**Re: Amendment to Application for Telecommunications Authority within the
Commonwealth of Pennsylvania for a Competitive Local Exchange
Carrier (CLEC)**

Dear Ms. Chiavetta:

Enclosed, please find an amendment of the application of Airbus DS Communications, Inc. (Airbus) to offer, render, furnish or supply telecommunications service as a Competitive Local Exchange Carrier (CLEC) in the Commonwealth of Pennsylvania.

Pursuant to Commission staff instructions, this submission contains only an amended Application and Proposed Tariff. Airbus has amended its responses to Questions 9, 10, and 22, and has removed all services not regulated by the Pennsylvania Public Utilities Commission from its proposed tariff.

Should you or anyone else at the Commission have any questions regarding this filing, please do not hesitate to contact me.

Sincerely,

Wesley K. Wright
Partner

Application of:

AIRBUS DS COMMUNICATIONS, INC.

for approval to offer, render, furnish or supply telecommunications services to the public in the Commonwealth of Pennsylvania.

1. IDENTITY OF THE APPLICANT:

Airbus DS Communications, Inc.
42505 Rio Nedo
Temecula, CA 92590
Telephone: (951) 719-2100
Facsimile: (951) 296-2727

Applicant's exact legal name is "Airbus DS Communications, Inc." Applicant is formerly known as Cassidian Communications.

2. ATTORNEY:

Applicant's attorneys are:

Wesley K. Wright
Timothy A. Doughty
Keller and Heckman LLP
1001 G Street, N.W., Suite 500 West
Washington, D.C. 20001
Telephone: (202) 434-4239/4271
Facsimile: (202) 434-4646

3. CONTACTS:

A) APPLICATION:

Wesley K. Wright
Timothy A. Doughty
Keller and Heckman LLP
1001 G Street, N.W., Suite 500 West
Washington, D.C. 20001
Telephone: (202) 434-4239/4271
Facsimile: (202) 434-4646

B) PENNSYLVANIA EMERGENCY MANAGEMENT AGENCY (PEMA): The name, title, address, telephone number and FAX number of the person with whom contact should be made by PEMA (Pennsylvania Emergency Management Agency).

Paula N. Pileggi, General Counsel & Chief Compliance Officer
Airbus DS Communications, Inc.
42505 Rio Nedo
Temecula, CA 92590
Telephone: (951) 719-2120
Facsimile: (951) 296-2727

C) RESOLVING COMPLAINTS: Name, address, telephone number, and FAX number of the person and an alternate person responsible for addressing customer complaints. These persons will ordinarily be the initial point(s) of contact for resolving complaints and queries filed with the Public Utility Commission or other agencies.

Paula N. Pileggi, General Counsel & Chief Compliance Officer
Airbus DS Communications, Inc.
42505 Rio Nedo
Temecula, CA 92590
Telephone: (951) 719-2120
Facsimile: (951) 296-2727

4. FICTITIOUS NAME:

The Applicant will not be using a fictitious name.

5. BUSINESS ENTITY AND DEPARTMENT OF STATE FILINGS:

The Applicant is a Foreign corporation (15 Pa. C.S. §4124).

The name and address of the Corporate Registered Office Provider or Registered Office within PA is:

National Registered Agents, Inc.
116 Pine St., Suite 320
Harrisburg, Pennsylvania 17101

Attach proof of compliance with appropriate Department of State filing requirements as indicated above. Additionally, provide a copy of the Applicant's Articles of Incorporation or a Certificate of Organization.

Attached as Exhibit A

The Applicant is incorporated in the State of California.

The names and addresses of the Applicant's officers are as follows:

Bob Freinberg, President and Chief Executive Officer

Airbus DS Communications, Inc.
42505 Rio Nedo
Temecula, CA 92590

Paula Pileggi, Secretary, General Counsel & Chief Compliance Officer

Airbus DS Communications, Inc.
42505 Rio Nedo
Temecula, CA 92590

Louis Albatro, Treasurer/Assistant Secretary and Chief Financial Officer

Airbus DS Communications, Inc.
42505 Rio Nedo
Temecula, CA 92590

6. AFFILIATES AND PREDECESSORS WITHIN PENNSYLVANIA:

The applicant has no active affiliates doing business in Pennsylvania. Applicant was formerly known as Cassidian Communications, Inc., Plant Equipment Inc., and PlantCML within the Commonwealth of Pennsylvania.

7. AFFILIATES AND PREDECESSORS RENDERING PUBLIC UTILITY SERVICE OUTSIDE PENNSYLVANIA:

The Applicant has no affiliates rendering or predecessors which rendered public utility service outside Pennsylvania.

8. APPLICANT'S PRESENT OPERATIONS:

The applicant is not presently doing business in Pennsylvania as a public utility.

9. APPLICANT'S PROPOSED OPERATIONS: The Applicant proposes to operate as:

- Interexchange Toll Reseller, InterLATA and/or IntraLATA, (e.g., MTS, 1+, 800, WATS, Travel and Debit Cards)
- Interexchange Toll Facilities-based carrier, InterLATA and/or IntraLATA, (e.g., MTS, 1+, 800, WATS, Travel and Debit Cards)

- Competitive Access Provider (dedicated point-to-point or multipoint service; voice or data)
- Competitive Local Exchange Carrier: Please see response to Question 10.
 - Facilities-based
 - UNE-P
 - Data Only
 - Reseller
- Incumbent Local Exchange Carrier
Other (Identify).

- 10. PROPOSED SERVICES:** Describe in detail the services which the Applicant proposes to offer. If proposing to provide more than one category in Item #9, clearly and separately delineate the services within each proposed operation. If proposing to operate as a facilities-based Competitive Local Exchange Carrier, provide a brief description of the Company's facilities.

Airbus intends to offer 9-1-1 emergency services to government and quasi-government Public Safety Answering Points (PSAPs). Airbus may eventually provide other local exchange telecommunications services and interexchange telecommunications services including, but not limited to, business resold and facilities-based local, interexchange, bundled interexchange, and wholesale or carrier-to-carrier 911 services, including bundles of data, voice and/or wireless services in support of 911 service. Airbus will not provide residential telecommunications services. Airbus will attain all required regulatory approvals from the Commonwealth of Pennsylvania before offering interexchange services. Airbus may require the same sort of interconnection and co-location made available to CLECs. Accordingly, pursuant to the Order adopted by the Public Utilities Commission In re Intrado Communications, Inc., Docket Nos. A-2008-20027726, A-2008-2027713, A-2008-2027733 (August 1, 2008), Airbus seeks certification so that it may provide "telephone exchange service" and "telecommunications service" under applicable Telecommunications Act provisions.

- 11. SERVICE AREA:** Describe the geographic service area in which the Applicant proposes to offer services. Clearly and separately delineate the service territory for each category listed in Item #9. For Competitive Local Exchange Carrier operations, you must name and serve the Incumbent Local Exchange Carriers in whose territory you request authority.

Applicant will provide services throughout the Commonwealth of Pennsylvania.

12. **MARKET:** Describe the customer base to which the Applicant proposes to market its services. Clearly and separately delineate a market for each category listed in Item #9.

Applicant initially intends to provide 9-1-1 emergency services to government and quasi-government Public Safety Answering Points (PSAPs). Applicant may eventually provide other local exchange telecommunications services and interexchange telecommunications services. Applicant will not provide residential telecommunications services. Airbus does not send bills to collect money from, or otherwise contact the end-users of its carrier customers. However, pursuant to the Order adopted by the Public Utilities Commission In re Intrado Communications, Inc., Docket Nos. A-2008-20027726, A-2008-2027713, A-2008-2027733 (August 1, 2008), Airbus seeks certification so that it may provide "telephone exchange service" and "telecommunications service" under applicable Telecommunications Act provisions.

13. **PROPOSED TARIFF(S):** Each category of proposed operations must have a separate and distinct proposed tariff setting forth the rates, rules and regulations of the Applicant. Every proposed tariff shall state on its cover page the nature of the proposed operations described therein, i.e., IXC Reseller, CLEC, CAP, or IXC Facilities-based. A copy of all proposed tariffs must be appended to each original and duplicate original and copy of Form 377.

Attached as Exhibit B

14. **FINANCIAL: Attach the following to the Application:**

A general description of the Applicant's capitalization and, if applicable, its corporate stock structure;

Airbus DS Communications, Inc. is authorized to issue only one class of shares of stock consisting of Common Stock, par value \$0.01, with the total number of shares being 1000. All shares of Common Stock are held by Plant Holdings, Inc. which is wholly owned by Airbus Defense and Space, Inc., a Delaware corporation.

Current balance sheet, Income Statement, and Cash Flow Statement of Applicant or Affiliated Company, if relying on affiliate for financial security;

Attached as Exhibit C

A tentative operating balance sheet and a projected income statement for the first year of operation within the Commonwealth of Pennsylvania; provide the name, title, address, telephone number and fax number of the Applicant's custodian for its accounting records and supporting documentation; and indicate where the Applicant's accounting records and supporting documentation are, or will be, maintained.

The limited class of potential customers for the Company's services makes it impossible to predict the first year's financial operations. In a highly likely scenario, the Company's services will be secured under state-sanctioned competitive bidding which will have its own set of actuarial and financial stability requirements. However, in keeping with other relevant telecommunications mandates, the Company will price its services above costs. All of the Company's accounting records are maintained at its offices at 42505 Rio Nedo, Temecula, California 92590, and Louis Albatro is the Chief Financial Officer of Airbus.

15. START DATE

The Applicant proposes to begin offering services upon approval of this application.

16. FURTHER DEVELOPMENTS: Attach to the Application a statement of further developments, planned or contemplated, to which the present Application is preliminary or with which it forms a part, together with a reference to any related proceeding before the Commission.

Not Applicable.

17. NOTICE:

Pursuant to 52 Pa. Code §5.14, the Applicant hereby confirms that a copy of the signed and verified Application with Exhibits has been served on the following parties, and proof of such service is attached.

Office of Consumer Advocate

555 Walnut Street
5th Floor, Forum Place
Harrisburg, PA 17101-1923

Office of Small Business Advocate

Commerce Building, Suite 1102
300 North Second Street
Harrisburg, PA 17101

Office of Attorney General

Office of Consumer Protection
Strawberry Square
Harrisburg, PA 17120

A certificate of service must be attached to the Application as proof of service that the Application has been served on the above-listed parties. A copy of any Competitive Local Exchange Carrier Application must also be served on any and/or all Incumbent Local Exchange Carrier(s) in the geographical area where the Applicant proposes to offer services.

- 18. FEDERAL TELECOMMUNICATIONS ACT OF 1996:** State whether the Applicant claims a particular status pursuant to the Federal Telecommunications Act of 1996. Provide supporting facts.

Applicant will be a Telecommunications Carrier as defined by the Federal Telecommunications Act of 1996.

- 19. COMPLIANCE:** State specifically whether the Applicant, an affiliate, a predecessor of either, or a person identified in this Application has been convicted of a crime involving fraud or similar activity. Identify all proceedings, limited to proceedings dealing with business operations in the last five (5) years, whether before an administrative body or in a judicial forum, in which the Applicant, an affiliate, a predecessor of either, or a person identified herein has been a defendant or a respondent. Provide a statement as to the resolution or present status of any such proceedings.

Applicant, its affiliates, and predecessors have not been convicted of a crime involving fraud or similar activity in the last five (5) years.

- 20. FALSIFICATION:**

The Applicant understands that the making of false statement(s) herein may be grounds for denying the Application or, if later discovered, for revoking any authority granted pursuant to the Application. This Application is subject to 18 Pa. C.S. §§4903 and 4904, relating to perjury and falsification in official matters.

21. CESSATION:

The Applicant understands that if it plans to cease doing business within the Commonwealth of Pennsylvania, it is under a duty to request authority from the Commission for permission prior to ceasing business.

Applicant:

Airbus DS Communications, Inc.

Paula Pileggi

Title:

General Counsel

22. **AFFIDAVIT:** Attach to the Application an affidavit as follows:

AFFIDAVIT

[Commonwealth/State] of California :
 :
 : ss.
County of Riverside :

Paula N. Pileggi, Affiant, being duly [sworn/affirmed] according to law, deposes and says that:

Affiant is the Secretary, General Counsel & Chief Compliance Officer of Airbus DS Communications, Inc.

