To whom it may concern:

We have received a letter from Pennsylvania Public Utility Commission on 06/18/2016 regarding an authority suspension in PA due to failure to maintain evidence of Cargo insurance. Our Cargo insurance with PA manufacturing company expired on 06/04/2016 but same day our Progressive Cargo insurance started. We were never without Cargo Insurance. When we got the first letter about the suspension from PUC we contacted our insurance agent and asked them to send the proof of insurance to PUC. The insurance company sent to Form I instead of Form H. On June 14th our agent contacted Progressive and had the insurance company overnight Form H. I have an email from Insurance agent that form H was sent out on 06/14/2016.

Please waive the \$500 fee because we never were without insurance.

Should you have any questions, Please call me at 610-360-3995.

Thank you,

Sukhdev Singh
