Dear Mr. Welch:

Your application has been reviewed and published in the Pennsylvania Bulletin. No comments have been received; Therefore,

YOU ARE ADVISED THAT:

Your certificate of public convenience is enclosed.

You are granted authority to operate as follows:

To transport, as a motor common carrier, property, excluding household goods in use, between points in Pennsylvania.

If you have not previously submitted a copy of current satisfactory safety rating from the U.S. Department of Transportation or another state with safety regulations comparable to Pennsylvania, you must demonstrate safety fitness by completing a Safety Fitness Review which will be scheduled by a PUC enforcement officer within 180 days of the date your certificate of public convenience is issued/entered. Failure to submit to the Safety Fitness Review will result in dismissal of your application.

Very truly yours,

  
James J. McNulty  
Secretary
