Language has been modified in Rule No. 45 Supplier Switching and Rule No. 45.1 Switching Protocols to comply in part with Commission Order dated August 20, 2015, at Docket No. P-2015-2491265 which granted Duquesne Light Company a waiver to implement its Phase II Off-Cycle Switching Solution until September 1, 2016.

RULES AND REGULATIONS - (Continued)

GENERAL PROVISIONS – (Continued)

**45. SUPPLIER SWITCHING** The Company will accommodate requests by customers to switch EGSs in accordance with 52 Pa. Code, Chapter 57, Subchapter M "Standards for Changing a Customers Electricity Generation Supplier;" with the exception of those customers currently noted in Rule No. 45.1 Switching Protocols (C)  
~~as the Company was granted a waiver of implementation until September 1, 2016, per Commission Order entered August 20, 2015, at Docket No. P-2015-2491265. Pursuant to the Commission's Final Omitted Rulemaking Order at Docket No. L-2014-2409383 — Rulemaking to Amend the Provisions of 52 Pa. Code, Chapter 57 Regulations Regarding Standards For Changing a Customer's Electricity Generation Supplier (the Order), the Switching Protocols have been modified to eliminate the waiting period for a switch and allow more than one Electricity Provider during a billing cycle. Customers are permitted to purchase electricity from up to two (2) Electricity Providers per billing cycle.~~ (C)

Customers who elect to return to the Company from an EGS will return at the charges of the applicable rate.

~~Also, in In compliance with the Commission's Order at Docket No. L-2014-2409383, the Company shall preserve all records relating to unauthorized change of EGS or change to Default Service disputes for three (3) years from the date the customer filed the dispute. These records shall be made available to the Commission or its staff upon request.~~ (C)

Switching by customers shall occur in accordance with the direct access procedures, and in accordance with the provisions contained in this Tariff and the Company's EGS Coordination Tariff.

**45.1 SWITCHING PROTOCOLS** For all customers except those noted below, upon receipt of the request by the Company from the customer or authorized party to change Electricity Providers, the Company shall send an electronic notification to the selected EGS and a confirmation letter to the customer on the first business day after the enrollment is received. This notification requirement may not apply when a Commission-approved program requires the Company to initiate a change in EGS service. The Company will process the transaction for a switch from an EGS and will assume any rescission period with the EGS has ended. (C)  
~~If the Company has not processed a switch request within the current billing cycle, the~~ (C)  
~~The Company will process the selection within three (3) business days of receipt of the request and billing with the selected Electricity Provider will begin on the fourth business day. If the Company has processed a switch request within the current billing cycle, the change to the subsequent Electricity Provider will be effective as of the customer's next scheduled meter read date to the extent that the request is received at least four (4) business days prior to the meter read date. The Company will process the transaction for a switch from an EGS and will assume any rescission period with the EGS has ended.~~ (C)

When a customer contacts the Company to request a change from the customer's EGS to Default Service, the Company shall inform the customer that there may be a penalty to cancel service with the EGS. Subsequent to this notice and upon express or written consent from the customer, the Company shall enroll the customer in Default Service in accordance with the switching protocols set forth above.

Customers on retail tariff rate schedules SE - Street Lighting Energy, SM - Street Lighting Municipal, SH - Street Lighting Highway, PAL - Private Area Lighting, UMS – Unmetered Service, Rider No. 9 – Day-Ahead Hourly Price Service, Rider No. 9 – Day-Ahead Hourly Price Service customers that have been shopping for less than four (4) consecutive billing periods, Rider No. 13 - General Service Separately Metered Electric Space Heating Service, Rider No. 21 - Net Metering Service, and summary bill customers who receive service at many different meter points in the Company's service territory and receive one summary bill for all meter points shall be permitted to change Electricity Providers only on their billing cycle date.

For all changes to an EGS, the EGS will become the EGS of record for delivery provided that: (1.) all required information is provided to the Company including the customer's name, service address, supplier agreement identification number, proposed EGS and confirmation that the proposed EGS has agreed to provide the services
