Damaged, Lost or Late Claims

In the event that your package is damaged, lost or late, please contact the Staples® Ship Center Claims Department at 1-800-797-5924.

All late claims must be called into the Staples Ship Center Claims Department within 15 days of the expected delivery date. Keep ALL packaging materials and this invoice, as well as proof of value for Damaged or Lost packages. Claims take 2 to 6 weeks for review and payment (if approved).

I understand/agree that:

- 1. I am subject to all Staples and UPS and USPS Terms and Conditions for shipping packages. Ask a Staples associate for details.
2. Staples reserves the right to inspect any package shipped.
3. Staples will not be liable for damage to packages improperly packed, unless my receipt shows that I paid for Staples to pack the package.
4. Staples will not ship any hazardous materials or other restricted items. Refer to the list posted at the Ship Center counter.
5. I may elect to pay an additional fee (as specified on this receipt) to add my package to Staples' parcel insurance. This election is entirely optional, and any fees do not include any markup by, or commission payment to, Staples. This option is offered as part of our Ship Center services and does not provide insurance to you, and you are neither an insured nor an additional insured under Staples' parcel insurance.
6. UPS Shipments only: Any claims or disputes resulting from my election to add my package to Staples' parcel insurance must be pursued in arbitration, not in any court proceeding, and must be pursued on an individual basis only, not in any form of class or representative action, either in arbitration or court. The complete terms and conditions regarding individual binding arbitration are available at any Staples Ship Center.
7. If I elect to add my package to Staples' parcel insurance, Staples' liability on any claim for loss or damage shall not exceed the lesser of (a) the insured value, (b) repair cost, (c) actual cost, (d) replacement cost, or (e) invoice price (where the shipped property has been sold). In all other cases, Staples' liability shall not exceed the maximum liability for loss or damage under UPS or USPS Tariff/Terms and Conditions of Service.
8. International packages may be subject to duties, taxes and brokerage fees as determined by the destination country, to be paid by the receiving party. These duties and taxes cannot be prepaid or estimated by Staples.
9. If a package is returned to the store due to providing an incorrect Ship To address or the package is refused by the recipient, domestic packages will be charged at \$10 fee upon package pick up; international shipments will be charged the full cost of return delivery.

By signing this receipt, you acknowledge that Staples will NOT ship any hazardous materials or other restricted items, and you affirm that any package you have packed and offered to Staples for shipment does not contain such contents. You further acknowledge and agree to adhere to the Staples Ship Center Guidelines posted at the Ship Center counter, including (without limitation) the prohibition against shipping hazardous materials.