That Affiant is authorized to and does make this affidavit for said corporation;

That Airbus DS Communications, Inc., the Applicant herein, acknowledges that [he/she/it] may have an obligation to serve or to continue to serve the public by virtue of the Applicant commencing the rendering of service pursuant to this Application consistent with the Public Utility Code of the Commonwealth of Pennsylvania, Title 66 of the Pennsylvania Consolidated Statutes; with the Federal Telecommunications Act of 1996, signed February 6, 1996, or with other applicable statutes or regulations;

That Airbus DS Communications, Inc., the Applicant herein, asserts that Affiant] possesses the requisite technical, managerial, and financial fitness to render public utility service within the Commonwealth of Pennsylvania and that the Applicant will abide by all applicable federal and state laws and regulations and by the decisions of the Pennsylvania Public Utility Commission.

***Next paragraph for CLEC Applicants ONLY (excluding data-only CLECS):**

That Airbus DS Communications, Inc., the Applicant herein, asserts that Affiant has contacted the appropriate 911 Coordinator(s) via certified letter, from the list provided from the PUC website (<http://www.puc.state.pa.us>), and that arrangements are under way for the provisioning of emergency 911 service in each of the Counties/Cities where service is to be provided. The applicant certifies Affiant has attached a copy of the 911 Coordinator list indicating each 911 Coordinator contacted.

That the facts above set forth are true and correct] to the best of [Affiant knowledge, information and belief, and that Affiant expects said entity to be able to prove the same at any hearing thereof.

EXHIBIT B

Tariff Schedule Applicable to
TELECOMMUNICATIONS SERVICES

Furnished by
Airbus DS Communications, Inc.

Airbus DS Communications, Inc. will mirror the exchange area boundaries as listed on Page 2 of this tariff.

The Company's tariff is in concurrence with all applicable State and Federal Laws (including, but not limited to, 52 Pa. Code. 66 Pa. C.S. and the Telecommunications Act of 1934, as amended), and with the Commission's applicable Rules and Regulations and Orders. Any provisions contained in this tariff that are inconsistent with the foregoing mentioned will be deemed inoperative and superseded.

This tariff has been filed with the Pennsylvania Public Utility Commission. Copies are available for inspection at the Company's place of business: 42505 Rio Nedo, P.O. Box 9007, Temecula, California 92590.

TARIFF FORMAT

- A. **Page Numbering** - Page numbers appear in the upper right corner of the page. Pages are numbered sequentially. However, new pages are occasionally added to the tariff. When a new page is added between pages already in effect, a decimal is added. For example, a new page added between Page 14 and 15 would be 14.1.
- B. **Page Revision Numbers** - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current page version on file with the Commission. For example, the 4th revised Page 14 cancels the 3rd revised Page 14.
- C. **Paragraph Numbering Sequence** - There are various levels of paragraph coding. Each level of coding is subservient to its next higher level:
 - 2
 - 2.1
 - 2.1.1
 - 2.1.1.1
- D. **Check Sheets** - When a tariff filing is made with the Commission, an updated Check Sheet accompanies the tariff filing. The Check Sheet lists the pages contained in the tariff, with a cross-reference to the current revision number. When new pages are added, the Check Sheet is changed to reflect the revision. An asterisk designates all revisions made in a given filing (*). There will be no other symbols used on this page if these are the only changes made to it (i.e., the format, etc., remain the same, just revised revision levels on some pages.) The tariff user should refer to the latest Check Sheet to find out if a particular page is the most current on file with the Commission.

1. **General**

1.1 **Application of Tariff**

1.1.1 This Tariff contains the regulations, terms, conditions, and maximum rates and charges applicable to intrastate exchange and networks services and equipment furnished by Airbus DS Communications, Inc., hereinafter referred to as Airbus or the Company.

1.1.2 **Explanation of Symbols** – When changes are made in any Tariff page, a revised page will be issued replacing the affected Tariff page. Changes will be identified on the revised page(s) in the right hand margin on each line changed through the use of the following symbols:

- (I) To signify increased rate
- (D) To signify decreased rate
- (C) To signify all other changes

1.2 **Services Available**

1.2.1 The Company's services are available to Business customers, Public Agencies, Local Exchange Carriers, Wireless Service Providers, VoIP Service Providers and Telematics Service Provers.

1.2.2 The Company's service territory is Statewide.

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

1.3 Definition of Terms**1.3.1 911**

A three-digit telephone number used to report an emergency situation requiring a response by a public agency such as a fire department or police department.

1.3.2 9-1-1 Failure or Outage

A situation where 9-1-1 calls cannot be transported to the Public Agency responsible for answering the 9-1-1 emergency calls (usually a PSAP).

1.3.3 9-1-1 Service Provider

The entity responsible for establishing and overseeing the functions necessary to accept 9-1-1 calls placed by callers, delivering the 9-1-1 calls to PSAPs using appropriate routing logic, and delivering emergency response information such as ANI and ALI.

1.3.4 Airbus

Airbus DS Communications, Inc., the filer of this tariff.

1.3.5 ALI Database

A system of manual procedures and computer programs used to create, store and update ALI information.

1.3.6 Authorized User

A person, firm, or corporation that is authorized by the Customer or joint user to be connected to the service of the Customer or joint user, respectively. An authorized user must be specifically named in the application for service.

1.3.7 Automatic Numbering Identification (ANI)

A type of signaling provided by a local exchange telephone company that automatically identifies the local exchange line from which a call originates.

1.3.8 Automatic Location Identification (ALI)

The automatic display, on equipment at the PSAP, of the location of the caller's telephone number, the address for the telephone, including non-listed and non-published numbers and addresses, and other information about the caller's location.

1.3.9 Basic Local Exchange Carrier

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

Any person holding a Certificate of Public Convenience and Necessity issued pursuant to Pennsylvania Rules to offer local exchange telecommunications services whether as a facility-based carrier or as a reseller.

1.3.10 Basic Local Exchange Service or Basic Service

The telecommunications service that provides a local dial tone line and local usage necessary to place or receive a call within an exchange area and any other services or features that may be added by the Commission.

1.3.11 Call Bridging

The act of adding an additional party to an existing call; i.e., the origination of another leg on an existing call to include an additional party. With Call Bridging, the party adding the additional party remains connected to the call after the additional party is added.

1.3.12 Call Transfer

The act of adding an additional party to an existing call; i.e., the origination of another leg on an existing call to include an additional party. With Call Transfer, the party adding the additional party may disconnect before the additional party answers.

1.3.13 Central Office (CO)

A switching unit providing telecommunication services to Customers, designed for terminating and interconnecting lines and trunks. More than one CO may be located in a building.

1.3.14 Commission

Commonwealth of Pennsylvania Public Utilities Commission

1.3.15 Common Carrier

An authorized company or entity providing telecommunications services to the public.

1.3.16 Company

Airbus DS Communications, Inc.

1.3.17 Customer

A person, partnership, firm, municipality, cooperative organization, corporation, or governmental agency furnished communications service by the Company under the provisions and regulations of this tariff and who is

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

responsible for paying the communication service bills and for complying with applicable rules and regulations of the Company.

- 1.3.18 Customer Premises
A location designated by the Customer for the purposes of connecting to the Company's services.
- 1.3.19 Demarcation Point
The point of interconnection between the Company's facilities and terminal equipment, protective apparatus or wiring at the Customer Premises.
- 1.3.20 E9-1-1 Emergency Service
A telecommunications service that uses ANI, ALI (including non-listed and non-published numbers and addresses), Selective Routing, and the three-digit number "9-1-1," for reporting police, fire, medical, or other emergency situations to a PSAP for referral to a public safety agency. As used in this tariff, E9-1-1 Emergency Service does not include discretionary equipment purchased, or contracted for that is not essential to the provision of E9-1-1 Emergency Service.
- 1.3.21 E9-1-1 Tandem or E9-1-1 Selective Routing Tandem
The switch that provides the routing and switching of 9-1-1 calls. The E9-1-1 Tandem controls delivery of the call with ANI to the PSAP and provides Selective Routing, speed calling, selective transfer, fixed transfer, and certain maintenance functions for each PSAP.
- 1.3.22 E9-1-1 Trunks
The facilities that connect from the central office serving the individual telephone that originates a 9-1-1 call to the E9-1-1 tandem.
- 1.3.23 Emergency Service Number (ESN)
An ESN is a number, typically three to five digits in length, that maps to a primary 9-1-1 call handler (usually a PSAP), and a set of emergency service agencies (e.g., law enforcement, fire, emergency medical service) that serve a specific range of addresses within a particular geographical area, or Emergency Service Zone (ESZ).
- 1.3.24 Enhanced 9-1-1 (E9-1-1)

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

An emergency telephone service that includes ANI, ALI (including non-listed and non-published numbers and addresses), and (optionally) selective routing, to facilitate public safety response.

1.3.25 Facilities

Central office equipment, supplemental equipment, apparatus, wiring, cables (outside plant) and other material and mechanisms necessary to or furnished in connection with the services of the Company.

1.3.26 Governing Body

A board of county commissioners of a county or the city council or other governing body of a city, city and county, or town or state or the board of directors of a special district that oversees the PSAP(s) within the Governing Body's jurisdiction.

1.3.27 Holiday

New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, or Christmas Day.

1.3.28 Individual Case Basis (ICB)

A service arrangement in which the regulations, rates, charges and other terms and conditions are developed based on the specific circumstances of the case. The tariff may specify "ICB pricing" for a service. The Company may or may not have an equivalent service in the tariff for which there is a tariffed rate, and the quoted ICB rates may be different than the tariffed rates. ICB must be provided under contract to a customer and the contract filed (under seal) with the Commission. All customers have nondiscriminatory access to requesting the service under an ICB rate.

1.3.29 Inside Wire

Wiring located on the building owner's Customer's side of the demarcation point. Such wiring is deregulated. Installation and maintenance of Inside Wiring is the responsibility of the Customer or premises owner.

1.3.30 Joint User

A person, firm or corporation designated by the Customer as a user of service furnished to the Customer by the Company, and to whom a portion of the charges for such facilities are billed under a joint use arrangement.

1.3.31 Local Access and Transport Area (LATA)

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

A geographical area established by the U.S. District Court for the District of Columbia in Civil Action No. 82-0192, within which a local exchange company provides communications services.

1.3.32 Local Exchange Carrier

Any person authorized by the Commission to offer local exchange telecommunications services whether as a facility-based carrier or reseller.

1.3.33 Local Exchange Service

The furnishing of telecommunications services by a Local Exchange Carrier to a Customer within an exchange for local calling. This service also provides access to and from the telecommunication network for long distance calling.

1.3.34 Master Street Address Guide (MSAG)

A database of street names and house number ranges within their associated communities that defines ESZs and associated ESNs to enable proper routing of E9-1-1 calls.

1.3.35 Maintenance of Service

Maintenance of Service denotes an occurrence of a visit to a Customer's premises in connection with a service difficulty when it is determined that the difficulty is due to a condition in Customer-provided facilities, terminal equipment, a communication system or for Customer-maintained premises wire. When a Maintenance of Service visit is made, Customer Premises Visit Charges will apply.

1.3.36 Minimum Point of Entry

The closest practicable point to where facilities of the Company cross a property line or enter a building.

1.3.37 National Emergency Number Association (NENA)

An international not-for-profit organization whose purpose is to lead, assist, and provide for the development, availability, implementation and enhancement of a universal emergency telephone number or system common to all jurisdictions through research, planning, publications, training and education.

1.3.38 Network Control Signaling

Transmission of signals used in the telecommunications system which perform functions such as supervision (control, status, and charging signals),

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

address signaling (e.g., dialing), calling and called number identification, audible tone signals (call process signals indicating reorder or busy conditions, alerting tones) to control the operating of switching equipment in the system.

1.3.39 Non-listed service

Telephone numbers that are not published in the telephone directory but are available through directory assistance.

1.3.40 Non-published service

Telephone numbers that are neither published in the telephone directory nor available through directory assistance.

1.3.41 Nonrecurring Charge (NRC)

The initial charge, usually assessed on a one-time basis, to initiate and establish service.

1.3.42 Person

Any individual, firm, partnership, copartnership, limited partnership, joint venture, association, cooperative organization, limited liability corporation, corporation (municipal or private and whether organized for profit or not), governmental agency, state, county, political subdivision, state department, commission, board, or bureau, fraternal organization, nonprofit organization, estate, trust, business or common law trust, receiver, assignee for the benefit of creditors, trustee, or trustee in bankruptcy or any other service user.

