8. Enclose with your application a copy of a current safety rating issued by a state or federal agency. If you cannot provide the PUC with proof of a current safety rating from the U.S. DOT or another state with safety regulations comparable to Pennsylvania, you must complete a safety fitness review conducted by a Commission Enforcement Officer.

Within 180 days after the entry date of a compliance order granting you operating authority, an Enforcement Officer will contact you to schedule this review. If it is determined that your safety rating is unsatisfactory, you will be directed to correct any deficiencies found and be subjected to a second safety fitness review to be scheduled within 60 days after the initial notification date. Failure to achieve a satisfactory rating at the second review will result in immediate suspension of your certificate and continued non-compliance may result in revocation of the certificate.

INSTRUCTIONS TO BE FOLLOWED IN PREPARING APPLICATION

No Application will be Accepted from a Minor

1. This application is to be used for authority to transport property, except household goods, between points in Pennsylvania. All applications will be considered for authority to operate as common carriers.
2. The original application signed at the place designated and one copy of same must be filed at the office of the Pennsylvania Public Utility Commission, P. O. Box 3265, Harrisburg, Pa. 17105-3265. A filing fee of One Hundred Dollars (\$100.00) is required and shall be paid by certified check or money order, made payable to the Commonwealth of Pennsylvania. The filing fee is non-refundable after the application has been received and accepted by the Commission.
3. All corporate names and fictitious trade names must be registered with the Pa. Department of State. A Certificate of Incorporation is issued to a Pa. Corporation - a Certificate of Authority is issued to a non-Pa. (foreign) corporation. Call the Department of State at (717) 787-1057 for more information.
4. If space provided on form is not sufficient, prepare on separate sheet, attach it to application and give it the same number as question or statement to which it refers.
5. Procedure. All acceptable applications will be noticed in the Pennsylvania Bulletin with a 14 day public comment period. If no adverse comments are received, a compliance order will be issued. If adverse comments are received, the application may be referred to an Administrative Law Judge for hearing and initial decision. If adverse comments are filed and the matter is not referred for hearing, the application will be decided by the Commissioners at Public Meeting. In no event will an application be denied based upon adverse safety comments without the opportunity for a hearing on those issues being provided. It is not required that applicant be represented by an attorney to file the application. However, a corporation or partnership must be represented by an attorney at a hearing.
6. Prior to beginning operations, you must submit acceptable evidence of insurance to the PUC. Acceptable evidence of insurance is a Form E for bodily injury and property damage liability coverage (\$300,000 minimum) and a Form H for cargo liability coverage (\$5,000 minimum). These forms are forwarded to the PUC by your insurance company and must reflect the exact name and address appearing on lines 1 and 3 (or 4) of the application.
7. Recognizing that your insurer may delay filing the necessary forms, you may file temporary proof of insurance to begin operations. Acceptable temporary proofs of insurance are:
 - A copy of the insurance identification card (for vehicles registered in Pennsylvania only);
 - A copy of the declaration page of the insurance policy;
 - A copy of a valid binder of insurance; or
 - A copy of a valid application for insurance to the Pennsylvania Automobile Insurance Plan.
