In re: A-00115762C9901 - Stephen M. Andrulonis, t/a Andrulonis Trucking
A-00115762

Dear Mr. Andrulonis:

This will acknowledge receipt of your correspondence of August 25, 1999, on behalf of Stephen M. Andrulonis, t/a Andrulonis Trucking, which requests that the certificate of public convenience at A-00115762, be suspended.

After review of the record, it has been determined that a grant of a voluntary suspension for one (1) year is appropriate. The voluntary suspension is effective from June 25, 1999, the date your bodily injury and property damage liability insurance was canceled. The voluntary suspension will terminate on June 25, 2000. No service shall be rendered during the suspension.

Prior to resuming operations, the Commission should be notified in writing of your intention to resume operations. Acceptable evidence of insurance should also be submitted to the Commission prior to resuming operations. The notification and insurance should be mailed to the **Secretary, PA Public Utility Commission, P.O. Box 3265, Harrisburg, PA 17105-3265.**

Please be advised that this grant of a voluntary suspension does not eliminate the need to pay any fines or fees due the Commission.

Sincerely yours,

EEF
