A-00114325

Dear Respondent:

On September 15, 2000, the Bureau of Transportation and Safety instituted a complaint against Lester Hylton, t/a Hylton Delivery Service, respondent, alleging failure to maintain proper evidence of current insurance in violation of the Public Utility Code. The respondent was duly notified that if acceptable evidence of insurance or an answer was not filed, the Bureau would request that the Secretary of the Commission revoke the certificate of public convenience issued to the respondent at A-00114325.

The complaint and notice were served on the respondent on or about September 18, 2000. On September 25, 2000, respondent notified this Commission that he is no longer in operation.

Therefore, the complaint at A-00114325C0001 is hereby sustained and the right(s) and the certificate of public convenience issued to the respondent at A-00114325 be and are hereby revoked; and the respondent has no other operating authority. The respondent is hereby notified to cease and desist from providing service previously authorized under the certificate of public convenience.

Very truly yours,

James J. McNulty  
Secretary
