Re: Enerwise Global Technologies, Inc., d/b/a CPower, Inc. Application to Renew
Registration as a Conservation Service Provider (Docket No. A-2012-2297625)

Dear Ms. Chiavette:

In accordance with Enerwise Global Technologies, Inc.'s continuing obligation to update the Pennsylvania Public Utility Commission ("Commission") on changes to its application to renew registration as a Conservation Service Provider under Commission's Final Order of February 5, 2009 (Docket No. M-2008-2074154), CPower hereby gives notice to the Commission that on April [29], 2016, Enerwise acquired all of the capital stock of EnergyConnect Group, which wholly owns EnergyConnect, Inc. ("EnergyConnect"). As a result, Enerwise owns EnergyConnect and EnergyConnect continues to operate as a separate corporate entity. Enerwise will provide any necessary updates to relevant information with respect to its application shortly.

In addition, EnergyConnect has a license as a Broker/Marketer (Docket Number A-2015-2461133) and is an active Conservation Service Provider (Docket No. A-2009-2091309) in Pennsylvania. EnergyConnect also will provide any necessary updates to relevant information with respect to its applications shortly.