1.3.43 Premises

All the space in the same building that a Customer has the right of occupancy to the exclusion of others or shares the right of occupancy with others; and all space in different buildings on continuous property, provided such buildings are occupied solely by one Customer. Foyers, hallways, and other space provided for the common use of all occupants of a building are considered the premises of the operator of the building.

1.3.44 Private Branch Exchange (PBX) Service

An arrangement which comprises manual and/or automatic common equipment, wiring and station apparatus, and which provides for interconnection of main station lines associated with an attendant position and/or common equipment located on the Customer's premises or extended to another premises of the same Customer.

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

- 1.3.45 Pseudo Automatic Number Identification (pANI)
A number consisting of the same number of digits as ANI, and used to query routing and ALI databases.
- 1.3.46 Protector
An electrical device located in a central office, a Customer premises or anywhere along the telecommunications facility path. This device protects both the Company's and the Customer's property and facilities from high voltages and surges in current.
- 1.3.47 Public Agency
See "Governing Authority"
- 1.3.48 Public Safety Answering Point (PSAP)
A facility equipped and staffed to receive 9-1-1 calls from the 9-1-1 Service Provider. PSAPs operate under the direction of the Governing Body and are responsible to direct the disposition of 9-1-1 calls.
- 1.3.49 Recurring Charges
The charges to the Customer for services, facilities and equipment, that continue to be assessed, usually on a monthly basis, for the agreed upon duration of the service.
- 1.3.50 Selective Routing
The routing of an E9-1-1 call from an E9-1-1 Selective Router Tandem to a designated PSAP based upon the seven-digit or ten-digit telephone number associated with the caller dialing 9-1-1.
- 1.3.51 Selective Routing Tandem
See "E-911 Tandem"
- 1.3.52 Service Interruption
The inability to complete calls due to equipment malfunctions or human errors. Service Interruption shall not include service difficulties such as slow dial tone, circuits busy or other network and/or switching capability shortages. Nor shall Service Interruption include the failure of any service or facilities provided by a Common Carrier or other entity other than the Company.
- 1.3.53 Service Order Agreement (SOA)

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

The written request for Company services executed by the Customer and the Company in the format devised by the Company. The signing of a Service Order Agreement form by the Customer and acceptance by the Company initiates the respective obligations of the parties as set forth therein and pursuant to this tariff.

1.3.54 TDD/Text Phone

A telecommunication device for use by deaf persons that employs graphic communication in the transmission of coded signals through a wire or radio communication system.

1.3.55 Telecommunications Device for the Deaf (TDD)/Text Phone Emergency

Access Provides 9-1-1 access to individuals that use TDDs and computer modems.

1.3.56 Telecommunications Relay Services (TRS)

These services provides the ability for hearing- or speech-impaired individuals to communicate, by wire or radio, with a hearing individual in a manner that is functionally equivalent to communication by an individual without a hearing or speech impairment. This definition includes telecommunication relay services that enable two-way communications between an individual who uses a TDD or other non-voice terminal device and an individual who does not use such a device.

1.3.57 Telematics

Personal safety devices utilizing a combination of electronic sensors, wireless communications technologies, and/or location determination technologies to signal or notify Telematics service providers when assistance is required. While Telematics devices are used for non-emergency purposes such as roadside assist or concierge services, navigation assistance, and vehicle tracking, the services described herein are specifically designed to facilitate the delivery of emergency Telematics calls to the appropriate responding agencies, where facilities permit.

1.3.58 Wire Center

The building that houses the local switching equipment (Central Offices) from which exchange and private line services are furnished and where cable facilities are terminated which furnish telephone service within a designated wire center serving area.

1.3.59 Wire Center Serving Area

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

The area of the exchange served by a single wire center.

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

2 RULES AND REGULATIONS**2.1 Undertaking of the Company**

Company intends to offer 9-1-1 emergency services to government and quasi-government Public Safety Answering Points (PSAPs) and may also provide other local exchange telecommunications services and interexchange telecommunications services including, but not limited to, business resold and facilities-based local, interexchange, bundled interexchange, and wholesale or carrier-to-carrier 911 services, including bundles of data, voice and/or wireless services in support of 911 service. Applicant will not provide residential telecommunications services.

2.2 Obligations of the Customer

2.2.1 The customer shall be responsible for:

2.2.1.1 Making proper application for service; placing any necessary orders, entering and into a Service Order Agreement with the Company; complying with the SOA and tariff regulations; payment of all applicable charges for services pursuant to this tariff; and not creating, or allowing to be placed, any liens or other encumbrances on Company equipment or facilities.

2.2.1.2 In the case of damage to, or destruction of, any of the Company's equipment, instruments, apparatus, accessories or wiring due to the negligence or willful act of the Customer and not due to ordinary wear and tear, the Customer will be held responsible for the cost of restoring the equipment, instruments, apparatus, accessories or wiring to its original condition, or of replacing the equipment, instruments, apparatus, accessories or wiring destroyed. The Customer is required to reimburse the Company for loss, through theft, of equipment, instruments, apparatus, accessories or wiring furnished to the Customer.

2.2.1.3 All operations at the Customer's premises will be performed at the expense of the Customer and will be required to conform to whatever rules and regulations the Company may adopt as necessary in order to maintain a proper standard of service.

2.2.1.4 The Customer is responsible for arranging access to its premises at times mutually agreeable to the Company and the Customer when required for the

P.O. Box 9007
Temecula, CA 92590

Company's personnel to install, repair, maintain, program, inspect, or remove equipment for the provision of the Company's services.

- 2.2.1.5 The Customer shall ensure that the equipment and/or system is properly interfaced with Company facilities or services, that the signals emitted into the Company's network are of the proper mode, bandwidth, power, and signal level for the intended use of the Customer and in compliance with the criteria set forth in this Tariff and any service agreement between the Customer and the Company and that the signals do not damage equipment, injure personnel, or degrade service to other Customers. If the Federal Communications Commission or some other appropriate certifying body certifies terminal equipment as being technically acceptable for direct electrical connection with interstate communications service, the Company will permit such equipment to be connected with its channels without use of protective interface devices. If the Customer fails to maintain the equipment and/or the system properly, with resulting imminent harm to Company equipment, personnel, or the quality of service to other Customers, the Company may, upon written notice, require the use of protective equipment at the Customer's expense. If this fails to produce satisfactory quality and safety, the Company may, upon five (5) days written notice via first class U.S. mail, terminate the Customer's service.
- 2.2.1.6 The Customer is required to provide adequate building space, lighting and atmospheric control for the proper installation, operation and maintenance of the equipment and facilities placed by the Company on the Customer's premises. When Company equipment, installed on the Customer's premises, requires power for its operation, the Customer is required to provide such power. The Customer is required to provide adequate commercial power, wiring, electrical outlets, and environmentally appropriate conditions necessary for the proper operation of the Company's equipment on the Customer's premises.
- 2.2.1.7 Customer shall obtain, maintain, and otherwise having full responsibility for all rights-of-way and conduits necessary for installation of communications cable and associated equipment used to provide services to the Customer from the cable building entrance or property line to the location of the equipment space. Any and all costs associated with obtaining and maintaining the rights-of-way described herein, including the costs of altering the structure to permit installation of the Company- provided facilities, shall be borne entirely by, or may be charged by the Company to, the Customer. The Company may require the Customer to demonstrate its compliance with this section prior to

Issued: _____

accepting an order for service and entering into a Service Order Agreement with the Customer.

2.2.2 To the extent caused by any negligent or intentional act of the Customer, the Customer shall indemnify, defend and hold harmless the Company from and against all claims, actions, damages, liabilities, costs and expenses, including reasonable attorneys' fees, for (1) any loss, destruction or damage to property of any third party, and (2) any liability incurred by the Company to any third party pursuant to this tariff, any other tariff of the Company, or with the Service Order Agreement, or otherwise, for any interruption of, interference to, or other defect in any service provided by the Company to such third party.

The Company shall be indemnified and saved harmless by the Customer from and against all loss, liability, damage and expense due to the following:

2.2.2.1 Any act or omission of: (a) the Customer, (b) any other entity furnishing service, equipment or facilities for use in conjunction with services or facilities provided by the Company; or (c) common carriers, except as contracted by the Company.

2.2.2.2 Any delay or failure of performance or equipment due to causes beyond the Company's control, including but not limited to, fires, floods, earthquakes, hurricanes, or other catastrophes; national emergencies, acts of terrorism, insurrections, riots, wars or other civil commotions; strikes, lockouts, work stoppages or other labor difficulties; criminal actions taken against the Company; unavailability, failure or malfunction of equipment or facilities provided by the Customer or third parties; any law, order, regulation or other action of any governing authority or agency thereof

2.2.2.3 Any unlawful or unauthorized use of Company facilities and services.

2.2.2.4 Libel, slander, invasion of privacy or infringement of patents, trade secrets, or copyrights arising from or in connection with the material transmitted by means of Company- provided facilities or services; or by means of the combination of Company-provided facilities or services.

2.2.2.5 Breaches in the privacy or security of communications transmitted over Company facilities.

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

- 2.2.2.6 Changes in any of the facilities, operations or procedures of the Company that render any equipment, facilities or services provided by the Customer obsolete, or require modification or alteration of such equipment, facilities or services, or otherwise affect their use or performance, except where reasonable notice is required by the Company and is not provided to the Customer, in which event the Company liability is limited as set forth in section 2.3.1.1.1.
- 2.2.2.7 Defacement of or damage to Customer Premises resulting from the furnishing of services or equipment on such Premises or the installation or removal thereof.
- 2.2.2.8 Injury to property or injury or death to persons, including claims for payments made under Workers' Compensation law or under any plan for employee disability or death benefits, arising out of, or caused by, any act or omission of the Customer, or the construction, installation, maintenance, presence, use or removal of the Customer's facilities or equipment connected, or to be connected to Company facilities.
- 2.2.2.9 Any non-completion of calls due to network busy conditions.
- 2.2.2.10 Any calls not actually attempted to be completed during any period that service is unavailable.
- 2.2.2.11 Any other claims resulting from any act or omission of the Customer or patron(s) of the Customer relating to the use of Company services or facilities.
- 2.2.3 The Customer will be liable for damages to the facilities of the Company and for all incidental and consequential damages caused by the negligent or intentional acts or omissions of the Customer, its officers, employees, agents, invites, or contractors where such acts or omissions are not the direct result of the Company's negligence or intentional misconduct.
- 2.2.4 The Customer shall not assert any claim against any other Customer or user of the Company's services for damages resulting in whole or in part from or arising in connection with the furnishing of service under this tariff or the SOA including but not limited to mistakes, omissions, interruptions, delays, errors or other defects or misrepresentations, whether or not such other Customer or Joint or Authorized Users contributed in any way to the occurrence of the damages, unless such damages were caused solely by the negligent or

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

intentional act or omission of the other Customer or user and not by any act or omission of the Company. Nothing in this tariff is intended either to limit or to expand Customer's right to assert any claims against third parties for damages of any nature other than those described in the preceding sentence.

2.3 Liability of the Company

2.3.1 THE COMPANY MAKES NO WARRANTIES OR REPRESENTATIONS, EXPRESS OR IMPLIED EITHER IN FACT OR BY OPERATION OF LAW, STATUTORY OR OTHERWISE, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, EXCEPT THOSE EXPRESSLY SET FORTH HEREIN.

Acceptance of the provisions of Section 2.3 by the Commission does not constitute its determination that any disclaimer or warranties or representations imposed by the Company should be upheld in a court of law.

Failure by the Company to assert its rights pursuant to one provision of this tariff does not preclude the Company from asserting its rights under other provisions.

In view of the fact that the Customer has exclusive control of its communications over the facilities furnished it by the Company, and of the other uses for which facilities may be furnished it by the Company, and because of unavoidable errors incidental to the services and to the use of such facilities of the Company, the services and facilities furnished by the Company are subject to the following terms, conditions and limitations.

2.3.1.1 Limitations

2.3.1.1.1 Except as otherwise provided herein, no liability for direct, incidental punitive or consequential damages shall attach to the Company, its officers, directors, agents, servants or employees, for damages or costs arising from errors, mistakes, omissions, interruptions, failures, delays, or defects or malfunctions of equipment or facilities, in the course of establishing, furnishing, maintaining, rearranging, moving, terminating, or changing the service(s) or facilities (including the obtaining or furnishing of information in respect thereof or with respect to the Customer or users of the service or facilities) in the absence of gross negligence or willful and wanton conduct, whether a claim for such liability is premised upon breach of contract, breach of warranty,

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

fulfillment of warranty, negligence, strict liability, misrepresentation, fraud, or any other theories of liability.

