To Whom It May Concern:

This letter is in response to the complaint (C-2016-2526985) that was received at our office due to non-filing of the Form F from our Insurance provider. They filed the Form H in a timely matter but mistakenly omitted the Form F. There was no lapse in coverage. This was an unintentional incident.

The complaint was served on February 16, 2016 and we received a Notice to Lift Suspension on February 26, 2016 so I was not aware that I still needed to respond further. I respectfully apologize for this delay.

Sincerely,

Glenn L. Seward
Owner
