Dear Ms. Travitz:

Canterbury International intends to initially hire 2 full time drivers and one part-time driver. All drivers will be required to pass pre-employment drug testing, motor vehicle driving record review, and a driver's physical. Additionally, all employees will be subject to criminal background checks.

Drivers will be required to pass a road test.

Canterbury International is a "Drug Free Workplace"

All drivers will be trained to comply with all of the Safety Fitness Requirements of the Pennsylvania Public Utility Commission, The Federal Motor Carrier Safety Regulations, and US DOT Regulations as required.

Policies and procedures will be implemented to insure compliance with all of the above regulations.

Additionally, an in-house Safety Program will be established in association with our insurance carrier, Vanliner Insurance.