2.3.1.1.2 The remedy against the Company for an interruption or failure of service resulting from errors, mistakes, omissions, interruptions, failures, delays, or defects or malfunctions of equipment or facilities shall be as follows: At the Company's option, the Company shall either repair or replace any item of its facilities or defective part thereof at Company's expense.

2.3.1.1.3 Except for the extension of allowances to the Customer for interruptions in service as set forth herein or as limited by 52 Pa. Code § 69.87 and the Commission's Order regarding limited liability in Docket No. M-0098129, the Company, its affiliates, directors, officers, employees, assignees and/or successors, shall not be liable to a Customer or third party for any loss in excess of an amount in liquidated damages of \$100.00 for any direct, indirect, special, incidental, reliance, consequential, exemplary or punitive damages, including, but not limited to, loss of revenue or profits, for any reason other than as described herein, including, but not limited to, any act or omission, failure to perform, delay, interruption, failure to provide any service or any failure in or breakdown of facilities, including the obtaining or furnishing of information with respect to the Customer (including without limitation Customer's end users) associated with the service, unless such loss is caused by the willful and/or wanton misconduct of the Company.

2.3.1.1.4 Company's 9-1-1 service is offered solely to assist Customer in providing 9-1-1 emergency service in conjunction with applicable fire, police, and other public safety agencies. By obligation, direct or indirect, to any third party other than Company, Company shall not be liable for civil damages, whether in contract, tort or otherwise, to any person, corporation, or other entity for any loss or damage caused by any Company act or omission in the design, development, maintenance, or provision of 9-1-1 service other than an act or omission including gross negligence or wanton or willful misconduct.

2.3.2 Service Irregularities

2.3.2.1 Nothing in this tariff shall be construed to limit the Company's liability in cases of gross negligence or willful misconduct.

2.3.2.2 The Company does not transmit messages but offers the use of its facilities, when available, for communications between parties, each of which is present at a telephone or communications device.

- 2.3.2.3 **Connections with Other Telecommunications Providers**
When the Company uses the facilities or services of other companies to establish connections or provide services to Customer, the Company shall not be liable for any act or omission of the other company or companies, their agents, or employees, that limit the ability of Company to provide services to Customer as described in the SOA and this tariff.
- 2.3.3 **Maintenance and Repair**
- 2.3.3.1 All ordinary expense of maintenance and repair in connection with services provided by the Company is borne by the Company unless otherwise specified.
- 2.3.3.2 At the Customer's request, non service-affecting maintenance and repair may be performed outside the Company's regular business hours or, in the Company's sole discretion and subject to any conditions it may impose, in hazardous locations. In such cases, charges based on the cost of labor, material, and other costs incurred by or charged to the Company will apply. If installation is started during regular business hours but, at the Customer's request, extends beyond regular business hours into time periods including, but not limited to, weekends, holidays, and/or night hours, additional charges may apply.
- 2.3.3.3 Nonrecurring charges do not apply to repair service.
- 2.3.4 **Database Errors or Omissions**
- 2.3.4.1 Notwithstanding any other provisions herein, the Company expressly denies any representation or warranty that database records, data, or other information created, utilized or furnished hereunder will be furnished without interruption or free of errors or omissions. In no event shall the Company, its officers, directors, agents, servants, or employees, be liable for direct, incidental, punitive, or consequential damages for damages or costs arising from any such interruptions, errors, or omissions, whether a claim for such liability is premised upon breach of contract, breach of warranty, fulfillment of warranty, negligence, strict liability, misrepresentation, fraud, or any other theories of liability.

2.3.5 Limitation of Liability

2.3.5.1 Nothing in this tariff shall be construed to limit the Company's liability in cases of gross negligence or willful misconduct.

2.4 **Application for Service**

2.4.1 Applications for establishment of service must be made to the Company in writing. These applications become contracts upon approval by the Company and the Customer or the establishment of service, and shall be subject at all times to the lawful rates, charges and regulations of the Company.

2.4.1.1 Requests from Customers for additional service or equipment must be made in writing and, upon approval of installation of the service, become a part of the original contract, except that each additional item is subject to the appropriate Tariff rates, charges and initial contract period, if any.

2.4.1.2 Any change in rates, charges or regulations authorized by the legally constituted authorities will act as a modification of all contracts to that extent without further notice.

2.4.2 Initial Contract Period

2.4.2.1 Service is provided on month-to-month or on a term agreement basis. The Initial Contract Period is one (1) year unless otherwise specified in this tariff or mutually agreed upon by contract. Penalties may apply for early termination of the Service Order Agreement (SOA).

2.4.2.2 Except as otherwise stated in this tariff or an SOA, at the expiration of the initial term specified in each Service Order Agreement, or in any extension thereof, service shall be renewed automatically for a one (1) year term upon written notification to the Customer 60 days prior to the expiration of the initial term, unless the Customer provides notice of intent not to renew such agreement at least 60 days prior to the end of the initial or any additional term. Termination shall not relieve the Customer of its obligations to pay any charges incurred under the Service Order Agreement and this tariff prior to termination. The rights and obligations that by their nature extend beyond the termination of the term of the Service Order Agreement shall survive such termination.

P.O. Box 9007
Temecula, CA 92590

2.4.3 Cancellation and Deferments

2.4.3.1 When the Company advises a Customer that ordered services are available on the requested due date, and the Customer is unable or unwilling to accept service at that time, the facilities will be held available for the Customer for a 30 business day grace period. If after 30 business days the Customer has still not accepted service, regular monthly billing for the ordered services may begin, or the facilities will be released for other service order activity, and cancellation charges (non-recurring charges that would have applied had the service been installed) may be applied. These cancellation and deferment provisions apply to requests for all Company services.

2.5 **Payment for Service**

2.5.1 The Customer is responsible for payment of all charges for facilities and services furnished the Customer, including charges for services originated, or charges accepted, at such facilities.

2.5.2 Customers will be billed directly by the Company and charges will be included in the Customer's regular bill pursuant to billing and collection agreements established by the Company with the applicable Customer.

2.5.3 Unless otherwise specified, all charges for Company-provided services, equipment and facilities, exclusive of usage or transaction sensitive charges, start the day after service is installed, continue through the day service is disconnected and are payable monthly in advance. Charges for usage or transaction related services are payable monthly for services used in the previous billing cycle, except the Company reserves the right to require payment of such charges at more frequent intervals.

2.5.4 When service does not begin on the first day of the month, or end on the last day of the month, the charge for the fraction of the month in which service was furnished will be calculated on a pro rata basis. For this purpose, every month is considered to have 30 days.

2.5.5 In the event a Customer is indebted to the Company for charges and services previously rendered in Pennsylvania, or for service under one or more accounts at the same location, and the Customer does not pay the charges

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

or satisfy such indebtedness, the Company may charge and bill such indebtedness against other accounts of this Customer.

- 2.5.6 In the event that payment from a Customer is less than the total amount of all charges owing to the Company and the Customer does not specifically designate the manner in which he wishes to apply said payment, then the Company may apply all or any part of the payments received to such accounts or indebtedness in any manner that the Company deems appropriate.
- 2.5.7 Except as otherwise specified, where the rate to be charged for a particular service is determined by applying a percentage or similar factor to a quoted rate, and such computation results in a fraction, the charge for the service shall be computed to the nearest cent, a half cent being increased to the next higher cent.
- 2.5.8 The furnishing of services, equipment and facilities and any indebtedness resulting therewith shall not result in a lien, mortgage or other security interest in any real or personal property of the Customer, unless such indebtedness has been reduced to judgment.
- 2.5.9 Service may be discontinued or refused to a Customer for the nonpayment of any sum for service furnished in the Commonwealth of Pennsylvania or for the provision of facilities which also have been provided in Pennsylvania.
- 2.5.10 Unless otherwise specified, in the event it becomes necessary for service to be discontinued to a Customer for nonpayment, a written notice of at least seven days (measured from the date of mailing) will be given to the Customer advising the Customer of the amount due and the date by which the same must be paid to avoid service being discontinued. If the Customer fails to pay or make suitable arrangements for payment by said due date, the Company may suspend the service or discontinue the service and remove any or all of the Company's equipment from the Customer's premises.
- 2.5.11 Payment of bills for service may be made by any means mutually acceptable to the Customer and the Company. Payment that is not honored or paid by the payer's designated financial institution will be considered as nonpayment. A returned payment charge is applicable to the account for each occasion that a payment is returned to the Company for reason of insufficient funds or closed account.

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

- Maximum Returned Payment Charge: \$25

2.5.12 Customers may have the following options as to the method of paying bills for Company provided service(s):

- If by U.S. Mail, by check or money order only;
- By any means acceptable to financial institutions and the Company.

2.5.13 Payments received by the Company on or before the due date on the Customer's bill will be considered timely. The following billing information shall be remitted with payment:

- Customer's name;
- Customer's telephone number
- Customer's address;
- Customer's Account Code (if applicable);
- Customer's account type;
- Amount of payment;
- Other information as required by the service agreement.

2.5.14 Payments received by the Company after the due and payable date on the Customer's bill may result in discontinuance of the Customer's service.

2.5.15 The Company will not be responsible if a Customer's service is discontinued after payment has been remitted, unless the payment is timely, as set forth in 2.5.13, or, if the payment is not timely, the requirements of 2.5.14. have not been met.

2.5.16 Incomplete Calls

There shall be no charge for incomplete calls. No charge will be levied for unanswered calls. Customers will receive credit for calls placed to a wrong number if the customer notifies the Company of the error

2.5.17 Advanced Payments

To safeguard its interests, the Company may require a Customer to make an advance payment before services and facilities are furnished. The advance payment will not exceed an amount equal to the nonrecurring charge(s) and one (1) month's charges for the service or facility and additional (1) month advance payment for each subsequent month. In addition, where special construction is involved, the advance payment may also include an amount

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

equal to the estimated non-recurring charges for the special construction and recurring charges (if any) for a period to be set between the Company and the Customer. The initial advance payment will be credited to the Customer's initial bill. Subsequent advance payments will be credited on the appropriate monthly bill. Advance payments do not accrue interest.

2.5.18 **Billing Standards**

The Company complies with the requirements of Chapter 64 in 52 Pa. Code regarding billing standards and practices for residential customers. In instances where sections of this tariff may conflict with Chapter 64, regulations, the regulations in Chapter 64 will prevail.

2.6 **Customer Deposits**

2.6.1 The Company does not collect customer deposits.

2.7 **Late Payment Charges**

2.7.1 A late payment charge on an overdue bill may be charged on the unpaid balance of the bill at a monthly rate not to exceed 1.25%; however this charge will not apply to any previously applied late charges.

2.7.2 Collection procedures and temporary disconnection of service are unaffected by the application of a late charge. The late payment charge does not extend the time for payment or otherwise enlarge or change the rights of a Customer. Notice of intention to pay late will not avoid this charge

2.7.3 The late payment charge does not apply to the following:

- Bills mailed more than ten days after bill date.
- Final bills.
- One time miscellaneous bills.
- Billed amounts under dispute that are resolved to the Company's satisfaction in the Customer's favor.

2.8 **Customer Complaints and Billing Disputes**

2.8.1 Customers may notify the carrier of billing or other disputes either orally or in writing. There is no time limit for submitting disputes. Suspension or termination will not occur until the resolution of the dispute.

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

2.8.2 Unless disputed, the invoice shall be deemed to be correct and payable in full by the Customer. If the Customer is unable to resolve any dispute with the Company, then the Customer may file a complaint with the Bureau of Consumer Services, Pennsylvania Public Utility Commission, P.O. Box 3265, Harrisburg, Pennsylvania 17105-3265, Telephone 1-800-692-7380.

2.9 **Taxes and Fees**

2.9.1 Rate schedules of the Company in Pennsylvania do not include any municipal, license, franchise, or occupation tax, costs of furnishing service without charge, or similar taxes or impositions on the Company.

2.9.2 The amount paid by the Company to a municipality as a cost of doing business within that municipality under a franchise, or pursuant to a license or occupation tax levied by the municipality, will be added to the bill for service to the Company's Customers within such municipality and for the privilege of employment within the municipality shall be so surcharged.

