SECRETARY'S BUREAU

Dear Ms. Chiavetta,

We have received the recent complaint filed by the Bureau of Transportation and Safety – DOCKET NO. C-2016-2545570 – for failure to maintain evidence of insurance on file with the Pennsylvania Public Utility Commission.

We have been in compliance with our insurance coverage since our inception. We have since been told that our carrier was not aware of the need for a Form E filing with the PUC.

We contacted our broker on 4/12/2016, when we received instructions concerning the Form-K filed by our prior insurance carrier. After contacting our insurance company, our broker assured us that our insurance carrier had checked the filings and all was in order.

We apologize for the failure of our broker and insurance company to file proper evidence of our current insurance.

It is our understanding that our current insurance carrier has fulfilled their obligation of filing with the Commission and our broker confirmed that with you on 06/01/2016.

We are requesting the \$500.00 fine be waived as we have been in compliance at all times with the required insurance coverage and did all that was in our power to comply with the filings by asking our broker and insurance carrier to file as required. We would have filed ourselves had that been allowed; it is our understanding that you will only accept this information directly from the insurance company.

Sincerely,

A-tech Logistics Inc.
