In re: A-00114293 - Application of Leon McWilliams, t/a Nicky Moving & Storage - Verified statements indicate a need to file "property" application.

Dear Mr. McWilliams:

Two of the verified statement submitted indicate that you will be transporting other than household goods in use. Those two statements are from Kroungold's Furniture and Dr. Everod Coleman. The household goods in use refers to the removal of household goods in use from one domicile to another.

This does not include the removal of office furniture in use from one office to another as supported by Dr. Coleman.

This also does not include the transportation of furniture from Kroungold's Furniture from store locations to its customers' homes nor the transportation of Kroungold's Furniture to its store or from its store to customers.

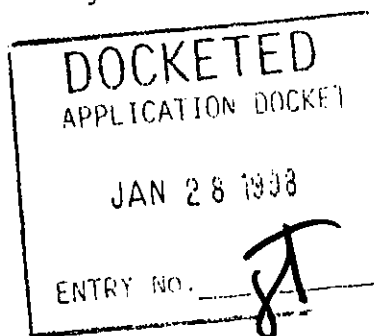

The transportation discussed above is property. I am enclosing a property application for your convenience.