2.9.3 All state and local taxes and fees shall be listed as separate line items on the Customer's bill.

2.9.4 If a municipality, other political subdivision or local agency of government, or the Commission imposes and collects from the company a gross receipts tax, occupation tax, license tax, permit fee, franchise fee, or regulatory fee, such taxes and fees shall, as allowed by law, be billed pro rata to the Customer receiving service from the Company within the territorial limits of such municipality, other political subdivision or local agency of government.

2.9.5 Service shall not be subject to taxes for a given taxing jurisdiction if the Customer provides the Company with written verification, acceptable to the company and to the relevant taxing jurisdiction, that the Customer has been granted a tax exemption.

2.10 **Adjustment of Charges**

2.10.1 Service Interruptions

2.10.2 For the purpose of applying this provision, the word "interruption" shall mean the inability to complete calls either incoming or outgoing or both. Interruption

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

does not include, and no credit allowance shall be given for, service difficulties such as busy circuits or other network and/or switching capacity shortages or as further defined

2.10.3 Credit for failure of service or equipment will be allowed only when failure is caused by or occurs in the equipment owned, provided, and billed for, by the Company.

2.10.4 The credit allowance will not apply where service is interrupted by the negligence or willful act of the Customer or the failure of facilities provided by the Customer, or where the Company, pursuant to the terms of the Tariff, suspends or terminates service because of unlawful or improper use of the facilities or services, or any other reason covered by the Tariff or as further defined.

2.10.5 No credit allowance shall be made for interruptions due to electric power failure where, by the provisions of this Tariff, the Customer is responsible for providing electric power.

2.10.6 When the Customer's main service is interrupted for a period of at least 24 hours, credit to customers, after due notice by the customer, at the following rate shall apply (except as provided for in paragraph 3):

2.10.6.1 One-thirtieth of the tariff monthly rate of services and facilities furnished by the Company rendered inoperative, useless, or impaired for each of the first three full 24-hour periods during which the interruption continues after notice by the customer to the public utility conditioned that the out of service extends beyond a minimum of 24 hours.

2.10.6.2 Two-thirtieths of each full 24-hour period beyond the first three 24-hour periods. However, in no instance may the allowance for the out-of-service period exceed the total charges in a billing period for the service and facilities furnished by the public utility rendered useless or impaired.

2.10.6.3 When service is interrupted for a period of at least 24 hours due to such factors as storms, fires, floods or other conditions beyond the control of the Company, an allowance of 1/30 of the tariff monthly rate for all services and facilities furnished under tariff by the Company rendered inoperative or substantially impaired to the extent of being useless shall apply for each full 24 hours during which the interruption continues after notice by the customer to the Company.

Temecula, CA 92590

2.10.6.4 The allowances set forth herein may not be applicable where service is interrupted by the negligence or willful act of the customer to service or where the Company, pursuant to the terms of the contract for service, suspends or terminates service for nonpayment of charges or for unlawful or improper use of the facilities or service or for any other reason provided for in this tariff.

2.10.7 In addition and not by way of limitation, in the event that there is a delay in installation of service, if any service date is promised, or any failure to service or properly maintain the items of service as provided for herein concerning maintenance or any failure to repair or replace the items of service as provided herein, then the refunds provided shall be the exclusive remedy against the Company.

2.10.8 Under all circumstances set forth above, the Company shall not be liable to the Customer or any other persons for special, incidental, punitive, or consequential damages, losses, expenses, or costs, if any.

2.10.9 Overcharge/Undercharge

2.10.10 When a customer has been overcharged, the amount shall be refunded or credited to the customer.

2.11 **Special Services**

In cases where a customer requests special or unique arrangements which may include but are not limited to engineering, conditioning, installation, construction, facilities, assembly, purchase or lease of facilities and/or other special services not offered under this tariff, the Company, may provide the requested services. Appropriate recurring charges and/or nonrecurring charges and other terms and conditions will be developed for the customer for the provisioning of such arrangements.

2.11.1 General

2.11.1.1 The rates and charges quoted in the Tariffs of the Company contemplate the use of service arrangements, equipment and facilities in quantities and types regularly furnished by the Company. Where equipment, facilities, or service

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

arrangements are requested which are not provided for in the Company's applicable Tariffs, monthly rates and one-time charges, such as nonrecurring and construction charges, will apply based on the circumstances in each case.

2.11.1.2 These special equipment and service items will be provided whenever, in the judgment of the Company, there is a valid reason for providing the service requested. In such cases, the Company reserves the right to require an initial contract period commensurate with relevant circumstances.

2.11.1.3 The rates and charges specified contemplate that work will be performed during regular working hours and that work once begun will not be interrupted by the Customer. If, at the request of the Customer, work is performed outside of regular working hours, either to meet the Customer's convenience or because the time allowed is insufficient to permit completion during regular hours or if the Customer interrupts work which has begun, the Customer may be required to pay any additional costs incurred.

2.11.1.4 The rates and charges quoted in the Tariffs of the Company contemplate the use of standard procedures and practices for furnishing service, equipment and facilities. Where the Customer requests special procedures or practices, such as expedited material handling or shortened installation intervals through the use of overtime, etc., additional rates and charges will apply based on the circumstances in each case. These special practices or procedures will be provided at the discretion of the Company, depending upon each individual case.

2.12 Discontinuance of Service

2.12.1 Customers must give at least 5 days oral or written notice to the Company for discontinuance of service, unless specified otherwise in the agreement. The Company shall hold the Customer responsible for payment of all charges, including fixed fees, surcharges, etc., that accrue through the end of the Customer's bill cycle, unless otherwise noted in the description of the service affected.

2.12.2 If a Customer cancels a Service Order Agreement or terminates services before the completion of the term for any reason whatsoever other than a Service Interruption, the Customer agrees to pay to the Company termination liability charges, as defined below. These charges shall become due as of the effective date of the cancellation or termination.

- 2.12.3 The Customer's liability for early cancellation or termination of service shall be equal to the following:
- 2.12.3.1 All unpaid Nonrecurring Charges, less any portion of the underlying cost of the Nonrecurring Charges not yet incurred by the Company in preparing to establish service for the Customer;
- 2.12.3.2 Any disconnection, early cancellation or termination charges reasonably incurred and paid or owed to third parties by the Company on behalf of the Customer;
- 2.12.3.3 Ninety percent (90%) of the Recurring Charge for the service under the term agreement, multiplied by the number of lines (if applicable), multiplied by the months remaining in the term agreement.
- 2.12.3.4 To the extent that there is no other requirement for use by the Company for facilities specially constructed at the request of the Customer pursuant to Section 2.3.9, termination charges in addition to those described in this Section may apply as determined on an Individual Case Basis.
- 2.12.3.5 Inclusion of termination liability by the Company in this tariff or a contract does not constitute a determination by the Commission that the termination liability imposed by the Company is approved or sanctioned by the Commission. Customers shall be free to pursue whatever legal remedies they may have should a dispute arise.

PROVISION OF SERVICE AND FACILITIES

2.13 **Use of Service**

- 2.13.1 Customer service will be furnished to Customers for:
- The Customer;
 - The Customer's employees and representatives;
 - Customers who share the Company's service;
 - Joint users of Company provided services.

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.

- 2.13.2 The Company's services may be used for any lawful purpose consistent with the transmission and switching parameters of the telecommunications facilities utilized in the provision of the Company's services.
- 2.13.3 The Company's services are available for use twenty-four (24) hours per day.
- 2.13.4 Unlawful Use of Service
 - 2.13.4.1 Service shall not be used for any purpose in violation of law or for any use as to which the Customer has not obtained all required governmental approvals, authorizations, licenses, consents, and permits. The Company shall refuse to furnish service to an applicant or shall disconnect the service without notice of a Customer when:
 - 2.13.4.2 An order shall be issued, signed by a judge finding that probable cause exists to believe that the use made or to be made of the service is prohibited by law, or
 - 2.13.4.3 The Company is notified in writing by a law enforcement agency acting within its jurisdiction that any facility furnished by the Company is being used or will be used for the purpose of transmitting or receiving gambling information in interstate or foreign commerce in violation of the law.
 - 2.13.4.4 If service has been physically disconnected by law enforcement officials at the Customer's premises and if there is not presented to the Company the written finding of a judge, then upon written or verbal request of the Customer, and agreement to pay restoral of service charges and other applicable service charges, the Company shall promptly restore such service.
- 2.13.5 Obligation to Furnish Service
 - 2.13.5.1 The Company's obligation to furnish service or to continue to furnish service is dependent on its ability to obtain, retain, and maintain with just and reasonable earnings, suitable rights and facilities, and to provide for the installation of those facilities required to the furnishing and maintenance of that service. At the option of the Company, in managing its facilities, certain regular service restrictions may be temporarily imposed at locations where new or additional facilities being constructed are not readily available to meet service demands.

2.13.5.2 When connections are requested and facilities to provide the required connections at the CO normally designated to serve the premises of the Customer are inadequate, facilities may be furnished from another CO to provide the requested interconnection. Under such circumstances additional monthly rates and installation charges will apply.

2.13.6 Limited Communication

The Company reserves the right to limit use of its services when emergency conditions arise that cause a shortage of facilities.

2.13.7 Resale/Sharing of Service

Service on Customers' premises furnished by the Company shall not be used for performing any part of the work of transmitting, delivering, or collecting any message where any toll or consideration has been or is to be paid any party other than the Company, without written consent of the Company.

2.14 **Suspension and Termination of Service**

The Company shall mail or deliver written notice to the customer at least 7 calendar days before the date of proposed suspension regardless of the grounds upon which suspension is sought. When at least 10 calendar days have passed since suspension of service, the Company may terminate service for failure to pay a reconnection fee and to remedy the original grounds for suspension. The only exception for suspension without prior notice is when the suspension is based on an occurrence, which endangers the safety of a person or appears likely to prove physically harmful to the service delivery system. At the time of suspension the Company shall mail a notice of suspension to the customer's billing address.

2.15 **Pennsylvania Telephone Relay Service**

The Pennsylvania Telecommunications Relay Service (PA TRS) is a relay telecommunication service for the deaf, hard of hearing, hearing and/or speech disabled population of the Commonwealth. The PA TRS is mandated by the Americans with Disabilities Act of 1990 to provide functionally equivalent telephone services that are available to other U.S. citizens, at no

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

additional cost. The PA TRS includes both traditional relay (devices such as Teletypewriters (TTY) and Telecommunication Devices for the Deaf (TDD)) and captioned- telephone voice-carry-over relay services (captioned telephone). These relay services permit telephone communications between individuals with hearing and/or speech disabilities, who must use a TTY, TDD, or captioned telephone, with individuals having normal hearing and speech. Additionally, 711 abbreviated dialing is available to access the PA TRS. The Company's switching equipment is arranged to translate the "711" calls to the assigned toll- free number, (888) 895-1197, in order to route calls to the Telecommunications Relay Service Provider, in accordance with Commission's Order entered on February 4, 2000 at Docket No. M-00900239.

2.15.1 Surcharge

In addition to the charges provided in this tariff, a surcharge will apply to all residence and business access lines served by this Company (Access lines are those lines extending from the telephone company's central office to the end-user's premises). This surcharge applies regardless of whether or not the access line uses the PA TRS.

The surcharge serves as the funding vehicle for the operation of the PA TRS, Telecommunications Device Distribution Program, and the Print Media Access Service Program and shall be calculated by the Pennsylvania Public Utility Commission (Commission). The Commission shall compute the PA TRS surcharge each year and notify local exchange carriers of the surcharge amount to be applied for the twelve-month period commencing with July 1 of each year. The Commission may revise the surcharge more frequently than annually at its discretion. Tariff revisions will be filed whenever the Commission calculates a new surcharge amount and notifies the Company.

The following surcharge rates apply to all customer bills issued on or after July 1, 2008.

Monthly Charge

Per residence access line: \$0.08

Per business access line: \$0.08

Centrex lines will be assessed on an equivalency basis as determined by the Commission.

