

Update on case C-2015-2479258, Ivan Yotov vs. Duquesne Light Company

April 14, 2016

At 7:40 pm this evening a large chunk of the tree under question fell while we were out in the yard. The chunk fell 5 yards from my wife. We were lucky that no one was hurt. The weather was sunny and calm. Below are some photos I took immediately after the chunk fell. This event confirms that this is an extremely dangerous tree that has to be removed immediately.
