RE: Security Requirement Atlantic Energy MD, LLC d/b/a Atlantic Energy

Dear Leonard,

Pursuant to 66 Pa. C. S. § 2208 (c), an applicant for a natural gas supplier license in the Commonwealth of Pennsylvania must furnish security to each utility where the supplier will do business to ensure the financial responsibility of such natural gas supplier. To this end, National Fuel Gas Distribution Corporation ("National Fuel") will perform a credit review and analysis of Atlantic Energy MD, LLC d/b/a Atlantic Energy ("AE") and determine at the appropriate time whether AE must post a security deposit acceptable to National Fuel in order to operate as a supplier on National Fuel's system.

AE's security requirement to serve Pennsylvania customers is dependent on the type of transportation service utilized by AE. There is no Natural Gas Supplier (NGS) security requirement for customers that will be enrolled in National Fuel's Purchase of Receivable (POR) program. As such, AE will not be required to post security for customers enrolled in the POR program. A security deposit will be required for transportation customers not enrolled in the POR program.

Should you have any questions concerning the above, please contact me at 716-857-7599.

Yours truly,

Re: Bonding Requirements

PECO is aware that Atlantic Energy MD, LLC has applied for a license to provide brokering and consulting services to commercial and industrial customers on the distribution system of PECO.

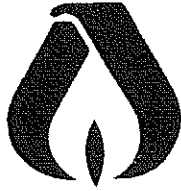

In making such an application, Atlantic Energy MD, LLC could be required to provide to PECO a bond or other acceptable financial security in an amount that PECO determines to be appropriate. Atlantic Energy MD, LLC have indicated that it intends to provide only brokering and consulting services to commercial and industrial customers will not take title to any delivered natural gas; nor will accept any customer payments or deposits. Therefore, PECO has determined at this time that Atlantic Energy MD, LLC do not need a bond or other financial security requirement, since they are not directly engaging in business with PECO and only providing brokering or consulting services to PECO customers. However, if the services provided by Atlantic Energy MD, LLC or the creditworthiness requirement for PECO's exposure to Atlantic Energy MD, LLC changes in the future, PECO reserves the right to require Atlantic Energy MD, LLC to provide a bond or other financial security instrument.

If you should have any questions regarding this matter, please contact Chris Sauerbaum at 215-841-6422 or myself at 215-841-6452.

Respectfully submitted,

**RE: Atlantic Energy MD, LLC**

Dear Mr. Gruin:

We understand that Atlantic Energy MD, LLC has applied with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania including our company's service area.

Because Atlantic Energy MD, LLC intends to only provide natural gas aggregating, brokering and consulting services at this time, we have determined that Atlantic Energy MD, LLC will not be required to post a bond or other form of financial security instrument to provide these services in our service area. However, if the services provided change in the future, we reserve the right to require security from Atlantic Energy MD, LLC as deemed appropriate.

If you have any questions, please contact Mrs. Marjorie Johnston at 570-888-9664.

Dear Mr. Scarola:

We are pleased that Atlantic Energy MD, LLC has applied for a license to provide natural gas services on the Peoples Group of Companies. Specifically you have requested to be licensed as a supplier on the distribution systems of Peoples Natural Gas Company LLC, Peoples TWP, and Peoples Natural Gas LLC – Equitable Division (“the Companies”).

Since Atlantic Energy MD, LLC is not currently operating a Pool on the Peoples systems, we have determined at this time that Atlantic Energy MD, LLC does not need a bond or other financial security requirement to provide these services to the Company’s customers.

If a Pool is established which alters the creditworthiness requirement or the Company’s exposure to Atlantic Energy MD, LLC provision of services on the Peoples’ system changes in the future, the Companies may deem it appropriate to require a bond or other financial instrument.

If you have any questions feel free to contact me at 412-208-6528 or by email at [Lynda.W.Petrichevich@peoples-gas.com](mailto:Lynda.W.Petrichevich@peoples-gas.com).

RE: Security Requirement Bond - Supplier

Dear Mr. Gruin:

Philadelphia Gas Works ("PGW") is aware that Atlantic Energy MD, LLC has filed an application with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania and specifically within the services territory of Philadelphia Gas Works.

As you know, in making such an application, Atlantic Energy MD, LLC, must furnish acceptable security to each utility where Atlantic Energy MD, LLC will do business. As such, under its tariff, Philadelphia Gas Works could require Atlantic Energy MD, LLC to provide a bond or other financial security instrument in an amount that Philadelphia Gas Works determines to be appropriate.

However, since you are just beginning the process with the PAPUC and the Philadelphia Gas Works to become a supplier, the Philadelphia Gas Works, at this time, will not require any type of bond or security.

If circumstances should change during the vetting of the application, Philadelphia Gas Works reserves the right to require security from Atlantic Energy MD, LLC as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at (215) 684-6278.

Sincerely,