2.16 Toll Presubscription

2.16.1 Toll Presubscription is a procedure whereby a customer designates to the Company the IntraLATA and InterLATA Toll Providers, i.e., Interexchange Carriers (IXCs), which the Customer wishes to be the carriers of choice for toll calls. Such calls are automatically directed to the designated carrier(s) without the need to use carrier access codes or additional dialing to direct the calls to the designated carrier. Toll presubscription does not prevent a customer, who has presubscribed to a toll carrier, from using carrier access codes or additional dialing to direct calls to an alternative toll carrier on a per call basis. Each carrier will have one or more access codes assigned to it for various types of service. When an end user selects a carrier as its preferred IXC, only one access code of that carrier may be incorporated into the switching system of the Company permitting access to that carrier by the end user without dialing an access code. Should the same end user wish to use other services of the same carrier, it will be necessary for the end user to dial the necessary access code(s) to reach that carrier's other service(s). An IXC must use Feature Group D (FGD) Switched Access Service to qualify as a presubscription toll provider unless prior arrangements have been made with or by the Telephone Company. IXCs must submit an Access Service Request (ASR) to the Telephone Company.

Selection of toll presubscription provider by an end user is subject to the terms and conditions following.

2.16.2 At the option of the IXCs, the nonrecurring charge for a change in toll presubscription, as provided herein, may be billed to the IXCs, instead of the end user (NRC PIC). This may involve charges resulting from end-user initial free choice Preferred Interexchange Carrier (PIC), specified as follows.

2.16.3. Presubscription Charge Application
End user choices for toll presubscription:

2.16.3.1 Designating an intraLATA and interLATA IXC(s) as primary carrier(s) thereby requiring no access code to access those IXCs' service. End users are not required to choose the same IXC for intraLATA and interLATA toll presubscription. Other nonpresubscribed IXCs are accessed by dialing 10XXX, 101XXXX, or other required codes.

2.16.3.2 Choosing no carrier as a primary carrier thus requiring 10XXX or 101XXXX code dialing to access all IXCs.

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

2.16.4 If a new customer cannot decide upon presubscription IXCs, the Company may extend a 30 calendar day period following completion of the initial service request to make a choice without charge. In the interim, the customer will be assigned as a 'No-PIC' and must dial an access code to make toll calls.

2.16.5 If an IXC elects to discontinue Feature Group, the IXC is obligated to contact, in writing, all end users who have selected the canceling IXC as their preferred toll provider. The IXC must inform the end users that it is canceling its Feature Group D Service, request that the end user select a new IXC, and state that the canceling IXC will pay the PIC change charge as provided herein (PIC Change). The IXC must provide written notification to the Telephone Company that this activity has taken place. Following the IXC's discontinuance of service, the Company will bill the canceling IXC the change charge for each end user that is currently designated to the IXC at the time of discontinuance (PIC Change).

2.16.6 An unauthorized PIC change is a change in the presubscribed IXC that the end user denies authorizing. PIC disputes for end users are resolved through an investigative process.

If an unauthorized change in toll presubscription occurs, the IXC making the unauthorized change will be assessed a charge for unauthorized change in presubscription as provided at the end of this section (PIC Change). In addition, the IXC will be assessed the applicable charge for returning the end user to the preferred IXC (PIC Change).

2.17 **Caller ID Blocking**

A calling party may block the passage of his/her telephone number, associated main listed name and voiceback of calling identification information to users or subscribers to Optional Central Office Services which utilize Signaling System 7 (SS7) technology. Blocking will also prevent call completion through the use of Return Call (*69) Service. Customers have two blocking options as follows:

2.17.1 Per-Call Blocking - To activate per-call blocking, a customer dials a special code prior to placing a call. Blocking will be activated for that outgoing call only. There is no charge for using per-call blocking, and it is provided on an

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

unlimited basis. Per-call blocking is available to all customers in the Company's serving territory, or

- 2.17.2 Per-Line Blocking - Per-Line Blocking must be added to a customer's line by contacting the Telephone Company's business office and having a service order issued. All calls are automatically blocked when a customer subscribes to Per-Line Blocking unless the blocking feature is deactivated. If a customer subscribes to Per-Line Blocking, he/she can deactivate blocking by dialing a special code prior to placing a call. Blocking will be deactivated for that outgoing call only. As facilities permit, a Per-Line Blocking customer will be provided with a separate code to deactivate blocking, which is different from the per call blocking code. Where this separate code is not available, the code for per-call blocking and the code to deactivate Per-Line Blocking will be the same. Per-Line Blocking is available to all customers in the Company's serving territory. Per-Line Blocking is provided without charge, except as discussed below.
- 2.17.3 Per-Line Blocking will be available to all customers, free of charge, in the Company's serving area and can only be added or removed from a customer's line by placing a service order with the Company. Initial requests for Per-Line Blocking will be provided at no charge. Subsequent requests for Per-Line Blocking for the same customer and telephone number at the same address may be charged the applicable non-recurring charge(s). This non-recurring charge will be waived for customers of the Company who are victims of domestic violence, the staffs of domestic violence programs and agencies, and emergency services personnel, while performing their jobs.
- 2.17.4 Customers who use either per-call blocking or line blocking may be unable to complete calls to Caller ID subscribers who have activated the Anonymous Call Rejection feature (ACR) of Caller ID services. If a customer using blocking calls a Caller ID subscriber who has activated Anonymous Call Rejection, he/she will hear an announcement that the Caller ID subscriber is not accepting blocked calls. There are several ways to complete a call to a Caller ID subscriber who has activated Anonymous Call Rejection: (1) place the call through an operator; (2) place the call on the Company's network using a Company's telephone calling card; or (3) place the call without blocking. Options (1) and (2) involve charges in addition to the cost of the call. However, the live operator surcharge will be waived for the Company's customers who are victims of domestic violence, the staffs of domestic violence program agencies and emergency service personnel, while in the

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

performance of their jobs. If the operator surcharge cannot be waived when the call is being placed, the Company will, upon notification, credit the live operator surcharge to the aforementioned party's telephone bill. Furthermore, should alternative methods become available in the future which permit the aforementioned to access the ACR party without revealing the caller's telephone number, the Company will waive any additional charges associated with such alternative methods. Blocked calls routed to the Anonymous Call Rejection (ACR) announcement will not be rated as completed calls.

2.17.5 Caller ID blocking will not prevent the delivery of telephone numbers to 911 emergency service providers. Caller ID blocking currently will not work for callers who place calls to 8xx, 900, and/or other information and message services carrying a specific charge billed to a caller by a local telephone company.

3. **DESCRIPTION OF SERVICES**

3.1 **Trial Services**

3.1.1 The Company may offer new services, not otherwise tariffed, from time to time on a trial basis subject to Commission approval. Such trials are limited to a maximum of six months at which time the trial offering must be either withdrawn or made available on permanent basis.

3.2 **Promotional Offerings**

3.2.1 The Company may offer existing services on a promotional basis, subject to Commission approval, that provides special rates, terms, or conditions of service. Promotional offerings are limited to a maximum of six months at which time the promotional offering must be either withdrawn or made available on a permanent basis. All promotions, regardless of whether services are given away for free, are subject to Commission approval. The Company may file a promotional offering on one days notice to the Commission.

3.3 **Individual Case Basis ("ICB") Offerings**

3.3.1 The tariff may not specify the price of a service in the tariff as ICB. The Company may or may not have an equivalent service in its tariff on file with

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

the Commission, and the quoted ICB rates may be different than the tariffed rates. An ICB must be provided under contract to a customer and the contract filed (can be under seal) with the Commission. All customers have non-discriminatory access to requesting the service under an ICB rate.

3.4 Customized Pricing Arrangements (“CPAs”) Offerings

3.4.1 The Company may offer CPAs to eligible customers. Each CPA is customized to meet the specific needs of a customer. Rates quoted are different from the tariffed rates. CPA rates must be provided under contract to a customer and the contract filed (can be under seal) with the Commission.

4. SERVICE CHARGES AND SURCHARGES

4.1 Charges for Service Order, Moves, Changes, and Customer Premises Visits

| | Base Charge | Additional Charge |
|--|--------------------|--------------------------|
| Service Charge for Premises Visit | \$100.00/hr. | \$175.00/hr. |
| Changes to Customer Definable Features | | |
| First three (3) requests during calendar month | No Charge | N/A |
| Fourth (4 th) and succeeding request during a calendar month | \$100.00/request | N/A |
| Record Order Change | \$75.00 | N/A |

Notes:

1. Service Charges for Premises Visits apply to visits to the Customer’s Premises by a Company employee, agent or contractor when the service difficulty or trouble report that initiated the visit results from the use of equipment or facilities provided by any party other than the Company, including but not limited to the Customer.

2. Service Charge for Premises Visits hourly rate is based on a two (2)-hour minimum, including travel time, during normal business hours (8:00am - 5:00pm local time, Monday through Friday). Additional charges will be based on a higher hourly rate that applies for each hour, or fraction thereof, that a Company employee, agent or contractor

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

spends at the Customer's Premises outside of normal business hours, or during weekends or holidays. The two (2)-hour minimum, at the higher hourly rate, applies to Premises Visits that begin before or end after normal business hours and on weekends and holidays. The Customer will be provided a schedule of hourly rates that apply outside of normal business hours and during weekends and holidays.

3. Charges for Changes to Customer Definable Features include, but are not limited to, requests for changes to Customer's definable features as described in Section 5.1.2. Charges apply to the number of requests for changes, not the number of changes per request.

4. Additional charges will apply for Customer request to move existing service. Such charges are dependent on the unique circumstances of each Customer and will be determined individually.

5. Record Order Change applies to Customer-initiated requests that involve changes in Company records.

5. **SERVICES**

5.1 **E9-1-1 Emergency Services**

9-1-1 Emergency Services are telecommunications services that permit a Public Safety Answering Point (PSAP) to receive emergency calls placed by dialing the number 9-1-1 and/or emergency calls originated by personal communications devices.

9-1-1 Emergency Services support interconnection to other telecommunications service providers for the purpose of receiving emergency calls originating in the other providers' networks. 9-1-1 Emergency Services include 9-1-1 Routing and Transfer Services that use a call management system to either directly perform the selective routing of an emergency call to the appropriate PSAP, or may be used to hand-off the call to a separate 9-1-1 Service Provider (possibly a legacy E9-1-1 Selective Router) for call completion to the appropriate PSAP. 9-1-1 Emergency Services also provide services of call bridging and post call activity reporting.

9-1-1 Emergency Services includes a comprehensive data management and delivery service, 9-1-1 ALI Services. 9-1-1 ALI Services provide PSAPs more control over ALI data management with highly accurate data and reporting. 9-1-1 ALI Services offer features such as "drill down" metric reporting

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

capabilities for wireline, wireless, and VoIP 9-1-1 calls. The solution includes a web interface for data queries and MSAG management.

9-1-1 Emergency Services are offered subject to the availability of facilities. The Customer is the Governing Body that orders service and is responsible for the payment of charges and compliance with the terms and conditions of this tariff.

9-1-1 Emergency Services are only available under contract with a minimum term agreement of one (1) year.

5.1.1 9-1-1 Routing Service

9-1-1 Routing Service is a public safety grade, specialized managed network for processing 9-1-1 calls that allows the PSAP to accommodate new technologies while simultaneously enabling more control over 9-1-1 call routing operations. The Company's solution utilizes a redundant, secure IP infrastructure. Facilities and nodes are geographically diverse and are equipped with physically redundant data communications and power equipment that allow for continuous operation and reliability. 9-1-1 Routing Service delivers emergency calls from both traditional and non-traditional voice networks. In addition to processing traditional TDM voice traffic, 9-1-1 Routing Service also provides IP based call processing capabilities.

The Company's 9-1-1 Routing facilitates interoperability and allows for specialized management of different call types. The Customer can designate, capture, and report on specific instructions for handling each of the following call types:

Wireline: Supports traditional wireline emergency calls originating from an end office, central office and/or enterprise PBX over standard based Centralized Automatic Message Accounting (CAMA), both analog and digital interfaces, SS7 and PRI interfaces.

Wireless: Supports delivery of wireless 9-1-1 calls to assigned PSAPs. Carriers having the capability to provide wireless handset ANI, cell site and sector and/or longitudinal and latitudinal (x,y) coordinates in the appropriate format, may connect directly to the 9-1-1 Routing Service.

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

VoIP: Supports delivery of VoIP emergency calls originating from a VoIP Service Provider. VoIP Service Providers capable of providing calls and data in the appropriate format can connect directly to the 9-1-1 Routing Service.

