I, Janice E. Paul upon installation of new gas meter installed April 12, 2016 by National Fuel to outside of my home @ 3167 W. 24th St. due to my frailty handicapped condition, knowing full well after living here 30 yrs. do not use any more gas, due to my total obligation of insulation, new furnace, windows. I had installed several years ago, through a home equity loan. I've been paying off for 14 yrs

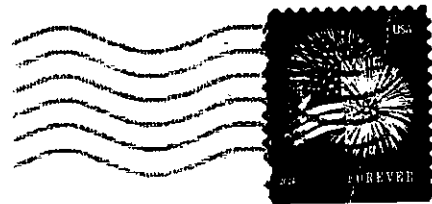

I never received a voucher from National Fuel, that my rates will not go up (to pay for the new meter installation) since I've been a widow for 18 yrs. and use little utilities, get Pensler, and N. Fuel assure me of using more fuel that I do use. Maybe now, the harassment will stop.

*Sincerely
Janice E. Paul*
