**Re: Easement Agreement between PECO Energy Company
and Upper Gwynedd Township, Montgomery County, Pennsylvania**

Dear Ms. Chiavetta:

Enclosed for filing and approval pursuant to §507 of the Public Utility Code is an Easement Agreement between PECO Energy Company and Upper Gwynedd Township, Montgomery County, Pennsylvania. Please forward the Easement Agreement to the Bureau of Technical Utility Services Department for approval.

The purpose of this Agreement is due to Upper Gwynedd Township having had continued complaints about icy sidewalks during winter months due to incorrect water runoff which causes slips and falls around the middle school. They have indicated that the runoff is coming from the PECO Energy Right of Way (ROW). To improve this issue, Upper Gwynedd Township has developed a plan to install water quality detention basins on their property with minor grading on the PECO Energy ROW. Upper Gwynedd requested this Easement Agreement to construct and maintain the grading.

Thank you for your consideration. If you have any questions or comments, please feel free to contact me.

Very truly yours,

/s/ Maryellen T. White
