Re: Application of Reading City Cab, LLC
Docket No. A-2015-2524649

Dear Judge Salapa:

I represent 3 of the Protestants (Reading Yellow Cab, Reading Metro Taxi, and Reading Checker Cab) in the above-referenced proceeding. The matter is presently scheduled for an initial hearing before you on June 13 @ 10:00 a.m. I planned to be out of state on client business from Thursday through Sunday of the prior week but very recently learned that my presence is required until Tuesday so I won't be able to return until late in the evening of the 14th. I have solicited the opinion of all counsel to determine if anyone has an objection to a request for a continuance. My colleagues, Randall Hurst, Esquire, Thomas Niesen, Esquire, and Kenneth A. Olsen, Esquire, have no objection to the request. I've reached out to counsel for the Applicant, John W. Sweet, Esquire, via telephone and email but have yet to receive a response from him.

The parties are still in the discovery stage of the proceedings and I expect that they will be through at least the first week of June. Therefore, in view of the same and my unavailability I would respectfully request a continuance of the June 12, 2016 hearing in this matter to a later date.

Lastly, without being presumptuous and in an effort to minimize the risk of further conflict I've solicited possible conflict dates from my colleagues and present them along with my own as follows:

Ken Olsen: scheduling conflicts on June 16 & 24, June 27 - July 8, August 11-18-22, and Sept. 5-9.

Randy Hurst: scheduling conflicts on June 23, 24 & 27

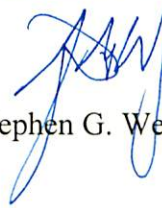

S. Welz: scheduling conflicts June 28-July 1

By way of copy of this letter I am confirming this request to all other counsel.
