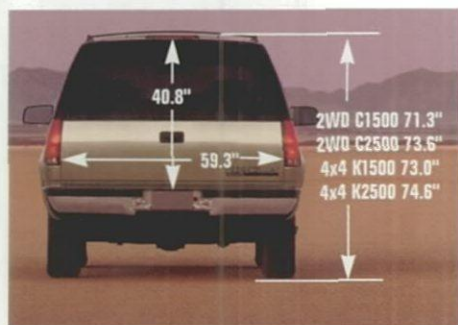

GM PROTECTION PLAN.

The available GM Protection Plan offers service protection in addition to that provided by GM's New Vehicle Limited Warranty. Ask your dealer about it. Coverage available only in the U.S. and Canada.

Chevrolet, the Chevrolet Emblem, General Motors, GM, the GM Emblem, Suburban, Passlock, OnStar, ETR, Delco, TheftLock and Solar-Ray are registered trademarks and Chevy, Autotrac and Vortec are trademarks of the General Motors Corporation. INSURANCE BROKERS OF YORK, INC

October 6, 1997

Ms. Stacia Grove
562 E. Heatherfield Way
Red Lion, Pa. 17356

RE: Commercial Automobile Insurance

To Whom May Concern,

Please be advised that Ms. Grove has been in constant contact with our office regarding the insurance requirements that are needed for the start up of her limousine business. As soon as Ms. Grove advises our office that she is ready to begin operations, I see nothing standing in the way of her obtaining commercial coverage at that time. Should there be any questions or concerns, feel free to contact our office.

Sincerely,

M. Chris Williams
Account Executive

Unique Limousine Service

Harrisburg
(717) 233-4431

York
(717) 845-8223

Mt. Joy/Lancaster
(717) 653-8141

Congratulations on your upcoming wedding! Thank you for taking an interest in our services, and what we can offer to make your day even more special. We hope this letter can answer as many questions for you as possible. If not, please call the office nearest you so that we may discuss your transportation needs in more detail. Our office hours are Monday thru Friday 8:00am to 5:00pm.

Enclosed are our rates and brief descriptions of our vehicles:

Ultra Super Stretch Limousine

Base charge \$300.00

Includes first three consecutive hours of use. A very roomy eight passenger. Mirrored ceiling w/fiber optics throughout. With many amenities!

Each additional half hour \$50.00

Super Stretch Limousine

Base charge \$187.50

Includes first two and one-half consecutive hours of use. Accommodates up to eight in the rear.

Each additional half hour \$37.50

Stretch Limousine

Base charge \$137.50

Includes first two and one-half consecutive hours of use. Accommodates up to six in the rear.

Each additional half hour \$27.50

Luxury Town-Car Sedans

Base charge \$95.00

Includes first two and one-half consecutive hours of use. Accommodates up to four passengers.

Each additional half hour \$19.00

DOCKETED

INSTRUCTIONS

1. A \$5.00 non-refundable fee is required for each request. If the Bureau has no record for the information requested or the data supplied is insufficient, the fee will be applied to the cost of the search.
2. **PRINT OR TYPE** all requested information on front of form. Submitting **ONLY** a name or name and address does not provide enough information for a proper search of the vehicle files.
3. If requesting your own record, complete Sections A, B and C only. Notarization NOT required.
4. If requesting someone else's record, complete Sections A, B, C and either D or E.
5. A separate form is required for each record requested. Only one form is required when requesting a title/odometer history. When requesting a title or odometer history, more than one transaction may be available on that particular vehicle. To determine the correct fee, you can call the Customer Call Center at:

HOURS TO CALL FOR INFORMATION (7:00 AM to 9:00 PM)

IN STATE	1-800-932-4600
OUT-OF-STATE	717-391-6190
TDD IN STATE	1-800-228-0676
TDD OUT-OF-STATE	717-391-6191

6. Make check or money order payable to: "**Commonwealth of PA**". **DO NOT SEND CASH**. Attach your check or money order and send to: **DEPARTMENT OF TRANSPORTATION, BUREAU OF DRIVER LICENSING, VEHICLE RECORD SERVICES, P.O. BOX 68691, HARRISBURG, PA 17106-8691**.

DESCRIPTION OF INFORMATION AVAILABLE

Vehicle record information is available for the past 10 years only.

- **Title History** – A copy of the title transaction documents will be provided. **NOTE:** Sales tax and purchase price are considered confidential and will not be provided.
- **Odometer** – A copy of the title/renewal transaction will be provided. **NOTE:** Sales tax and purchase price are considered confidential and will not be provided.
- **Encumbrance** – Includes basic information listed above in addition to lienholder's name and address and expiration date.
- **Insurance** – A copy of the title/renewal transaction will be provided. **NOTE:** Sales tax and purchase price are considered confidential and will not be provided.
- **Basic** – Includes name, address, title number, tag, vehicle identification number (VIN), make and expiration date of tag.

ODOMETER DISCLOSURE STATEMENT

Federal law (and State law, if applicable) requires that you state the mileage upon transfer of ownership. Failure to complete or providing a false statement may result in fines and/or imprisonment.

I, WAGNER LINCOLN MERCURY, INC. (transferor's name, Print)

state that the odometer now reads 10 (no tenths) miles and to the best of my knowledge that it reflects the actual mileage of the vehicle described below, unless one of the following statements is checked.

(1) I hereby certify that to the best of my knowledge the odometer reading reflects the amount of mileage in excess of its mechanical limits.

(2) I hereby certify that the odometer reading is NOT the actual mileage.

WARNING - ODOMETER DISCREPANCY
