To Whom it may concern:

The Compliance Secretarial Letter or Commission Order set forth specific insurance requirements which were to be met before the Commission would issue a certificate of public convenience evidencing the right to operate as a motor carrier within the Commonwealth of Pennsylvania. The specific insurance forms required, which were to be forwarded to the Commission by the home office of your insurance carrier, have not been received.

Since the commission has not received acceptable evidence of insurance, no transportation should be rendered. Unless the commission receives acceptable evidence of insurance within twenty (20) days of the date of this letter, your application will be dismissed for non-compliance without further Commission action.

Should your application be dismissed, you will be required to file a new application together with the appropriate filing fee.

We strongly suggest that someone contact the Insurance/Filing Unit, Office of Compliance, Motor Carrier Services and Enforcement Division, Bureau of Transportation and Safety at (717) 787-1227 or (717) 783-5933, to determine the deficiencies in your insurance filings.

Very truly yours,

James J. McNulty
Secretary
