IMPORTANT NOTICE
Pennsylvania Public Utility Commission (PUC)
Informational Update Needed

SF

A-00114277

Effective January 1, 2007, the Unified Carrier Registration (UCR) Act, 49 U.S.C. §14504a, requires motor carriers, operating commercial motor vehicles¹ in interstate commerce, to register under the UCR Act and pay fees based on the size of their fleet. Pennsylvania, through the PUC, will participate in the UCR program beginning January 1, 2008. After this date, PUC assessments will not be made against qualified operations of UCR carriers.

You are directed to advise the PUC whether you operate commercial motor vehicles in interstate commerce and are therefore required to register under the Federal UCR Act.

If you operate a commercial motor vehicle in interstate commerce, complete the following:

COUGLE, T. J. TRUCKING, INC. ✓
PO BOX 389
EMMAUS, PA 18049
122 S 16TH ST
EMMAUS PA 18049

The above referenced company operates a commercial motor vehicle in interstate commerce.

U.S. DOT Registration # 563800 ✓

MC/MX Registration # ICCMC# 275051 ✓

PUC Certificate of Public Convenience - A-00114311

I certify that the information reported is accurate and correct as of 11/07/2007

You must return this informational sheet before November 1, 2007 by mailing it to PA PUC, P.O. Box 3265, Harrisburg, PA 17105-3265 or you may FAX the form to us at 717-783-8052. For your convenience, a preaddressed envelope is enclosed. Failure to provide the requested information by the deadline will result in a determination that you are not covered by the UCR.

Further information on the Federal UCR Act can be found at www.ucr.in.gov. We strongly encourage you to visit this web site to learn more about the UCR program and the impact upon your operations.

¹ A "Commercial Motor Vehicle" is defined as a self-propelled or towed vehicle used on the highways in commerce principally to transport passengers or cargo, if the vehicle:
(a) has a gross vehicle weight of 10,001 pounds or more;
(b) is designed to transport 11 or more passengers (including the driver); or
(c) is used in transporting hazardous materials in a quantity requiring placarding.
