In Re: Compliance with corporate registration requirements.

To Whom It May Concern:

By Secretarial Letter dated March 24, 1999, you were granted authority to operate as a motor common carrier of property between points in Pennsylvania.

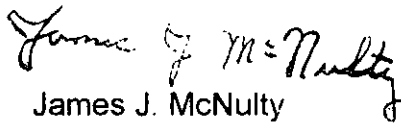

The letter directed you to comply with various Commission requirements to include proof of amendment of the corporate name as registered with the Commonwealth of Virginia and the filing of proof of registration as a foreign business corporation as provided by the Pennsylvania Department of State, Corporation Bureau.

As of this date, we have not received said proofs of registration and the Certificate of Public Convenience has not yet been issued.; Therefore,

You Are Advised: That failure to file with the Secretary, Pennsylvania Public Utility Commission, the necessary proofs of registration, within thirty (30) days of the date of this letter will result in dismissal of the application for failure to comply with our requirements.

The Corporation Bureau of the Pennsylvania Department of State may be contacted by telephoning 717-787-1057. Please give this matter your immediate attention to avoid dismissal of your application.

Very truly yours,

James J. McNulty
Secretary