5.1.2 9-1-1 Routing Service Features

5.1.2.1 Automatic Number Identification (ANI)

ANI is the feature by which the telephone number or other related routing (pANI) number associated with an inbound 9-1-1 caller is received by the Company's 9-1-1 Emergency Services and passed on to the proper PSAP. The ANI is also used to determine the proper PSAP to receive the inbound call.

5.1.2.2 9-1-1 Routing Options

Selective Routing

The routing of a 9-1-1 call to the proper PSAP based upon the location of the caller. Selective Routing is typically accomplished by mapping the ANI to an ESN that has been derived based on the caller's location. The ESN maps to a specific routing rule that identifies the PSAP and possible alternative destinations.

Trunk Only Routing

Inbound trunks, typically from a given telecommunications carrier, can be designated to route all calls to a given destination, usually a specific PSAP. If Trunk Only Routing is not specified the system will attempt to perform Selective Routing.

Default Routing

When an incoming 9-1-1 call cannot be selectively routed due to the reception of an ANI number that is either not stored in the selective router data base, unintelligible ANI or when no ANI number is passed, a predetermined call route will be chosen and the caller will be terminated to the PSAP based upon the incoming trunk facility the call is passed over.

PSAP Abandonment Routing

If a situation arises where a PSAP must be closed or evacuated, this feature provides specific routing instructions for delivery of calls to recovery locations.

5.1.2.3 9-1-1 Transfer Options

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

Fixed Transfer

Fixed transfer is a feature that enables a PSAP call taker to transfer a 9-1-1 call to a secondary destination (possibly another PSAP) by dialing a pre-assigned speed dial code or by use of a single button on an approved Customer telephone system that dials the appropriate code.

Selective Call Transfer

Selective Call Transfer is a feature enabling a PSAP call taker to transfer an incoming 9-1-1 call to another agency by dialing a pre-assigned speed dial code associated with police, fire or medical agencies or by use of a single button on an approved Customer telephone system that dials the appropriate code. The specific transfer destination is determined by the caller's originating location as specified by the ESN.

Manual Transfer

A PSAP call taker may transfer an incoming call manually by depressing the hook switch of the associated telephone or the "add" button on approved Customer telephone system, and dialing either an appropriate seven or 10-digit telephone number.

Alternate Routing

The overflow call disposition transfer feature enables the ability for callers to be terminated either to a previously designated alternate call center, a prerecorded message or to a busy tone when all PSAP trunks are busy.

5.1.2.4 Call Event Logging

The call event logging feature delivers reporting information containing the ANI received from a 9-1-1 call, the identity of the incoming trunk the Selective Router received the call over, the identity of the outgoing PSAP trunk the call is terminated to, and the date and time the call was delivered to its target destination, transferred and/or disconnected.

5.1.3 9-1-1 ALI Services

5.1.3.1 MSAG Management

The Company provides a data management and administration tool that automates the viewing and communication of updates, insertions, and deletions to the MSAG database.

5.1.3.2 Database Standards Compliance

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

The Company acts as the facilitator with the addressing authority in the creation and maintenance of the MSAG utilizing recognized National Emergency Number Association (NENA) recommended standards.

5.1.3.3 Subscriber Record Management

Subscriber Record Management is the collection of service order records from Telephone Service Providers (TSPs), validation of those records against the MSAG, and storage of the records for the generation of the ALI database.

5.1.3.4 ALI Database Updates

After processing and validating subscriber record updates, the Company posts ALI records for call routing and for retrieval and display by the PSAP during 9-1-1 calls.

5.1.3.5 ANI/ALI Discrepancy Resolution

An ANI/ALI discrepancy occurs when an ALI record delivered to a PSAP does not match the information of the caller. The Company will investigate ANI/ALI discrepancy reports and refer each discrepancy to the respective TSP for resolution.

5.1.3.6 Misroute Resolution

An ANI/ALI misroute occurs when a 9-1-1 call is delivered to the incorrect PSAP. The Company investigates ANI/ALI misroute reports and refers each misroute report to the TSP for resolution.

5.1.3.7 No Record Found (NRF) Resolution

An NRF occurs when the ANI provided does not exist in the ALI database and/or when NRF is displayed at the PSAP. The Company will resolve or refer each NRF to the respective TSP for resolution.

5.1.3.8 Local Number Portability (LNP) Processing

The Company supports LNP, which allows subscribers to switch from one TSP to another without changing their phone numbers.

5.1.3.9 ALI Delivery

ALI Delivery provides location information via the ALI Data Access Connections to a PSAP during a 9-1-1 call.

5.1.3.10 Data Support of Wireless and VoIP E9-1-1

The Company's database management systems support both Phase I and Phase II wireless and VoIP E9-1-1 call processing. This includes the E2

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

interface used by wireless service providers to communicate 9-1-1 caller location information to the ALI database.

5.1.3.11 ALI Metrics Reporting

The Company provides access to reports that provide details on data transactions, the number of records processed, and the number of errors.

5.1.4 9-1-1 Routing Service Connection (Port)

9-1-1 Routing Service Connection ports allow the PSAPS to connect their public safety grade networks to the VESTA Router Service for 9-1-1 voice and data delivery.

5.1.5 ALI Data Access Connection (Port)

ALI Data Access Connection ports provide the PSAP networks access to the ALI Database for ALI Delivery.

5.1.6 Private Switch/Location Database Service Features

Private Switch/Location Database Service is available with the Service Feature Offerings described for 9-1-1 Service, above.

5.1.7 Trunk Features

The Company may provide Trunks and/or IP circuits, or Trunks and/or IP circuits may be obtained from either the local exchange carrier, or another facilities provider. If obtained from either the local exchange carrier or another facilities provider, the Company will provide the points of ingress where the TDM and/or SIP trunks may terminate. The Company may provide access lines.

5.2 **9-1-1 Emergency Service Rules and Regulations**

5.2.1 The 9-1-1 Emergency Services Customer may be a municipality, other federal, state or local governmental unit, an authorized agent of one or more municipalities or other federal, state or local governmental units to whom authority has been delegated (e.g., PSAP). The Customer must be authorized to subscribe to the service by the Governing Authority and have public safety responsibility to respond to telephone calls from the public for emergency police, fire or other emergency services within the served territory.

5.2.2 9-1-1 Emergency Services are provided by the Company where facilities and operating conditions permit.

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

- 5.2.3 9-1-1 Emergency Services are not intended as a total replacement for the local telephone service of the various public safety agencies that may participate in the use of this service. The Customer must subscribe to additional Local Exchange Services for purposes of placing administrative outgoing calls and receiving other calls.
- 5.2.4 Application for 9-1-1 Emergency Services must be executed in writing by the Customer. If execution is by an agent, satisfactory evidence of the appointment must be provided in writing to the Company. At least one local law enforcement agency must be included among the participating agencies.
- 5.2.5 9-1-1 Emergency Services are provided solely for the benefit of the Customer as an aid in handling 9-1-1 calls in connection with fire, police and other emergencies. The provision of 9-1-1 Emergency Services by the Company shall not be interpreted, construed, or regarded, either expressly or implied, as being for the benefit of or creating any relationship with or any Company obligation direct or indirect, to any third person or entity other than the Customer.
- 5.2.6 The Company does not undertake to answer and/or forward 9-1-1 or other emergency calls, but furnishes the use of its facilities to enable the Customer's personnel to respond to such calls.
- 5.2.7 The rates charged for 9-1-1 Emergency Services do not contemplate the inspection or constant monitoring of facilities that are not within the Company's control, nor does the Company undertake such responsibility. The Customer shall make such operational tests that are required in the judgment of the Customer. The Customer shall promptly notify the Company in the event the system is not functioning properly.
- 5.2.8 The Customer must furnish the Company its agreement to the following terms and conditions:
 - 5.2.9.1 All 9-1-1 or other emergency calls will be answered on a 24-hour day, seven-day week basis.
 - 5.2.9.2 The Customer has responsibility for dispatching the appropriate emergency services, or will undertake to transfer all emergency calls received to the governmental agency with responsibility for dispatching such services, to the extent that such services are reasonably available.

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

- 5.2.9.3 The Customer will develop an appropriate method for responding to calls for nonparticipating agencies that may be directed to their PSAP by calling parties.
- 5.2.9.4 The Customer will subscribe to Local Exchange Service at the PSAP location for administrative purposes, for placing outgoing calls, and for receiving other calls.
- 5.2.10 When 9-1-1 ALI Services are provided, the Customer is responsible to:
 - 5.2.10.1 Provide information regarding the jurisdictional boundaries associated with all involved public safety agencies.
 - 5.2.10.2 Support the creation of a master address file for use in validating user address information and application of appropriate jurisdictional responsibility.
 - 5.2.10.3 Define the unique combinations of public safety agencies (police, fire, medical, etc.) responsible for providing emergency response services in any specific geographic location.
- 5.2.11 When the 9-1-1 Routing is provided, the Customer is responsible for identifying primary and secondary PSAPs associated with the unique combinations noted herein and providing the access or telephone numbers required to support the selective transfer feature of 9-1-1 Routing Service.
- 5.2.12 After establishment of service, it is the Customer's responsibility to continue to verify the accuracy of the routing information contained in the master address file, and to advise the Company of any changes in street names, establishment of new streets, closing and abandonment of streets, changes in police, fire, emergency medical or other appropriate agencies' jurisdiction over any address, annexations and other changes in municipal and county boundaries, incorporation of new cities or any other matter that will affect the routing of 9-1-1 calls to the proper PSAP.
- 5.2.13 The following terms define the Customer's responsibilities with respect to any information provided by the Company to the Customer as part of 9-1-1 ALI Services:
 - 5.2.13.1 Such information shall be used by the Customer solely for the purpose of aiding the Customer in identifying, updating and/or verifying the addresses of

Issued: _____

Effective date: _____

Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

9-1-1 callers within the Customer's serving areas in connection with the Customer's provision of emergency response services.

5.2.13.2 Customer shall strictly limit access to the information to those authorized employees of the Customer with a need to know and those employees actually engaged in the provision of emergency assistance services.

5.2.13.3 Customer shall use due care in providing for the security and confidentiality of the information.

5.2.13.4 Customer shall make no copies of the information except as may be essential for the verification of emergency assistance services.

5.2.14 Each Customer agrees to release, indemnify, defend and hold harmless the Company from any and all loss, claims, demands, suits, and other action, or any liability whatsoever, whether suffered, made, instituted or asserted by the Customer or by any other party or person: (1) for any personal injury to or death of any person or persons, or for any loss, damage or destruction of any property, whether owned by the Customer or others, and which arises out of the negligence or other wrongful act of the Company, the Customer, its user agencies or municipalities or employees or agents of any one of them, or (2) for any infringement or invasion of the right of privacy of any person or persons, caused or claimed to have been caused, directly or indirectly, by the installation, operation, failure to operate, maintenance, removal, presence, condition, location or use of 9-1-1 Emergency Services and the equipment associated therewith, including, but not limited to, the identification of the telephone number, address, or name associated with the telephone number used by the party or parties accessing 9-1-1 Emergency Services hereunder, or (3) arising out of any act or omission of the Customer, in the course of using services provided pursuant to this tariff.

5.3 9-1-1 Emergency Services Rates & Charges

| | Monthly Rate Per Person Served |
|---------------------------------------|-----------------------------------|
| 9-1-1 Routing + 9-1-1 ANI + 9-1-1 ALI | \$0.120 |
| 9-1-1 Routing + 9-1-1 ANI | \$0.115 |

1. Persons Served is calculated by taking the county population as estimated by the U.S. Census Bureau data (<http://www.census.gov/popest/counties/>),. For Customers with PSAPs that serve an area that crosses county boundaries, or encompasses only a

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

portion of a county, the number of persons served will be determined based on a percentage of area served in each county. The number of persons served is subject to annual review and sizing using the most recent U.S. Census Bureau data.

2. 9-1-1 Routing Service and 9-1-1 ALI Service are provided as a package. Customer requests to obtain these services separately will be handled individually.

3. Additional charges will apply for 9-1-1 Exchange Access and ALI Data Access Connection, which are MultiProtocol Label Switching (MPLS) services and are offered under contract where, in the Company's judgment, suitable facilities are available (see Sections 2.3.9 and 2.3.10).

4. Additional charges may also apply for other Local Exchange Services offered under this tariff or by other local exchange carriers in connection with the provisioning of E9-1-1 service to the Customer.

