Docket No. C-2016-2542028

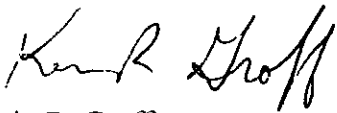

To whom it may concern:

This is my "ANSWER" to the complaint filed against me, Kevin R. Groff titled "PPUC/BI&E vs. Kevin R. Groff.

Two days ago I spoke with an individual on the phone at PUC concerning this complaint against me. I told her that I have not been in business for over two years already and that my DOT and MC authorities were either cancelled or changed to a new business name in which I did not remain partner with. So I have not operated in business now for over two years. Prior to that I did file my PUC filings as necessary so long as we were operating. I never violated anything.

It is my belief that this complaint is not valid and that I should not be held liable for any fines.

Thank you,

Kevin R. Groff
