**Re: C-2016-2537201**

Mr. Swindler,

Please review the enclosed documentation as we attempt to avoid the fine imposed under Complaint #C-2016-2537201.

As stated herein, we have carried the required Cargo coverage which is the subject of this complaint. However, the insurance company failed to make the correct filing but has since done so, see their Form H enclosed. This occurred because the insurance company does not routinely make Cargo filings in PA and it got overlooked despite timely notification by our insurance agent.

Please advise if we can avoid the fine imposed by this complaint because ALWAYS TRUCK N LLC did what we were supposed to do by purchasing the Cargo coverage and requesting the filing.

Kindly let me know if you need anything further to help get this resolved in our favor.

Thank you very much for your attention to this matter and we look forward to your response.

Sincerely,

Judy Snyder  
Always Truck N LLC
