Dear Rosemary Chiavetta,

Geneva Truck & Equipment, Inc. ceased operating under our own authority on November 22, 2015. Our trucks are now leased on the Universal Truckload Services, Inc. out of Warren Michigan.

Universal Truckload takes care of all licensing and insurances for our trucks.

We notified the PUC by letter in November 1, 2015 of our intent to cease operations on the 22nd. I apologize for any confusion on this matter and I hope this clears things up.

Sincerely,

James Hafer, President
