Regulation No. 57-309 (#3101)
Pennsylvania Public Utility Commission
Customer Information Disclosure
Requirements for Natural Gas Suppliers
Providing Natural Gas Supply to Residential
and Small Business Customers

On May 20, 2015, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the Pennsylvania Public Utility Commission (PUC). This rulemaking amends 52 Pa. Code (§§ 62.72, 62.75 and 62.81). The proposed regulation was published in the June 6, 2015 *Pennsylvania Bulletin* with a 30-day public comment period. The final-form regulation was submitted to the Commission on May 18, 2016.

The regulation amends the customer information disclosure requirements for natural gas suppliers, requiring them to provide additional information such as a contract summary with details regarding variable-priced products, historical pricing information, and pricing and terms.

We have determined this regulation is consistent with the statutory authority of the PUC (66 Pa.C.S. § 2206(c)) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

BY ORDER OF THE COMMISSION:

This regulation is approved.