5.4 **Communications Service Provider (CSP) E9-1-1 Access Service**

5.4.1 Description

CSP E9-1-1 Access Service is an offering that enables Customer to interconnect to Company's network at Company Points of Interconnection (POIs) for the delivery of Customer's end user 9-1-1 call to the appropriate PSAP.

5.4.2 General

5.4.2.1 The terms, conditions and rates for CSP E9-1-1 Access Service described in this Price List are applicable to Customers in the absence of an executed and validly effective interconnection agreement for similar services entered into by Customer and Company that is in effect prior to the effective date of this Price List, or until such time as there is an executed and validly effective interconnection agreement between the parties.

5.4.2.2 Where there is a conflict between this Price List and a validly executed and effective interconnection agreement between Customer and Company, the rates terms and conditions of such interconnection agreement shall control.

5.4.2.3 Customer and Company will comply with all applicable federal, state and local E9-1-1 service performance rules, including required grade of service.

5.4.3 Regulations

5.4.3.1 Network Arrangements

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

Customer will provide a minimum of one DS1 transport facility to a minimum of two (2) geographically diverse Airbus POIs that are dedicated for termination of Customers 9-1-1 calls to Company's network.

Customer will order from Company a sufficient number of DS1 and/or DS0 channel termination facilities (minimum of two DS0s) to terminate Customer-provided transport facilities at Company POI(s) using Company's Access Service Request (ASR) process.

Customer will use Signaling System 7 ("SS7") protocol on DS0 interconnections at Company's POI. Where SS7 protocol is unavailable, other types of interconnection signaling will be utilized on an ICB basis and may include additional Customer charges.

Customer is not permitted to deliver 9-1-1 calls to the Company's network that originate outside of Company's designated 9-1-1 serving area as defined by the Governing Authority, except as provided below:

1. Split Wire Center – Where Customer's wire center serves end users, some of whom are within Company's designated 9-1-1 serving area, and some of whom are within the designated serving area of another 9-1-1 Service Provider, and Customer does not have the technical capability to segregate 9-1-1 calls placed by end users within Company's serving areas and those calls placed by end user within the serving area of another 9-1-1 Service Provider, Company, Customer and the other the 9-1-1 Service Provider will coordinate with the affected Governing Authority(ies) to: (i) establish call handoff arrangements; (ii) establish which E9-1-1 Service Provider will be directly interconnected with the split wire center to segregate calls necessary for handoff to the other E9-1-1 Service Provide; and, (iii) establish which E91-1 Service Provider will receive call handoffs.

2. Customer is responsible for all costs associated with Split Wire Center call delivery that is described above, including costs incurred by Company to accommodate Split Wire Center call delivery from the Customer that must be delivered to another E9-1-1 Service Provider.

5.4.3.2 Dynamic ANI/ALI Arrangements

Customer must enter into a separate "Dynamic ANI/ALI Data and Steering Agreement" with Company that describes the terms, conditions and

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

methodology required in order to interconnect Customer's Dynamic ANI/ALI links to Company's ALI system(s).

If Customer uses a third party Dynamic ANI/ALI provider, such third party Dynamic ANI/ALI provider must enter into a separate "Dynamic ANI/ALI Data and Steering Agreement" that describes the terms, conditions and methodology required for the third party Dynamic ANI/ALI provider to interconnect their respective Dynamic ANI/ALI links to Company's ALI system(s).

5.4.4 Record Processing Regulations

5.4.4.1 General

Upon receiving Customer's written request, Company will provide one (1) copy per year of the Governing Authority's most current MSAG at no charge. Customer requests for additional copies may be subject to a charge.

Company will make available daily MSAG updates for retrieval by Customer using Company's Delta MSAG process for MSAG updates. It is the responsibility of the Customer to provide MSAG-valid addresses on all Customer records submitted by Customer.

5.4.4.2 General ANI/ALI Data Management Regulations that are applicable to all ANI/ALI delivery methods

Customer will provide to Company one (1) time per year, at no charge, an electronic file containing all active Customer end user records and/or Shell Records for comparison to the Customer information stored in the Company's ANI/ALI database.

After initial load of Customer's end user records or Shell Records, Customer must update such records on a daily basis as changes warrant. Additions, deletions or changes must be submitted to Company within one (1) business day of service transaction.

To facilitate E9-1-1 record processing and error resolution, Customer and Company will each provide the other contact information for their respective database administration organizations.

5.4.4.3 Standard ANI/ALI Data Management

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

End user records provided by Customer must be delivered in a NENA compliant format and must be compatible with Company's ALI Data.

Company will return to the Customer all end user records that fail E9-1-1 processing. Customer will retrieve, correct and resubmit returned end user records failing E9-1-1 processing to Company within one (1) business day.

Company will not charge Customer for end user record loading and E9-1-1 processing. Customer shall provide at no cost to Company Customer end user records and resubmitted end user records that were returned for corrections.

5.4.4.4 Dynamic ANI/ALI Data Management

Customers using Dynamic ANI/ALI Call Delivery must obtain a sufficient quantity of pANIs to maintain a P.01 grade of service. Where possible, pANI assignments should be obtained in sequential blocks of numbers.

Customers using Dynamic ANI/ALI E9-1-1 Call Delivery must obtain pANI assignments from pANI administration entities authorized through regulatory directives and industry-developed guidelines.

5.4.5 Customer Responsibilities

5.4.5.1 Except as provided in Sections 5.6.2.1 and 5.6.2.2, the CSP E9-1-1 Access Service Customer responsibilities described in this section are in addition to all other applicable Customer responsibilities described in other sections of this Tariff.

5.4.5.2 Applications for establishment of CSP E9-1-1 Access Service must be made via Company's ASR process.

5.4.5.3 Customer will provide contact information for technical assistance that will be available on a 24 hour, 7 day a week, basis, to assist with emergency service call tracing and/or problem resolution.

5.4.5.4 Customer will provide Company an Access Carrier Name Abbreviation (ACNA) and an Operating Company Number (OCN) when ordering CSP E9-1-1 Access Service.

5.4.5.5 Customer will provide Company with the 11-character Common Language Location Identifier (CLLI) designation for each Customer's POP, or an E9-1-1 Facility CLLI Code.

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

5.4.5.6 Customer will inform the Company Network Operations Center (NOC) of any 9- 1-1 service-affecting network or data problem immediately upon detection of such problem by Customer, and shall fully cooperate with Company to resolve and correct such problems.

5.4.5.7 Customer must respond within one (1) business day to Company inquiries sent to Customer for resolution of misrouted emergency calls.

5.4.5.8 CSP will establish point(s) of contact for activities involving rearrangement of facilities and/or activities affecting Customer’s POI, or any changes involving NPA splits or Customer end user SOI data.

5.4.6 Company Responsibilities

5.4.6.1 Except as provided in Sections 5.6.2.1 and 5.6.2.2, Company responsibilities described in this section are in addition to all other applicable Company responsibilities described in other sections of this Tariff.

5.4.6.2 Company will provide Customer with the 11-character CLLI code for POI where Customer’s transport facilities will be terminated on Company’s network.

5.4.6.3 Company will maintain diversity when terminating Customer trunks at Company’s POI in order to eliminate single points of failure.

5.4.6.4 Company will provide Customer with Company NOC contact information that is available on a 24-hour, 7-day a week basis to assist with trunk testing and/or resolution of problems on facilities between Customer POPs and Company POIs.

5.4.6.5 Company will administer ALI steering tables for all Customers using Dynamic ANI/ALI call delivery.

5.4.7 CSP E9-1-1 Access Service Rates and Charges

|--|---------------------|-----------|
| Annual Copy of MSAG | | |
| Initial Copy | No Charge | No Charge |
| Additional Copies in Same Year | | N/A |
| 500,000 or Fewer TNs* in Extracted Data Sets | \$500.00 per copy | N/A |
| 500,001 to 1,000,000 TNs | \$700.00 per copy | N/A |
| 1,000,001 to 2,000,000 TNs | \$900.00 per cop | N/A |
| More than 2,000,000 TNs | \$1,100.00 per copy | N/A |

*Telephone Numbers

- Notes:
1. If Customer is unable to use SS7 protocol, another type of interconnection signaling will be considered but may result in additional nonrecurring and/or monthly recurring charges depending on the unique circumstances of Customer and the type of signaling protocol requested.
 2. Copies of the Government Authority's current MSAG beyond the initial copy, which is provided without charge, are subject to a nonrecurring charge per copy that is based on the number of Telephone Numbers (TNs) that are in the extracted data sets in the MSAG .

5.4.8 CSP E9-1-1 Transport Service

5.4.8.1 Description

CSP E9-1-1 Transport Service permits Customers to use Company-provided transport facilities to deliver 9-1-1 calls placed by Customer's end users to Company's Selective Router for termination to the appropriate PSAP.

5.4.8.2 General

The terms, conditions and rates for CSP E9-1-1 Transport Service described in this Tariff are applicable to Customers in the absence of an executed and validly effective interconnection agreement for similar services entered into by

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

Customer and Company that is in effect prior to the effective date of this Tariff, or until such time as there is an executed and validly effective interconnection agreement between the parties.

Where there is a conflict between this Tariff and a validly executed and effective interconnection agreement between Customer and Company, the rates terms and conditions of such interconnection agreement shall control.

CSP E9-1-1 Transport Service is available to Customers using a third party to aggregate and/or transit and transport 9-1-1 calls placed by Customer's end users to a Company Meet-Point that is not physically located at a Company POI on Company's network.

The delivery of Customer's end user 9-1-1 calls to a Company Meet- Point by a third party aggregator or transit provider constitutes Customer's acceptance of the terms, conditions and rates described in this Tariff.

Customer and Company will comply with all applicable federal, state and local E9-1-1 service performance rules, including required grade of service.

5.4.8.3 Regulations

Customer shall ensure that the third party aggregator or transit provider delivering Customer's 9-1-1 traffic to Company's Meet-Point does not co-mingle Customer's wireline and wireless 9-1-1 traffic over a common trunk group.

Company's liability, including but not limited to liability for personal injury, interruption of service, failure, errors, acts of omission or other liability of any kind related to the provision of CSP E9-1-1 Transport Service shall be limited to the same extent as set forth elsewhere in this Tariff.

Customer and Company will comply with all applicable federal, state and local E9-1-1 service performance rules, including required grades of service.

5.4.8.4 Customer Responsibilities

Except as provided in Section 5.6.8.2., the CSP E9-1-1 Transport Service Customer responsibilities described in this section are in addition to all other applicable Customer responsibilities described in other sections of this Tariff.

Customer using CSP E9-1-1 Transport Services will provide Company with sufficient information for Company to invoice/bill Customer for such service.

Issued: _____

Effective date: _____

Paula Pileggi, General Counsel
Airbus DS Communications, Inc.
42505 Rio Nedo
P.O. Box 9007
Temecula, CA 92590

Customer will provide contact information for technical assistance that will be available on a 24 hour, 7 day a week, basis, to assist with emergency service call tracing and/or problem resolution as necessary.

Customer will inform the Company Network Operations Center (NOC) of any 9-1-1 service-affecting network or data problem immediately upon detection of such problem by Customer, and shall fully cooperate with Company to resolve and correct such problems.

5.4.8.5 Company Responsibilities

Except as provided in Section 5.6.8.2., Company responsibilities described in this section are in addition to all other applicable Company responsibilities described in other sections of this Tariff.

Company will provide Customer with Company NOC contact information that is available on a 24-hour, 7-day a week basis to assist with trunk testing and/or resolution of problems on facilities between Customer POPs and Company POIs.

5.4.8.6 CSP E9-1-1 Transport Service Rates and Charges

| Nonrecurring Charge | Monthly Recurring Charge per DS0 (minimum two DS0s) |
|---------------------|--|
| \$150.00 | \$35.00 |

Note 1: Nonrecurring charge applies to each order for Transport Service.

Note 2: Minimum two DS0s applies to initial order for Transport Service.

6. SERVICE AREAS AND MAPS

Due to the actual or potential mobility of our Customers' end users, the Company proposes to serve the entire State of Pennsylvania. As such, the Company has only one price for each service element and the rate is not differentiated by the end user's location within an exchange. For clarity and accuracy, the calling areas are listed by local operating company and incorporate by reference the calling areas as described by the respective local operating companies in the future. The Company's service area(s) maps are identical to those on file, if any, for the local exchange companies listed below.
